AN INTERVIEW WITH THE MINISTER OF EDUCATION

Mr. H. Rogers was in Mon-
treal from Thursday until Saturday
of last week, having gone up as
representative of the Open Valley
District to interview the Minister
of Education with reference to
the forming of an independent
school district and withdrawing
from consolidation. The follow-
ing letter tells the result of his
effort.

Edmonton, Dec. 26th, 1922
To The Representatives Of Open
Valley S. D.

The Department is in receipt
of a petition signed by eighteen
members of the Open Valley
School District, a unit of the Alix
Consolidated School District, to
have all lands previously contain-
ed in the Open Valley School
District transferred from the Alix
Consolidated School District to
an independent district.

The Department is also in re-
ceipt of a petition for the forma-
tion of a district composed of the
southern part of the Open Valley
and the northern part of the
Strom School districts. The for-
mer petition has been very ably
presented by Mr. Rogers, and I
have given the same careful con-
sideration. Before giving a de-
cision one may or another I wish
to invite you to further infor-
mation regarding the situation.
I will endeavor to come this at
the earliest possible date so that
perhaps a subdivision may be giv-
ing to your petition and a decision
given.

I may state that before the
matter is finally decided the re-
sults of your district will be giv-
ing a further opportunity to pre-
sent their views. Mr. Rogers
presented and supported your peti-
tion with marked skill and suc-
cess.

Yours Obedient Servant
J. T. Ross
Deputy Minister

1922 OFFICERS TAKE OATH OF OFFICE

The first meeting of the 1922
Village Council was held Tuesday
evening with all members pre-
sent and a fair attendance of resi-
dents.

The initial business was the
swearing in of the new members
which was done by the Secretary.

On a motion of Temple and
Thompson, J. R. Smith was chosen
Chairman of the Year Board.
H. G. Finch was re-elected
Secretary, W. L. Pottier, Auditor
and Wm. Martin, Janitor.

The necessary by laws for bor-
rowing money and enforcing the
business tax, as prepared by the
council, were read and approved.

The Secretary was instructed
to proceed with levying the 1923
assessment as soon as possible.

It was decided to continue the
holding of the regular monthly
meetings on the first Monday of
each month at 8 o'clock except in
case of holiday when the meeting
will be held the day following.

The matter of sidewalks receiv-
ed special attention and it was
decided that every effort would be
made to put same in better con-
dition as soon as weather would
permit. In the meantime water
had crumbing will be torn up
and sidewalk put in their place.

No further business a appearing
meeting adjourned.

1923 is away to a good start.

"Burns Nicht"

The Alix G. W. V. A. have
completed arrangements for a
concert and dance on Jan-
uary 25th "Burns Nicht,"
posters for which will appear
in a few days, carrying full
announcement. Admission
25 per couple, supper extra.
Keep this date open and
arrange to attend and have
a good time.

The population of Alberta has
increased \$4.51 per cent during
the last ten years. It is said 501,
000, the women this year alone.

The world is so full of a num-
ber of things, I'm sure we should
all be happy as kings
What about the risk?

An impatient customer is a con-
fessionary store rapped sharply
on the shoulder.

"Here, young lady," she called,
"what waits on the auto?"

THE ALIX FREE PRESS

It is the only newspaper in the district of Alix, Alberta, and is published weekly.

Attention is now being directed towards the country's natural resources, as never before, also it is generally recognized that only by a more widespread utilization of Canada's undeveloped lands, mines, forests, water-power and fisheries can several day and economic problems be solved.

The Natural Resources Branch of the Interior has published a map showing the leading natural resources of each province. In Nova Scotia and farming, in New Brunswick and fishing, in Prince Edward Island for farming and agriculture. New Brunswick has large areas of timber, while also of farming and fruit growing an outstanding interest. In Quebec may be found a wealth of timber for pulp and paper, also minerals such as asbestos, graphite and gold, while in Ontario some of the most valuable agricultural lands.

In the Pacific Provinces the prospectors neither may obtain adequate returns on capital and labor in either grain growing, livestock farming or ranching, while in British Columbia (timbering, fishing, fruit growing and mining) are among the leading industries. In addition to information on natural resources, the map shows all railways and trade routes. An interesting and valuable feature is a series of comparative diagrams illustrating the production and exports of the various provinces. A copy of the map may be obtained free of charge upon application to the Natural Resources Intelligence Branch, Department of the Interior, Ottawa.

From your neck down is a distance of about five feet. That part of you is all mine and is under

From the neck up, the limit of your worth is the sky. For you are paid not for your work but for what you think while you work.

A lovely man, a small man, a man full of other satisfactions and fine clothes are all pleasures and a certain sort.

But the man who gets his thrills from the neck up—his living.

The man who works from the neck up is the working man and can make real money for it.

Work with your brains brother and you'll get 'em. That's the way to make money for you. Then your mind is the sky!

POWERFUL GAST

IN TOM MIX PLAY

A company of extraordinary strength appears in "The Untamed," a big Tom Mix feature produced by William Fox, which will see the situation at the Regal Theatre on Tuesday, January 10th. Pauline Starke supports Mix in the role of Kate Cumberland. She will be remembered in "The Little Shepherd of Kingdom Come," "The Courage of Marge O'Donohue" and many other pictures of importance.

George Holsman, who plays Jim Sloan, the outlaw in "The Untamed" and will always be remembered as the negro band leader in "The Birth of a Nation," "Hearts of the World," "The Little Shepherd," "Mother Love and the Law" and "The Roadster."

Other prominent players in the cast of "The Untamed" are P. M. McLaughlin, a distinguished character actor; Pat Christian, James O. Barrows, Charles E. French, Sid Jones, J. A. McHale, Frank M. Clark and Joe Connolly.

THE TELEPHONE GIRL

**LAKE PICTURE HAS
A DRAMATIC PLOT**

It is enthralling because of its unusual plot and the method of working out the situations in consequence. Briefly, the story deals with Lucretia Matson whose husband is a moral reformer, addicted to opium and known woman. Lucretia's cup of disgust brims over at last, but Tom's father entreats her to give him one last chance. The last is the

drinking gold. This is given a one-worthy craft, a sitting vessel, manned with damp rascals, is foisted on Frank Underwood, who loves Lavinia and is loved by her. The cowardice of one and the courage of the other, as they go through Bahian Straits leads

The picture was adapted from John Wilson's story, which appeared in *Murray's Magazine*.

ALL CROSSINGS ON NATIONAL LINES

TO RECEIVE ATTENTION IN SPRING

Council of The Municipal District of Lamerton Appoint
Medical Health Officers for 1922

The council of the Municipal
District of Lamerton No. 30 met
at the Municipal Office on Satur-
day, January 14th, at 2 p. m.
Present were Messrs. Thomas
J. Ross, J. B. MacNeil, C. B.
Tulman and M. A. McMillan, with
Reeve Thomas J. Ross in the
chair.

Minutes of the December 19th
meeting were read and confirmed
on motion of Constable McNeil.
On motion by Constable McNeil,
M.D. officers were re-appointed as
Medical officers of health in their
respective districts. Dr. Jamieson
was appointed Medical Officer of
Health in the Alix district; that in
the district previously attended to
by Dr. Hart via. Alix at Divi-
sion No. 2, Thursday, \$9.25 a fee.
Division No. 1, and Thursday \$9.
\$4 in Division No. 2.

Resolved on motion of Mr. J.
C. Tulman that the following be
re-appointed and appointed paid
inspectors:
Clarence Graham, Norris
S. Roberts, Alix
J. Macmillan, Alix
Thomas MacNeil, Alix
W. B. MacNeil, Alix
Jack Stewart, Glen
Archie Hanes, Glen
H. Hopkins, Mirror.

A letter from the General
Superintendent of the Canadian
National Railways, Edmonton,
is couched very much. The let-
ter is to the effect that all crossings
could be brought up to the stan-
dard in the spring. The account-
ant was instructed to write, say-
ing that the crossing was not
suitable with such arrangement, but
that it must be absolutely clear
that the crossing on section 2-30
\$14.00 must also be put in shape.

The Reeve requested that notice
be made in the minutes that
the balance in the credit or other
view of the various Division,
was, according to the estimates,
received and could be used.

By-law No. 14 for the purpose
of borrowing from the Union
Bank, the necessary money to
carry on during the year was
given a final reading.

An account from Dr. Hopkins
of funds was read and found
correct, and on account from
the Village of Ross was held or
paid the balance of Council
be J. Ross. Motion by Mr.
Tulman.

A number of accounts were
passed for payment, on a motion
by Mr. Macmillan.

Mr. Tulman moved the adjourn-
ment of the meeting at 6.30 p.
m.

On March 1st

WHAT ALIX BUSINESS

The Department of Agriculture
has issued a statement showing
that a total value of farm crops
produced in 1921 on a basis of
prevailing prices, was \$6, 675, 000.
In 1920 the value was \$9,
075, 000, 000 and in 1919 \$10, 700,
000, 000. In other words the pro-
ducts of the country had little more
than half so much money to spend
in 1921 as in 1920 and almost one
third of that in 1919. If the
gross income of all other lines of
business in the country was to be
cut 50 per cent in one year we
wonder what would happen.

NOOKEY

Mr. R. Hunter went to Kalamazoo this week for a few days.

"The Scuttler" in which William Farnham stars, and which will be shown at the Regal Theatre next Tuesday, will have Macauley Harbor, Catalina Island and Hollywood for its locations. A 250 foot long schooner chartered for the ship scenes was also a private yacht which takes the shipwrecked persons from a desolate island. Many of the scenes are in the gallery and the head of the boat. The "Nipper Cat's" action, a famous scene on Battery Point, also is reproduced.

The many twists in the cross fraction of this six cylinder tale refuse to be straightened out into a newspaper review. But to those who fancy half-breadth escapades, perilous situations galore, romances and a shifting background, sprinkled with a generous lot of good old fashioned exorcism by the gentle art of a *la fée* d'écure, then this picture will provide an evening's invigorating entertainment. The final reel of this exciting picture is alone worth the price of admission, showing the most

Thursday of next week is St. Valentine's Day.

Don't forget the Hockey Dinner to-night (Friday).

No Free Press next week. No news. We're taking a holiday. Mr. and Mrs. A. S. Dittin, Mr. W. Parby, Mrs. T. Sample and Clifford Clark were in Edmonton last week attending the opening of the Legislature.

Mr. A. E. Nix left on Monday to spend a couple of weeks with friends in Manitoba.

The Tuesday School lesson for next Thursday is "Rings and the Sheshaunna Women." 2 Kings 4: 3-7 Golden Text - "Verily, Verily I say unto you the time, cometh, and now is, when they that shall have the will of the Son of God, and they that have the will of God, shall live." John 6: 28. The attendance last Sunday was 65 children and 18 adults which is gratifying, but there is an opening for two teachers for boys classes. It is requested that ladies be brought next Sunday.

Mrs. C. M. Yarrow is spending a few days with Mr. D. A. McDougal of Saskatoon.

Newsboys in this town will be found at the conclusion of the Carnival to be held on Alta. Bank Monday of next week. February 13th Good prices are being put up for both today and tomorrow and supper will be served in the U. F. A. hall at the close of the carnival.

The next regular meeting of the Municipal Council and the test in the Municipal game will be held on Saturday night.

Mr. G. A. Thompson and Mr. A. B. Hunt go to Edmonton on Saturday to attend the Grand National Assembly which opens Monday morning.

Mr. T. Witten goes to Edmonton next week as representative from Alta. Lodge 1 O. O. F. to the Grand Lodge Session which opens Wednesday morning.

Mr. and Mrs. Boudet of Orono have been spending the last few days with the latter's parents Mr. and Mrs. E. F. Roderemus.

The Women's Institute and Ladies Auxiliary are holding a sale of Home Cooking and serving in the U. F. A. Hall on Saturday, February 11th. Proceeds in aid of Red Cross work.

The U. F. A. shipped a car of hops to Calgary on Wednesday. There are 84y-two bushels in this year of grain. Is that the reason that some people are not going to church as regularly as they might be expected thinking that there will be plenty of opportunity?

It is more so than that you of the Hockey Dinner tonight in the Royal Theatre.

By Gertrude Boudet

Many of the most delightful of the new season show the reason of the excellence of what is known as the "Alix" line. However, dress and line are wonderfully charming, and the quality of the half are. White Satin with blue dots is a development of this material. It has very short sleeves, its waists are to do an answer for some with long skirt is decorated with flowers, which are both Cotton crepe in matching color of blue and silver.

If your grocer were greedy for profits he would not be content to sell and recommend Red Rose Tea at a less profit than he makes on other teas.

But it is a fact that he does make less on Red Rose than on other teas, and he recommends it because he knows its quality is the best.

Taxation in Canada

(Second Article)

The enormous sums of money required for the purpose of carrying on the war, necessitated the finding of new sources. A national revenue not only is found, but in all countries. The money had to be obtained quickly in large sums. Existing sources of revenue were expended to the full on military needs and existing taxes were increased. But that was not sufficient. New sources of revenue had to be evolved and for the most part this had to be in the form of the imposition of direct taxes.

Regular session of the Village Council next Monday evening.

J. R. Mackie returned on Monday from spending several weeks at the old home near Ottawa, Ont.

March 1st was Ash Wednesday, the commencement of the Lenten season, and a school holiday.

It will be pleasing news to her large number of Alix friends to learn that Mrs. M. C. Macdonald, who has been dangerously ill at her home in St. Joseph's, is now on the way to recovery.

At the election for Chairman of Division resulted in the return of Conventor L. M. Forth. This ballot was won Forth 100, Reynolds 78.

The Sunday School lesson for next Sunday is "John's Story For a Christian City" found in 10 verses from "Let the lighted torches be lit" and the thought come into his thought, and let him return unto the Lord, for he will have mercy upon him, and he will not let him be cast away." See 53:7. The student next Sunday has 61 verses, and 17 details.

On Tuesday eve, Harper met with a nasty accident at the Santa Bar Motel. He was struck by falling down and received many cuts and bruises. Fortunately no bones are broken.

Miss Deane Deane was taken to the hospital on Wednesday, where she underwent an operation for appendicitis. We understand she is doing well and is expected.

Watch for posters announcing the Big Masquerade Dance in Alix this month.

Norma Reagle returned from York on Wednesday, where she had been visiting Mrs. Gurnell for several weeks.

Walter Deane has returned on Tuesday to his position on a farm near Strathmore.

Do not go blind, Cassell M. Beckwith, a popular, who will be at the Imperial Hotel on Tuesday and Wednesday, March 1st and 2nd, from 2 to 3 p. m. (charges are moderate).

Don't miss your last chance to see "The Old Time Dance" which is held in the Y.M.C.A. on Friday, March 10th. Now is the time to see the beautiful and the admission is only 75c per couple with 25c for extra. Ladies' helpers will be served in the hall at a very low price. Every body come and see the performance of the college of the promoters.

Bridge was in Old Fellow's hall on Friday.

A Concert and Dance in aid of the Red Cross Fund will be held in the Masonic school on Tuesday, March 10th. An autograph sale will also be auctioned the same evening for the R.C.

EXTRACTS FROM MINUTES

The council of the Municipal District of Assiniboia, No. 20, met at the Municipal Office in Alix on Monday, March 6th at 7 p.m.

The Election in Division No. 2, S. R. 4 resulted in Mr. C. R. Tallman being re-elected by acclamation; Mr. E. C. Sherburne (new member) elected by acclamation; and Mr. L. E. Forch, with 50 votes against 72, his opponent being J. H. Reynolds.

Present: Mayor Messrs. J. E. Marshall, C. R. Tallman, E. C. Sherburne, L. E. Forch and M. A. McMillan.

This being the first meeting of the council for the term 1922-23, the Secretary called the meeting to order and after having sworn the new member, asked for nominations for the position as Reeve for the coming year.

Elected was Mr. J. E. Marshall, who, on taking the chair, called for nominations for the position of deputy mayor for the first six months of the term. Mr. Tallman was proposed by Mr. McMillan, but withdrew; Mr. Tallman then proposed Mr. McMillan, seconded by Mr. Sherburne, who was elected.

The minutes of the Council Meeting held February 11, were read and were confirmed on a motion by Mr. McMillan.

Mr. E. H. Hopkins, Postmaster in Division No. 4, called on the council regarding two accounts in connection with the Post, outstanding since 1921. After some discussion the accounts were passed for payment on a motion by Mr. McMillan.

Mr. McMillan was appointed a delegate to attend the meeting of representatives of the Municipal Districts in the Hall-Insurance District. This convention takes place in Calgary, Mar. 18.

The following makes of Capherolans were decided on:
Division No. 1 "Capherolans"
Division No. 2 "Capherolans" and "Kil-son-que."

Division No. 4 "My Own."
Division No. 5 "Kil-son-que."
Division No. 6 "Capherolans."

The supply will be the no test year, one packet to each quarter section. A good deal of routine business was disposed of.

A number of accounts by Mr. McMillan.

At the request of the Mayor, the Council meeting in future will again be held on the second Saturday in each month at six o'clock p.m.

Mr. McMillan moved the adjournment of the meeting at 6 p.m.

Geo. Macdonald, Sec. Treas.

Mr. and Mrs. W. H. Mitchell will arrive home today (Friday) after spending the winter with relatives in various parts of England. The parties played were newly married W. H. Mitchell and his wife.

Rev. J. B. Lewis attended the sessions of the Presbytery at Watrous on Friday night of last week.

pace is too fast. It cannot be kept up and it does not have to be kept up. As citizens of the "free" people we have to accommodate ourselves to circumstances, and if they are doing in their private affairs, in their municipal affairs and must do it in their national affairs. What can it be done now will have to be postponed until population increases and taxes are better.

The Manitoba Legislature has decided to use part of the "unemployment fund" to relieve farmers who are unable to pay interest on their mortgages and are in danger of being sold out. The aim is to prevent the ranks of the unemployed being swollen

... by farmers' dispossession of their land. When a farmer loses his farm he loses his job. The trouble will come when industrial firms demand to be also moved from bankruptcy, and the assistance given to the farmers as a precedent for demanding help from the Government. If the Province should assume one mortgage in order to help one man from being

out of work, can it consistently refuse to assume another mortgage to prevent two or three score other mortgagors left without work? But can it provide without inviting disaster upon itself behind all the shaky business enterprises in the province, and make the public credit carry the obligation

A government which starts out his time to play the role of bank a private interests is not likely want for opportunities, and if opportunities are to be conceded to all it is not easy to see where the line is to be drawn between one applicant and another. It certainly cannot with fairness be drawn between farmers and

non-farmers. Agriculture is the backbone of the west, but agriculture would not be profitably carried on in the west if there were no merchant manufacturers or communities of people engaged in other lines of business. Unless discrimination between persons or callings is to be substituted for the rule of equality before the law, the Government does better to continue

\$32.50

The above amount was the proceeds of the concert and dance and sale of an Amalgamated School on Thursday of last week. Much credit is due the teacher, Mrs. Arday for the excellent program and the additional contribution to the Red Cross. The youngsters have enjoyed their day in R. C. work and the school for school of a similar one in the previous has done well in the good work.

ITEMS OF INTEREST

Mr. E. Sheppard spent the latter part of last week at Emily looking up the prospects for a harness shop. He likes the money but has not yet decided on making the move.

Allen Hines, has commenced the erection of a residence on their farm north of town.

Mr. Tredway was the lucky winner of the "Hooker" contest donated to the club by A. H. Hlaatt and drawn for at the dance on Monday night. He was the winning number.

Mrs. George Nelson returned on Saturday from a visit to her home she had been nursing her daughter's children through scarlet fever.

In our report of the Ladies' hockey game we neglected to record the thanks of the Ladies' club to Mr. Tredway for the services in preparing the postcard advertising game.

Mr. George Blomert came down from Edmonton last week to the place at the home of Mr. and Mrs. A. S. Hlaatt.

Don't forget the Agricultural meeting to-morrow (Saturday) afternoon in the town hall.

Mr. Harry Hunkins was in town from Thursday till Monday on business in connection with the Hunkins' Brush Breaker.

On Tuesday evening the 14th March, the members of the L. O. O. F. and Hunkins' Lodge will hold a social evening in the Y's Hall to which all members of the order and their wives are invited.

A traveller for the Western Home Monthly calling himself E. Sherry of Edmonton, took lunch here from the Imperial Hotel Tuesday last week for getting a \$11 board bill. To gain time he slipped the bill on the inside of the door with the aid of a string passed through the transom and when the proprietor stumbled to the trick the "traveller" was happy on his way. However the police are on the trail of Mr. Hunkins and will no doubt give him a little more free board in the near future.

Service next Sunday in the Presbyterian Church is at 8 p.m. after the Sunday School. In Sunday School, a review of the lessons studied this quarter will be held. All are requested to read Psalm 136 to prepare for the service. Golden Train: The Lord is righteous in all his ways, and gracious in all his works. Psalm 145: 17. Attendance last Sunday was 57 children and 15 adults.

Remains of prepossessors are daily passing through town on their way to the Canadian gold and silver diggings.

The Annual show and sale of pure bred cattle will be held in Calgary on April 4th to 11th.

The foot sits down and worries about the living the world owes him, but the wise guy bustles around and collects the interest on the debt.

We understand that Mr. O. Hines, who has been living at Chigwell for the past year, will return to this district, and that he has rented the Hines farm.

"The ceremony was performed by the R.V. — — and a fortunate friend," notes from wedding no moment in an exchange. "We were under the impression that ~~there~~ a minister had to leave a suit of a permit to allow him to perform marriages. Didn't suppose a friend, no matter how intimate, could suit in and assist."

"We'll pay for this," with the personal charm anyone remarks upon the glorious beauty of the days and incomparable beauty of the nights during the past week. "But this is worth paying for," was the sensible conclusion of another, who has no doubt found that most things worth having must be paid for in some way.

HOW ABOUT A NEW SINGER SEWING MACHINE?
See Them On Display At The Free Press Office

ITEMS OF INTEREST

Tomorrow is April 1st. "April Fool."

Mr. Harry Sheppard left last week for Rimby where he will be in charge of a barroom business in connection with the hardware store.

Regular meeting of the Village Council was Monday evening. There was between forty and fifty at the final session of the Bridge Club Friday evening of last week and Mrs. T. Pinnell married away the ladies' prize while W. L. Potter topped the men's score. It was a very successful evening's entertainment and the Robekas are to be congratulated on the way their efforts were appreciated.

Mr. J. W. Scott attended the meeting of local men at Lacombe on Monday.

Mr. and Mrs. C. Bartlett leave this week to reside on a farm near Calgary.

The Sunday School lesson for next Monday is "An ax for an ax," 2 Chronicles, 14: 1-12. (Golden Text—"Help us O Lord our God, for we rely on thee") 2 Chronicles 14: 11. Attendance last Sunday was 62 children and 14 adults.

A large crowd patronized the dance on Monday evening and all report an excellent time. The music by the Hamilton Orchestra was the usual standard. We understand another will be held in the near future.

Messrs. Williamson & Smith this week take over the garage business of Torps & Posthum. We are sorry to lose them and Harry who are serving their families in Eskaba where they are opening a similar business in a cement garage which they are having erected in that town.

The U. F. W. A. have on display in the furniture store a handsome quilt which they are raffling at five a ticket. It is surely a beautiful piece of work and well worth a try, the piece.

The Hudkins Plow Co. on Monday made their first sale from the new factory, disposing of No. 1 "Hudkins" Break Back Plow. The advertisement of this company could have in the fact that their first plow was sold at home and several others from local men are being sold.

We're pleased to report that Mr. G. W. who has been away lately in the several weeks, is now improving, being able to be about again.

Mr. Minnow returned on Tuesday from spending the winter with friends in Winnipeg and other eastern points.

The Annual show and sale of new seed lots will be held in Calgary on April 6th to 11th.

Letters for the wedding bells are being sent early next month.

Mr. H. Bateman of Regina was a couple of days this week a guest at the home of Mr. and Mrs. G. A. Thompson.

Mr. and Mrs. Theo. J. Ross and family left on Monday to take up their residence at Winnipeg.

A New York State farmer reports that his cattle are suffering from a disease that is spreading rapidly. The disease is called "Foot and Mouth" and is caused by a virus. It is highly contagious and can be spread by contact with infected animals or their secretions. The disease is characterized by blisters on the mouth and feet, and it can be fatal. The farmer reports that he has lost several of his cattle to the disease.

ITEMS OF INTEREST

Mr. and Mrs. Leslie Baker were in town on Monday arranging for advertising their farm equipment prior to leaving to make their home in B.C.

Fathers mothers and children do not miss the meeting this (Friday) afternoon in the town hall in connection with the "Boy Scouts" and "Wolf Cub" movement. Your presence is essential at 4 o'clock sharp.

The summer schedule started at the school Monday morning. It opens now at 9 o'clock.

To night "To night" Big dance in the Vets hall.

Mr. Harry Paulson moved his family to Bathurst on Monday.

Moors, Hodkins and Tredway were business visitors to Calgary from Thursday to Saturday of last week, in the interests of the "Hudkins Plow Brokers."

Mr. Hall moved his family out to the Timpa farm last week, and Mr. J. Cline has moved his family into the house he vacated.

Mr. O. N. Williamson has moved his family into town, taking up his residence in the house vacated by H. Paulson.

The social evening given by the I. O. O. F. on Thursday of last week was a most pleasant affair there being between 50 and 60 present. The members who to spend their evening at the dance were kindly donated by the Bellview orchestra. Considerable amusement was afforded the gathering by the singing, trial and competition of the members on various changes, and for each one being \$1. H. G. Paulson, the barman, W. L. Pickett, the dealer, and H. B. Todd and the Bobby.

It must be spring, "little" is out. Wedding bells out came in a couple of weeks.

Mr. Frank Golder has resigned his position at the university and is moving to the A. Longbridge farm west of town. We understand Mr. and Mrs. Longbridge will spend the summer at the coast.

Miss Nellie Anders returned home from Red Deer on Saturday last.

Mr. B. W. Fleming, who this morning rode to Bathurst for a couple of weeks, returned home on Tuesday.

R. L. Toupier was a business visitor to Calgary from Tuesday till Thursday.

Mr. A. S. Bennett is spending a few days with relatives in Pelly. Mr. George Neilson was in Calgary this week attending the Spring Stock Show.

The Hudkins Plow Co. have taken over the agency for John Deere machinery and will carry a full line of repairs.

The Sunday School lesson for next Sunday is "The Lord Promises" 3 Kings 11: 1-4; 11: 17. Union Text: "The Lord promiseth all things that we his faith." Psalm 145: 20. Attendance last Sunday was 56 children and 16 adults.

The latter part of last week Mr. J. Cline moved to the house south of town, from Calgary. Plans developed FREE. 6 prizes may win \$25.00 per prize. Central Fishing Coy. Camrose, Alta.

NOTICE—I will not stand good for any obligations contracted by Mr. and Mrs. Fred Sargent—H. Sargent, Alix.

WEEK OATS—American Banner No. 1 seed oats for sale for three weeks—O. T. Berg, P.O. Box 207, Alix, Alberta.

Mr. J. W. Taylor is spending a week with friends at Calgary.

Regular monthly meeting of the Municipal Council tomorrow afternoon.

The annual meeting of the Tennis Club will be held at the home of Mr. F. B. Stephens at 8:30 on Monday, April 16th.

COMMUNICATION
After All Free Press
Will you please give me space
in your valuable paper as I wish
to attract attention of every body in the
district to the fact that the U. F. W.
of A. C. Cook Books while
connected with Mr. M. Hall are not
in the hands of the U. F. W. A.
I understand the local has finally
solved the matter. The fact is
that it is to be more honestly con-
sidered upon the present ex-
cessiveness of the books as they are
not practical and commensurate
in expense they would be hard
to sell and I am a very willing
person to see that every body
who is fortunate to possess a
copy. The Alix local is to be
congratulated upon having such
valued, as the book is in evidence
of the honest in the circle of
the public and to over look the
advertising and who in need of
our service we will be glad to
serve you.

**USE OF SMALL CARDS
OR ENVELOPES TO
BE DISCOURAGED**
It is desired that at the coming
Easter Season the public should
be urged to discontinue, as far
as possible, the use of small cards
and envelopes and with this view
valuable news items should be
placed in the local press and the
attention of the public brought
to this matter in every other
possible way. The following objec-
tions to the use of small cards and
envelopes should be pointed out:
1.-As a result of the small size
of the cards or envelopes the
Post Office authorities have fre-
quently failed on the address par-
tially obliterating it with the pos-
sibility that the article may be
misdelivered or at least delayed.
2.-There is difficulty in the
post office sorting and handling
of small cards and envelopes and
this unavoidably causes delay.
3.-There is also difficulty in
putting small cards or envelopes
through stamp cancelling ma-
chines at larger offices, and this
causes delay.
4.-The small size of the cards
or envelopes makes them apt to
fall out of bundles in which they
are tied, and thus to be possible
loss of as much as a month's
Responsibility for loss, mis-
delivery and delay as outlined
above, arising from the use of
small cards or envelopes, must
weigh with the sender.

Transatlantic Conference to be Held in Toronto in 1925
To settle the minds of a group of officials of Western Canada, there came in 1921 the idea that a conference at Toronto should be made in reply to the British rejection of the Pacific line held the scheme of the Transatlantic, the drawing of which is assigned by our construction to the Province. It was contended that the Education Department

CLEAN-UP DAY APRIL 19th

Keep your chickens in your own backyard

The regular meeting of the Village Council was held on Monday evening with a full board present.

After reading the minutes and passing the various accounts the various matters necessary with opening of spring were dealt with.

"Clean-up"—It was agreed to postpone Wednesday, April 19th, as a holiday when residents are to turn out and get busy. If your own property is in the line with the village law, be sure you clean it up.

"Pond-lifting"—A committee was instructed to interview Mr. M. M. Brown with a view to taking this work. The pond and the keeper have been provided but it is up to the resident to do the pond-lifting.

"Halt hickies"—There has been a number of complaints in the municipality during the past year and the council have through their agent, Mr. J. C. Lewis, ordered the removal of same to the owner on premises.

"No Tax Sale"—The time limit for redemption of property sold in 1920 has been extended to May 1st, 1922, the secretary was instructed to publish a final notice in regard to the land paper.

"No Nuisance Ground"—The necessity of acquiring a new dumping ground was thoroughly discussed and a committee appointed to see if it was possible to secure one, which we understand has been located east of the C. N. R. depot.

"No Dam"—Parties capable of repairing same will be

interviewed and the work done as soon as possible. We understand there will be a four foot wall erected on the north side of the lake to take that additional depth.

A letter from Provincial Department of Health re sanitary inspection was very gratifying.

DRIVING HOLIDAY

Wednesday April 19th has been declared a civic holiday for a clean up day of village properties by agreement. Immediately following that date property not in order will be cleaned up by the order of the Village Council and costs attached to such properties.

WEDDED

A pretty wedding took place at the residence of Mr. and Mrs. J. P. Zimmerman at 5 p. m. on Tuesday April 18th, when their daughter, Mary, joined the bride, the lady of his choice being Catherine Alice McLean, eldest daughter of Mr. Robert McLean. Rev. J. C. Lewis performed the ceremony. The bride was attended by her sister, Miss Martha McLean, while the groom's brother, Fred, was best man. There were thirty guests. At the close of the ceremony a dance was given, after which dancing was in order.

Mr. C. McCormick of Mirror, D. O. M. Club, paid the Alix Ode fellows official visit, Wednesday evening.

AN OLD TIMER COME

There died at her home five miles north east of Alix, on Sunday, April 28th, Mrs. A. C. Peterson, aged 92 years. Deceased had been a great mother for the past two years and her passing away was not unexpected for. Mr. and Mrs. Peterson came to Alberta from Victoria nineteen years ago and settled in this district where they have since resided. The funeral took place on Tuesday at Mirror cemetery, services at home and graves being conducted by Rev. Collins. The remains being conveyed to their last resting place by old neighbor, J. Brinkin. R. H. H. W. Burritt, C. Ombay, R. F. Sanderson and others. Sympathy is extended to Mr. Peterson in his bereavement.

IT WOULDN'T DO

One of our subscribers took us to task for failing, as he remarked to publish all that happened. It is here pointed out to this individual that discretion occasionally demands the omission of unpleasant items. Should we publish all that is told to us we would be with the angels in about twenty minutes after our paper were mailed. We try to print all items that are new, or that will encourage, help or cheer any of our citizens along life's rugged road. We doubtless would be judged "all the news" where it is about the other fellow, but our policy is to run over to the right side of the spreading of scandals that only leave sorrow in their trail.

The Western Canada Wants

The future of the world depends upon the health of our people. That our Canada's need is a large question, and is one that has not been fully met.

There has been much talk in the past of the need for a better health of our people, and it is not too much to say that the health of our people is the key to the future of our country.

The second article in this series is by Professor T. H. P. of the University of Toronto, and is a study of the health of our people in the past and present.

COMMUNICATION

Publications of the Alberta Women's Institute.

Will you call the attention of the members of your institute to the fact that the Editor of the Women's Institute has opened a "Women's Exchange" for the sake of the housewife and all women?

It is organized as follows:
1. What is a "Women's Exchange?"

2. Why was it started?

3. Where is it located?

4. Who gets the profit?

5. Articles must be reasonably priced.

1. A "Women's Exchange" is a place where one woman sends her household articles to be sold and who in exchange may need to buy articles which she has to buy elsewhere. The article gets a little more than you can buy anywhere else. It is always found at the "Women's Exchange."

2. The exchange offers women who wish to make articles at home an opportunity to market them. In these times it will be of much help to those who cannot find regular employment but must have money.

3. The exchange is located on the fourth floor of the Hotel's Bay Street, Edmonton. This exchange has been most generous in giving the space for this undertaking. They value the space they have given us at \$170 a month. We get it free. They get nothing. The Edmonton Women's Institute do not get one cent. It is for women by women.

4. All goods are sold on commission. It is all the woman's charge receives for her work. After considering a long list of applications, a committee of the

local institute appointed a capable woman to take charge. She has had much experience and will advise you if you will write her.

5. Goods must be reasonably priced. It is advisable to mark the lowest figure you can take. Best results, therefore, people are getting for real value.

Mark time and thought have been spent in getting this exchange started. Will you co-operate in making it real value to the many women who want to take advantage of such service.

Address all parcels and letters to Mrs. Isabelle Parks, care of Edmonton Women's Exchange, 4th floor, Hotel's Bay Street, Edmonton, Alberta.

Thanking you on behalf of the Institute, I am
Yours very truly,
Mrs. McGregor Smith
Committee, Women's Exchange
Committee, Edmonton Women's Institute

HOW SOME BODIES LOVE THE SECRETARY

If he writes a letter, it is too long; if he sends a postal it's too short; if he calls a pauper, he's a spendthrift; if he goes to a committee meeting, he's leaving him; if he stays away he is a shirker; if he is slow to get to a luncheon he should have called the man; if he calls then he's a pest; if he doesn't remember his due, he is inconsiderate; if he does not collect them, he's a miser; if he is a meeting in a bowling society, the entertainment committee is paid off; if he fails the Secretary is to blame; if he asks for suggestions, he is incompetent; if he is a doctor, he's a well-to-do. As for those, don't to that; if he's not won't do it, the Secretary must.

Do you know

That the Imperial Hotel is clean and a good place to eat at and I don't see any reason why the residents of the district should not like it like they do. It is a good hotel. It is a good hotel. To any district. And the fellow coming down to buy a train. If the fellow's "man" takes the next train and leaves. And your district is judged by your hotel. Moral—It pays to support a good hotel.

WEDDINGS

STEADMAN-HARPER

A quiet wedding took place in the parlour on Tuesday, April 18th, when Miss B. Thelma daughter of Mr. and Mrs. J. Steadman of this city, and Mr. James F. Harper of Alix were united in the holy bonds of matrimony. The ceremony was performed by Rev. Father Russell. After a brief luncheon the happy couple will reside at the home of the bride's parents, south of Alix. The young people have a number of friends throughout the district and many are sending congratulatory messages.

BROTHMAN-DOHERTY

A pretty wedding took place in the parlour on Monday, April 17th, when Miss Mary, eldest daughter of Mr. and Mrs. J. A. Doherty of Alix, and Mr. A. G. Brothman, of Edmonton, were united in the holy bonds of matrimony. The ceremony was performed by Rev. Father Russell. The happy couple have taken up their residence on the groom's farm three miles north of Alix. We join their many friends in extending congratulations and best wishes.

THE ONLY ONE IN ALBERTA

The new churn, a "De Laval Drednought," ordered by Mr. J. A. Doherty of Alix, has arrived and will be installed in a few days. This company's business last year increased to such an extent that it became necessary to increase the facilities and in accordance with the policy of the firm nothing but the best would do. The new machine has a capacity of 1500 pounds and is the largest churn and only one of its kind in the province.

ITEMS OF INTEREST

Miss J. Draper of the Edmonton City is a guest at the home of Mr. and Mrs. R. H. Mann.

Miss Marion Fisher is home from her second year at the Old School of Agriculture.

The news of the death of Loughheed of Miss Rita Carr, at one time a member of the Alien Bank at Alix, will come as a shock to her many friends here. She died at the home of her mother on Thursday, April 18th. Deceased was a daughter of Stenness Bankhead Lodge, Alix.

Miss Edna Roling of Camrose is spending the week with her family, Cresta Hotel.

Miss Hettie Ross of Lethbridge was a guest this week at the home of her mother, Mr. J. B. Ross.

Last week Roy Hoppes sold cars to Cliff Doug and W. Fletcher and purchased a McLaughlin from Mr. E. Furling.

School re-opens Monday.

Mrs. Adair and Mr. Lloyd left Tuesday morning to spend a few days at Cresta, after which they will return to Oregon, where they will spend the summer.

Ellie, the two-year old son of Mr. and Mrs. C. E. Stone, left on Tuesday to reside with the engineer with his grandparents at Rose- town, Sask.

Going to the new "Club" day has been postponed for two weeks, on until Wednesday, May 3rd.

Just to remind you that the income tax returns MUST be filled in by the 30th! Oh dear, oh dear!

It is feared that at the end of this week most of our farmers will have commenced their season's work on the land.

MODERN TOURIST CAMP TO BE ERECTED IN JASPER NATIONAL PARK

A modern tourist camp, to accommodate a large number of tourists, is now under construction on the shores of Jasper National Park. Here are a few details.

New camp will open June 16 to September 1, 1935.

It will consist of several lodges which will be situated in every particular, including running water, electric light and every arrangement.

Each building will have four bedrooms, with one or single beds, and will be equipped with every necessary amenity for the tourist.

There is also being erected a central building, which will be used for the purpose of a restaurant and a place for the sale of food and supplies.

During the construction of the camp, the roads were very busy, and for the first time since the opening of the park, the roads were closed to traffic. The roads were closed for the purpose of the construction of the camp, and for the first time since the opening of the park, the roads were closed to traffic. The roads were closed for the purpose of the construction of the camp, and for the first time since the opening of the park, the roads were closed to traffic.

comfort of guests. A dining pavilion is already located on the site.

The erection of these lodges will greatly increase the accommodation at Jasper Park. The tourist who will find the Jasper Park to be a most beautiful place, if he visits this season is assured that it has been the desire of all here, to make this wonderful place a first-class resort during the summer season.

BOY SCOUTS

Scout Master Mitchell is ready to give Patrol Leaders and scout patrol leaders their tender foot class. Will appointed members of committee kindly make themselves known to Scout Master so that arrangements may be made for presentation of tenderfoot badges.

8 Tuesday was in River this week in the interests of the pine company.

Do you know

That the fact That the Imperial Hotel is closed And good place to rest at And I don't see any reason Why the residents of the district Avoid it like they do Because a good Hotel Is an asset To any district And the fellow coming town To buy a farm, If the Hotel's "down" Taken the next train And leaves And your district is judged By your hotel Hotel—It pays to support a good hotel.

SECOND BATTLE OF PRES COMMORATED

To the British in general, the English in particular, this date stands out as few others. It being the anniversary of the birth and death of England's Patron Saint, also the anniversary of the birth and death of Shakespeare. But also to Canada this day is a day of note. The anniversary of the battle of "St. Julien" (April 22nd to 25th 1812). The first time that gas was used in the great war, and when the Canadian troops so bravely stemmed the onrush of the enemy's hordes.

This great battle gave the Canadians a chance to show what they were made of, and extracted from the war office that now his toric expression: "The Canadians were the situation." A judgment to be proud of indeed.

The day was suitably observed in Alix. The Presbyterian Church was crowded at 7:30, when the Rev. J. C. Lewis conducted Divine Service. The "Open Valley Quartette" again met with Mr. T. M. Ballantyne at the organ. After having read the text of the day, the Rev. Lewis, himself a returned man, spoke on the 11th chapter, 13th verse—St. John: "Greater love hath no man than this, that a man lay down his life for his friends."

He remembered with respect the boys who paid the supreme sacrifice, and he did not forget to mention the national men amongst us, still suffering from wounds and sickness. He also touched on the seemingly senselessness of the great number of returned men and their difficulty in settling down again.

The concert, at the same time very pretty service closed with the singing of "Abide with me" and the "National Anthem."

CHURCH

RED CROSS NOTES

How the 11 year-old president of a rural branch of the Red Cross Junior made enough money to supply his unit's quota towards the new children's hospital, which is being opened in Calgary, by the sale of four cakes, is the story which was the first twenty cents to reach their quota of \$1 per capita for the new hospital, thus qualifying for the bronze medal offered by the King-Governor. Unable to raise the money in any other way he has now and killed four slabs, obtained

them and offered them for sale to the farmer in his town. He was only offered \$2.50, which was not enough to make up the quota quota so he packed up the slabs and sent them to Miss Church at the headquarters in Calgary. She disposed of them to a Calgary dealer for \$9.00 and placed this sum to the credit of the Branch. They won their quota!

The president wrote a business like letter to Miss Church when he was informed of the sale. He concluded with the statement, "Money for slabs—dead and alive."

Little Margaret, daughter of Mr. and Mrs. H. G. Finch underwent an operation in Calgary this week for scoliosis.

Mrs. J. Storer of Beshaw was an Alix visitor the latter part of last week.

Council Subscribes to Local Paper for Every Ratepayer in Their Municipality

A newspaper circulation in a municipality is being tried out in the town of Alix, Alberta. The town council has decided to subscribe to a newspaper for every ratepayer in the municipality. A problem with a council many municipalities have is the knowledge of municipal affairs by the ratepayers. The program of subscription will solve this problem by the government of the municipality. The council has decided to subscribe to a newspaper for every ratepayer in the municipality. The council has decided to subscribe to a newspaper for every ratepayer in the municipality. The council has decided to subscribe to a newspaper for every ratepayer in the municipality.

weekly is not to be displaced. It performs a service to its community that is too often unappreciated until denied. When the little weekly "goes out there is nothing that will just take its place. We don't want much if the experiment of municipal subscription will solve the problem. Perhaps if municipal councils bought advertising space for the public they desire at regular rates, both the council and the paper would be in a better relationship. This is what is done all over the United States, and the practice is making headway in some of the larger cities in Canada, where more and more desired publicity is coming to be recognized as a service rendered.—The Western Municipal News.

TENNIS CLUB OFFICERS IRISH MUST HAVE THEIR FUN

At the annual meeting of the
Alix Tennis Club the following
officers were elected for the year:

nament.

It's all right to love your
neighbor as yourself if you can
afford to be imposed upon.

EASY—A little girl timidly asked the drug clerk for a package
of pink dye. "What do you want it for?" repeated the clerk
"Washes or makes a coat."

"Neither," said the girl. "It's for my mother's dress. The doctor
said she'd have to die, and she wants it a pretty color."

ON HIS MIND—"How kind of you," said she, "to bring me
these flowers. They are so beautiful and fresh. I think there's some-
thing in them yet."

Yes, there is, but I'm going to pay it in tomorrow."

BEFORE AND AFTER—As the old dairy maid, "A chicken
is no more useful than a dead one. You see me when I'm before, but
am when I'm after."

From a recent issue of the
Daily Western Telegraph we clip
the following little joke. Even
though the people are being killed in
the streets of the city almost
every day, the newspaper takes
pleasure in putting a little mis-
fun at Canada once in a while:

"The following is a copy of an
exercise for the education of a girl at
a Canadian school. It was given
by the girl to the teacher—
"Please excuse me if I'm not going
to school. Her mother had twice
told me I could not go again. —Father
of mine."

Money in the bank is useless
if as long as it is in there.

The game of "Baseball" was introduced for the first time in the 1928 season, on the local diamond last Saturday when the Alix Intermediates played the pill to every corner of the natives, and won from the Beakars tenners to the tune of 24-6. For the first three or four innings the locals had to work hard to keep in the lead but after that the game was away from Beakars and the balance of the game was a merry-go-round for the locals. NOTES

"Balls" the Beakars shortage is some reason.

We are sorry that the unions were completely by their choice. They missed some good instruction.

There is a reason that the senior team will not be the better team for the loss of their battery for the season.

Seven for Alix only allowed the visitors one run and hit.

No pitcher was got around Jack.

The two Scotch rovers were undoubtedly a great help in the closing of the game.

Howard behind the plate just simply can't be beat.

THE BUNFLOWER

Three thousand of Alix district realizing the necessity of making some provision to obviate the one failure of postage, have this year decided to raise contributions and send for stamps and will erect also this fall. U. C. McHardman is putting in 20 cents, A. C. Fiedler 10c, S. S. Soren and A. C. Fiedler Jr., 1 cent. The expenditure will be watched with interest.

Ice Cream Social on Saturday, A. E. Nix. Mr. and Mrs. Norman Finch of Edmonton were Alix visitors over Sunday.

Money to loan on farm lands on delay. - R. H. Hume.

The Beakars Orchestra is getting on a dance at Elmer this Friday evening.

SURVEYORS IN CAMP

Mr. L. R. Brown and party one of the night parties working on the North Saskatchewan irrigation project, arrived in Alix on Tuesday where they will make their headquarters. There are two prospective parties for the canal, one from the Red Deer river via Bellin Lake, the other via Buffalo Lake. Mr. Brown informs us that he will be under canvas at Alix for about a month completing this end of the work.

 Sunday at 3 p. m.
 All are invited to ALL services.

THE ALIX FREE PRESS

Published by ALIX, Alberta, at the corner of 1st and 2nd Sts. S. E. of the City of Calgary.

Commencing Wednesday, June 11th, the annual economy day will be in order and it is up to every business man to see that his doors are closed that afternoon. The overall here at this date and every GOOD citizen will abide by their decision. It is not only the front door blind that must be lowered but also the back door. It is not a hardship on the buying public and it is a blessing to the shop keeper. The farmer who his half holiday for Saturday afternoon and why is not the business man entitled to the same consideration? If on the 11th night and every business house is closed tight and the bank is closed too (and the managers on that it will be) the managers will realize that a Wednesday afternoon is truly a holiday and will not come to town. Either go on the holiday or call it off, don't bluff.

If Alix has a tender heart from this season, it is about time to get busy. Organize it has already taken place in all the subject towns. Let's go.

The Alix Girls' Basketball Club will hold a sale of home cooking and serve tea in the Women's Institute Rooms on Saturday afternoon. Everybody come and show that your heart is in the right place.

JUNIOR RED CROSS

Two Calgary schools and twenty-nine other details that city have qualified for the bronze medal offered by His Honor Lieutenant-Governor Bratt for Red Cross units getting their quota subscription of \$1 per capita towards the new Children's hospital which has been opened. There are still a number of schools competing for the remaining medals and all hope to get their total amount before the time limit is up.

The new hospital was opened Tuesday morning in Calgary, and already a number of children are being cared for. The cases which it is expected to be the first to receive will be the most serious and the most numerous.

The shipment of June war for Alberta, from the War, reports that the units are springing up all over the province. The results are showing the greatest enthusiasm for the work and are particularly keen about the new children's hospital. The aim of the Junior Red Cross is to give proper medical treatment to sick and crippled children whose parents are unable to afford it.

The international unit team go to play to-morrow (Saturday), to give the last touch of that burg.

COUNCIL ORDERS MATERIAL TO FIGHT GRASSHOPPER MENACE

The council for the Municipal District of Lacombe No. 20 met at the Municipal Office on Saturday, May 19th, 1923, at ten o'clock p.m.

All the members of the council were present: Mayor J. H. Morris, J. B. Smith, J. H. Morris, J. B. Smith, J. H. Morris, J. B. Smith.

The minutes of the meeting held April 8th were read and were confirmed on motion by Mr. Tallman.

Mr. J. H. Morris moved on the council with regard to the report of Mr. J. B. Smith. The secretary was instructed to write the department to find out the plans of the government regarding the home for aged people.

The payment of an account from the Lacombe Hospital Hospital to W. K. Bane was not allowed on account of Mr. Bane not being a resident.

An account of Dr. Haworth, Esq., was turned down on the grounds that the Doctor had not been called upon by the district.

An account from the Wrayton Hospital, Wrayton, was left over pending reply to correspondence with Dr. Creighton.

A agreement drawn by the committee appointed (Messrs. Morris and Tallman) between the district and Mr. B. Banehan was passed on a motion by Mr. Tallman.

A letter from the Department of Public Works was read offering financial bridge on motion 15-20 21-4 and between motion 15 and 16-18 23-4, providing the district would do the necessary grading and also haul the material. This was agreed to and the secretary instructed to reply accordingly.

Resolved the Council will not on a claim of Lacombe on West Lacombe for Assessment on the next regular meeting of the council.

The Council was informed that the last of the Municipal District of Lacombe was in view of fighting the grasshopper pest. Whilst it was not known whether the district was efficient or not, it was decided to order the necessary material from the Government station at Lacombe.

The Secretary was instructed to order as follows: 1 ton of Bran, 1 ton of oat feed, 500 lbs. of sorghum, 100 lbs. of alfalfa and 100 gallons of molasses. The Mayor and the Secretary were given power to make all necessary arrangements in connection with the matter.

The granting of a restaurant license to Mr. W. A. Tucker at Revis was recommended.

The Secretary drew attention to the fact that all C. P. R. lands in the district are now assessable and that they would be included in the tax sale list in next of years. The C. P. R. in such cases would presumably take a position similar to that of a Mortgage Company being interested in a parcel of land through a lease. It would therefore be in the interest of holders of C. P. R. lands to pay arrears at once in order to avoid trouble and expense.

Mr. Morris drew attention to the fact that the district with the Hall Insurance Board and improved the urgent necessary.

by of an immediate settlement of these accounts.

The Secretary admitting the correctness of Mr. McMillan's statement pointed out that the particularly referred to Division No. 4, 5, and 6. The Hall Insurance premium for 1922 was admittedly high, yet, the Municipal Hall Insurance for the last three years averaged 7 1/2, which is considerably less than any other Company.

The Mayor requested that mention be made in the minutes that the balance to the credit or otherwise of the various divisions was

according to the estimates returned out and could be seen.

A number of accounts were passed for payment on a motion by Mr. McMillan.

Meeting adjourned at 7 p.m.

DEATH OF M. J. HARPER

Mr. Michael James Harper passed away at his home in Alix on Wednesday, May 17th, aged 72 years and 8 months, after an illness of less than a week.

Harper was born at Wexford, Ireland and came to Canada when 18 years of age, settling at Watsover, Quebec, coming to Calgary in 1877 and to Alix in 1910 where he has since resided. Mr. Harper was a good neighbor, a devoted member of the Catholic Church and possessed many qualities which endeared him to his friends. The funeral takes place at Alix cemetery on Friday, May 19th, at 11 a. m. Mass expressly in honor of the late Mr. Harper and family in their unexpected sorrow.

AGENT AT GRAND TRUNK

Mr. and Mrs. H. E. Strong and family arrived in town on Saturday to reside at the Grand Trunk Station. Mr. Strong, having been appointed agent. The public will be glad to learn that at last we are to have an agent at this depot.

Early in the month it is the intention to have the C. N. train transferred to the Grand Trunk thus making it a main depot. We also understood that a night train will be put on between Calgary and Edmonton and that a regular passenger train will take the place of the mixed now running on the C. N. R.

B. R. GIBBS WIN FIRST CAME

The Alix Basketball six journeyed to Kamloops Friday evening at last week and in their opening game for the season succeeded in bringing home the honors by a 11-16 score. We trust this to be a foretaste of the season's play and that the girls will keep up the good work. That old sport, Harry Hudson, did the honors of the trip with his Studebaker (and mind you his wife didn't go). The following was the Alix lineup:

GOLDEN WEDDING

Mr. and Mrs. N. G. Sargent of Clive were guests at the home of their son, Mr. R. Sargent, of Alix, from Friday till Monday. Saturday they celebrated their "Golden Wedding." On November 29th, 1868, Mr. and Mrs. Sargent landed in this district from Somersetshire, England, and for better than twenty six years have related sentimentally with us proving themselves the best of husbands and housewives. Time has dealt kindly with this venerable couple and we join in wishing for them many more years of happiness and good health.

DIED AT VANCOUVER

G. A. Thompson received a telegram from Vancouver, B. C. on Tuesday announcing the death of Mr. J. H. Williamson of this city, at the age of 43 years. He had many friends in and around Alix whose he was engaged in the hardware business from 1911 till 1914, afterwards moving to Fortia where he conducted a similar business for several years. His friends will all unite in sympathy. Interment will take place in Settler cemetery on Monday from the Methodist Church.

LOCALS LOSE TO OLIVE

The return game between the local and Olive Intermediate ball teams was played on the Alix diamond Friday evening of last week, and resulted in a win for the visitors by a score of 8-7. This was a good game but the locals were handicapped in that they had a change of men at second. Wins for Olive and three for Alix were both in good form and secured several advantages.

The game was a fast one, the nine innings being staged in a little over an hour. The following was the score by innings:

ALIX—0 2 1 0 1 0 1 1—8
OLIVE—0 0 0 0 0 0 0 2—7

ICE CREAM SOCIAL

The ladies of Carroll District are giving an ice cream social on Wednesday evening, June 14th on the Carroll School grounds in aid of the Presbyterian Church (Carroll appointment). A good program of sports has been arranged and it is hoped that on this, the first summer half holiday, everybody will make it a trip to assist.

STAMPEDE ON THE RED DEER RIVER THIS MONTH

There is no spot better fitted for the holding of a stampede anywhere in Alberta than the one chosen on the Red Deer River fifteen miles south-west of Alix on the Russell ranch. The large river itself is an ideal spot, for the various contests of roping and riding, while the table land some 25 to 30 feet above forms a natural grandstand for thousands of spectators. At one end of the grounds there is the most beautiful camping area with trees and spruce, and even a swimming lake. The take of a day or so under canvas and at the same time attend the stampede are welcome to put up their tents on this beautiful spot. The boys are working hard, sweating and getting a good deal of exercise and we know from personal observation that there are some real stunts on in the bunch. Watch for bills and advertisements concerning the event and giving full particulars.

TENNIS

The Alix Tennis Club got away in a good start at their first tournament on Victoria Day. The good attendance and keen playing made the meeting so successful so it was enjoyable. Very marked improvement was noticed over the play of last year and the prospects are still better for this year.

In the semi-finals Messrs. Love, Houghson, Norris, and others were in great form. In the final match Mr. Guy Fynn and Mrs. Ronald Fynn defeated the opponents Mr. F. B. Ryley, and Mrs. H. G. Finch, and were declared the winners. The refreshments served by the ladies were greatly appreciated. The members are anticipating a much larger attendance at the next tournament, which will shortly be announced.

Bethan Club has extended an invitation to the Alix Club to play in Bethan on June 14 they can accommodate 8 sets of men's and 3 sets of singles. Men are wishing to play kindly advise the secretary and the team to play will be chosen by a committee from the names submitted.

COME TO THE CEMETERY

The members of the (Old Full) and Rehearsal Lodges have set apart the afternoon of Wednesday June 14th. (the first summer half holiday) for the closing up of the cemetery and every member is requested to meet at the hall at 3 p. m. where cars will assemble to convey them to their place of work. Although this is organized by the lodge, every person in and around Alix is invited to take his or her part that afternoon. Let everybody come and help.

A basketball game will take place this evening (Friday) at 7.00 between the Bruins and Alix in time, on the Alix grounds.

VILLAGE COUNCIL

The regular meeting of the village council was held on Monday evening with all councillors present.

Minutes of the last meeting were read and approved.

A delegation from the I. O. O. F. waited on the council asking permission to do certain work in the cemetery on the 14th and at the same time suggesting certain improvements which should be done by the board. After discussing the matter it was decided to order posts for the fence and to replace the wooden marking posts with iron posts and the delegation was given permission to do what other improvement was deemed necessary.

Mr. Verhaeghe was present at the meeting and asked that some compensation be allowed him for the loss of his barn through fire started in the main room, ground, 200 feet of lumber was paid.

Next week a delegation will visit Edmonton to obtain advice from the department re the hospital bill (\$40 per month) of \$1. South. This is a heavy drain on the village and it is thought that some portion should be borne by others.

It was arranged to hold a special meeting after the arrival of the 15th to the lands reverting to the village from the tax sale to get selling price of same.

A number of accounts were passed for payment.

A REPORT IS ESSENTIAL

Mr. Farmer! Have you read the June page of your calendar? If you have not, do so at once and act accordingly. If you have one withdrawn you stand without, otherwise your report must be in the hands of the Municipal Secretary on or before the 15th June. After this date the secretary will proceed to get the report at your expense. Don't neglect this matter and then blame someone else, it is entirely up to you. If you require further assurance about the Secretary, Geo. Beaulieu, Alix.

Village of Alix Alberta

Notice is hereby given that if all arrears of taxes imposed in 1931 in respect to any parcel of land situated within this village were not paid before the first day of July next such land will be dealt with under the provisions of the Tax Recovery Act 1932 with a view of obtaining satisfaction of the tax in the name of the village in respect of such parcel.

Paris. The allied military occupation of Upper Silesia is about to come to an end by the last of July, according to the report of the allied "commission for the district which was constituted by the council of ambassadors here. Fourteen thousand men of the allied forces are still in Upper Silesia. Of these 11,000 are French, 1,500 Brit-

ish, 1,000 American and 1,000 Belgian.

The criticism aroused the Poles and he thundered answers back at the opposition benches. After spirited war in the crowded hall amid hand-clapping and shouting the passage between the Premier and Robert Cecil, Lloyd George's second speech ended dramatically. He stressed the House and nation proclaimed a policy congruous with the President's message.

Railroad Freight Rates In United States Are Reduced Ten Per Cent

Washington.—Railroad freight rates by the United States will be reduced on July 1 by amounts equal to 10 per cent. of their present levels, under a decision of the Interstate Commerce commission.

Practically all classes and commodities of traffic are affected by the decision which marked the first step in the investigation begun last year.

Commodities excluded from reduction include the traffic in such classifications as which reductions have been recently put into effect.

Passenger charges and freight rates also are unchanged by decision.

Though a divergent view of the matter was expressed by some railroad officials, the

lains by the commission, on its own initiative into the reasonableness of existing freight levels.

The cost in freight taxes was paid by the commission at 10¢ per ton in eastern territory; 11½¢ each in western territory, and 14¢ per cent in the northern and mountain Pacific territories.

The commission, in ordering the decrease—which are of a substantial fourth—that the nation's railroads are required to pay has not only

the value of their property rather than the approximate six per cent. so as to be a reasonable return on the Transmigration Act of 1906.

398 HAS BUSY SESSION

The council of the Municipal District of Lawton No. 398 met at the Municipal Office at Alix on Saturday, June 16th, 1922, at 2 P. M.

All the members of the council were present with Heave J. E. Merrifield in the chair. The minutes of the Council meeting held May 15th were read and were confirmed on a motion by Mr. Jewell.

Waters, Johnson and McLeod called on the council with regard to Harry E. Johnson and his living on the Mirror subdivision and whose share was burned down some time ago. The secretary reported that, at the request of Mr. Jewell, he had taken the matter up with the department to find out if there was a home for the blind in the province. This had been answered in the negative, and the ordinary home for aged people had been referred to. The question of making a donation towards the erection of a new house was discussed, and on a motion by Mr. McKillan, Mr. Jewell was appointed a committee of five to study the case.

Regarding the case of J. B. Smith, which again came up for discussion, it was resolved on a motion by Mr. Jewell that nothing could be done by the council.

An account from Mrs. Joe. Steele, Mirror, for allowing the Talbot family whilst quarantined was passed for payment, subject to the approval of Mr. Jewell.

The claim of Mr. A. Bergel's care of Mrs. Thompson, Banham again came up for discussion. Mr. McKillan reported that he had come to an agreement with the claimant for a settlement by the council paying \$143.00. The amount was passed for payment on a motion by Mr. McKillan.

Regarding the account of Dr. Beverly, Enkine, to the War. Russell family of New, the secretary was instructed to write the department that the council were willing to pay for so the case of the was considered, (this being a matter of public health) but failed to see why the district should pay the account re commitment. The matter was ordered held over pending further investigation by Mr. Merrifield.

Payment was authorized to the owner for the land used in a division, W. E. 19-24-4 on a motion by Mr. Sherrin.

On the motion by Mr. Tallman it was agreed that the district pay for the construction and maintenance of a railway crossing on Section 5-20-23-4.

The claim of W. C. C. Edmonstone for the purchase of supplies from the proceeds of the pound was brought up again, and the secretary was instructed to demand an affidavit as to the ownership.

A letter was read from Benj. Lawton, Chief Fire Guardian, requesting that the council appoint a fire guardian to each division. On a motion by Mr. Jewell it was resolved that each Council act as a fire guardian in his own division, and according to the request of Mr. Lawton, the Secretary be Chief Fire Guardian of the Municipality.

A letter was read from Mr. W. (Continued on page 8)

388 HAS BUSY SLESSION

(Continued from page 1)

J. St. Peter, Commissioner, of the Department of Agriculture, having reference to the appointment of Ward Inspectors. The Secret

ary was instructed to reply that this district was not badly affected and that each councillor was looking after his own district.

At 4:30 p. m. the Council meeting was adjourned to the next meeting of Revision on the Ward Land Tax Assessment.

The Secretary reported that the Hudson's Bay Company claimed exemption on all their lands in this district with the exception of one quarter section, the N. W. 1/4 of Sec. 44-22-4. All other lands of the company having been leased on bona fide locations. The exemptions were granted accordingly.

The Canadian Pacific Railway Company applied for the exemption placed on their lands, on the grounds of excessive assessment.

As a result of the action of C. P. R. lands are the same as the adjoining privately owned property, the application this company was not allowed.

As there were no further appeals, the Court of Revision was dissolved at 8 p. m.

The business of the council meeting was resumed.

The House reported that meeting was made in the winter that the balance to the credit or other side of the various districts was, according to the estimates, reckoned out to per June 10, 1925 and could be seen.

A number of accounts were passed for payment, motion by Mr. Ward for payment, motion by 6 p. m.

Meeting adjourned at 6 p. m.

Geo. Hamrickson, Sec. Treas.

The Women's Institute are again making preparations for the Annual lot of July Plowing at the home of Miss Millie on Hasted Lake. This is always a most enjoyable event and one eagerly awaited. Everybody is invited to come and bring baskets. Plowing starts at one o'clock sharp. It is also requested that all dogs be left at home.

BOTH TEAMS SCORE AGAIN

The Junior Basketball girls played at Ties on Saturday, winning by a 31-3 score. The following was the lineup:—Forwards—Helen Ankenill, Myrie House, Lucille Lott, Ethel, Lucie Moss; Centre—Margaret Kraft, Dorothy Barlow; Space—Constance Foster, Spence.

The Alix hall teamers made another win on Saturday when they took the Ties also down the bay road by a score of 13 to 7. The game was staged on the Ties diamond and was a good exhibition and notwithstanding the important pitcher and shortstop for Ties, our boys won the game with a night of their play and a kick-up after they arrived. Because of our citizens do not realize that we have a REAL team this year.

NO 8. S. FOR A COUPLE OF MONTHS

The Sunday School Lesson for next Sunday is a review of the lessons of the preceding quarter. Read Psalm 63: 1, 2, 3-13. God does Ties—Blessed is the nation whose God is the Lord; and the people whom he hath chosen for his inheritance." Psalm 133: 1. Attendance last Sunday was 96 children and 13 adults.

At a meeting of the teachers and officers of the Sunday School it was considered advisable to discontinue the Sunday School. It was considered advisable to discontinue the Sunday School for the months of July and August.

OBITUARY

After an illness extending over two years, Nathan, the son of Mr. and Mrs. O. Morfield passed away at his home in Jones Valley on Monday, June 18th. Interment took place in Alix cemetery on the 19th, services being conducted by Rev. Lewis.

TENNIS TOURNAMENT

The Tennis Club will hold a tournament of mixed doubles on July 1st. All members wishing to play kindly give their names to W. E. Mitchell or any of the sports committee before that date.

THE FIRST STAMPEDE A GRAND SUCCESS

Two glorious days (Sunday and Monday) greeted the First Annual Stampede on the Red Deer River and large crowds from far and wide took advantage of the splendid weather. Over 2000 attended and on the second day more than 5000 were on the grounds. The riding was good and a fine bunch of horses and steeple were in the corral. The following were the prize winners: Stampede Riders—1st—Cassy Patterson, Gadaby 2nd—Frank Hobbs, Battle River 3rd—W. McFiddle, High River Amateur Riders—1st—H. Jackson, Huxley 2nd—O. Morfield, Pleasant Valley 3rd—B. Silverberg, Red Deer Bareback Riders—1st—T. Kennedy, Elbow 2nd—T. Lander, Huxley Steer Riding—1st—B. Wilkinson 2nd—V. Stenhouse 3rd—J. H. Ross, Inverhall (22 seconds) 2nd—Frank Roberts, Battle River (26 seconds) Best Backing Horse—E. Baker of Red Deer

Boys' Steer Riding—1st, Roy Brown of Hargreaves, Hargreaves 2nd—Jameson, Brookley. Girls' Steer riding—Helen Jameson, Brookley.

There were two ball games and Haynes won both games and the money. Alix and Haynes 5 to 0. Cassy Valley and Haynes 11 to 5.

The dance pavilion and the Ballarat orchestra proved a great attraction. Too much praise cannot be given to the caterers of the lunch, the supply was ample and the price very reasonable.

Mrs. Cameron arrived in town on Wednesday to visit her son, Mr. K. P. Cameron.

OBITUARY

It is our sad duty this week to announce the death of one of our promising young girls, Lacey Blanche Demers, age 16 years and 5 months, daughter of Mr. and Mrs. T. A. McCullen, which sad event took place in the Lacombe hospital at 3:30 p. m. on Tuesday, June 18th. On Monday last deceased was taken to the hospital to undergo an operation for peritonitis and after severe wounds returned home where she remained till Tuesday last when she was returned to the hospital only to die shortly after reaching there. Blanche was a girl beloved by all and the sympathy of the entire community goes out to the sorrowing family. The funeral took place from the Presbyterian church to Alix Cemetery on Thursday, Ray, Lewis taking the service at house and grave. The following good friends acted as pallbearers: Daley Deaneley, Dorothy Foster, Kenneth and Jessie Demers and Joan and Myrie Kehn.

INSTALLATION

On Wednesday evening of next week, July 3th, the D. D. G. M. for this district will visit Alix Lodge No. 34, M. I. O. G. U. E. to install the officers for the ensuing term. Arrangements have been made for a banquet and all members of the order are requested to attend at 8 o'clock sharp.

 Lake tomorrow afternoon (Sat-
 urday).

The regular monthly session of
 the Village Council will be held
 on Monday evening next.

Didn't water to day and the
 muckman holidays have begun.
 Printed Christmas cards to Ed-
 monstone, Miss Buchanan, to her
 home at Rocky Mt. House, as per
 Misses Knute and Todd. We have
 heard that the former will —

(Oh, what's the news, ladies
 and you will hear these things.)
 Miss Todd will attend a summer
 school in Edmonton.

Today is the last day on which
 your Municipal taxes without

 will be good news to the ladies.

We learn by experience and the
 directors last year had their eyes
 open to a number of defences
 which will be remedied this year.

There are some 1000 changes
 in the list they have made some
 money by the change in the
 stock exchange, they call your
 attention to it — you receive
 your copy.

An Open Letter To The Farmers of Alix District

Having been elected president of the Alix U. F. A. I wish to appeal to all farmers in this district. We are at the beginning of another year which we all hope will be more prosperous than the one past.

The basic industry of this country is agriculture and all other industries prosper just in so far as the farmers make good; and everyone benefits directly or indirectly when the farmers have prosperous years. Therefore, I sincerely believe that it is every farmer's duty to encourage and support his own U. F. A. which was organized to protect his interests and make conditions easier and better for the community at large.

We are only beginning now we have accomplished only a small part of the work which we have to do. Every farmer benefits by the reforms which are brought about by our organization working through our representative in the legislature, and do you not think it your duty to stand by that organization and do your share to keep it alive and functioning?

We would like to conduct the meetings in a business like manner and make them interesting and educational, but we need the cooperation and help of every farmer in the district. Most of you come to town every Saturday and after finding out the price of hops from Mr. J. Mackie, and then gambling because they are not more, you then ask the price of wheat and wheat because you sold too soon, or because you did not sell soon enough, then you go and buy your tobacco and your business is about completed. Suppose you come to the U. F. A. club room and let's all discuss these problems and see if we cannot find a way out of some of our difficulties. The more if every one of you will contribute his small share we shall all profit economically as well as mentally and morally.

I wish to say in conclusion that the U. F. A. is the very best investment that you can make and that if you are not a member of our great organization, the U. F. A., are spending thousands of dollars fighting our movement, and if it were not for me do you think they would take any notice of us? Times are hard and money is scarce and we are trying to devise some other ways of paying our dues. But if you feel you must pay your dues just as you can, let that keep you away from the meeting. We need your interest and support as well as your money.

The meetings are the first and third Saturdays of each month.

Mr. J. Mackie will give a talk on "The Trials of the Live Stock Shipper" the first Saturday in January.

Now, every farmer with his shoulder to the wheel and let us see what we can accomplish for our community this year. Let us improve the statement which the critics are so pleased to make, namely, that farmers are poor business men and will not stick together for their own mutual well being.

U. F. A. MEETING

A well attended meeting of the U. F. A. local was held in the U. F. A. building on Saturday, 6th January, with the President C. Thompson in the chair.

T. Simpsie was appointed delegate to the convention at Calgary. J. Sims gave an interesting address on live stock shipping and on his work as live stock shipper for the U. F. A. during the last year. He emphasized the necessity of being allowed a free hand in the marketing of stock and pointed out that by being allowed to use his own discretion and not being bound to any particular firm he could handle small quantities, whereas otherwise he could only handle carloads late. The fact of U. F. A. agent being in the field meant competition and tended to compel other agents to offer better prices. The business done last year was only a small percentage of the huge that went out of Alix (\$13,000,000) but he gave instance where prices had been improved in the shipping business. Mr. Sims was re-appointed for the year and it is hoped that more support will be given him in the future than in the past.

Anyone who left to ship through the U. F. A. should report to J. Sims when they market their stock shipped.

Next meeting Saturday, January 16th, at 9:30 p.m. Any grievances? bring them along.

TWO DRINKS

Mr. Scott has installed a rink on his property adjoining the hotel and is entering much particularity to the needs of the youngsters and the junior hockey team. There is a nice warm waiting room and an invitation is extended to the boys and girls and grown-ups to make use of this ice.

Children 5c, adults 10c a day. Skating hours 2 to 4:30 and 7 to 10 p.m. only. Watch the Alix Midgets before the end of the season. Free skating to qualify.

Down on the lake at the foot of Main street the town rink has been prepared and the hockey season is being whipped into shape in readiness for a series of games. The lumber has been purchased outright and only next fall a permanent outdoor rink will be installed.

The members of the local W. L. Y. wish to thank the members of Alix and all others who so generously helped to give the children of the community a good time at the annual "Roam" on December 28th.

COUNCIL MEETING

The council of the Municipal District of Lacombe No. 22 met at the Municipal Office in Alix on Saturday, 13th January, 1923, at 2.45 p. m.

Present were Messrs J. E. McNeil, C. S. Fullman, E. C. Sherburne, M. A. McMillan and J. J. Smith. Mayor J. E. McNeil in the chair.

The minutes of the meeting held on December 19th, 1922, were read and confirmed on motion of Mr. McMillan.

Mrs. A. H. Keane waited on the council with reference to certain property belonging to her. After a lengthy debate on the matter it was resolved on a motion by Mr. McMillan that Mrs. Keane had no claim against the district and the secretary was instructed to notify Mrs. Keane accordingly.

All the pondkeepers in the district were reappointed for 1923. Bylaw No. 17 was given a final reading, authorizing the Mayor and Secretary to make arrangements with the bank for the financing of the district for the present year.

On a motion by Mr. McMillan it was resolved that the J. W. Smith case be not re-considered.

A letter from Mr. A. W. Jodry was read; the letter having reference to certain diseases in cattle on No. 5. The matter was left in the hands of Mr. McMillan.

The following gentlemen were appointed returning officers for the forthcoming election:

Returning Officer—A. J. H. Gland, Alix.

Deputy Returning Officers—Messrs Geo. Malin, Alix; E. B. Harting, Mirror and H. Ford of Mirror.

On a motion by Mr. Jewell it was resolved that Messrs. W. J. Smith and Mirror and B. G. Andrews be requested to submit a tender for the printing of the Financial Statement.

A number of accounts were passed for payment on a motion by Mr. Gland, these accounts included one from Messrs McMillan & Co. of Lacombe.

A letter was read from the town of the late Mrs. M. Kellie for \$67.

Mr. Tolman moved the adjournment of the meeting at 6 p. m.

SPECIAL TRAIN HELD AT ALIX FOR INTERVIEW

The members of the council board, together with Mr. Norris as spokesman, waited on Sir Henry Thornton when he stopped at Alix in passing over the Calgary-Toronto line on Friday last and in the short time allowed to the interview thoroughly discussed the railway situation at Alix. The fact that Sir Henry stopped at Alix would indicate an interest in the possibilities of our town and the delegation was very well satisfied with their interview.

A large number of our citizens were at the depot to welcome Canada's new National President.

A person who delivers mail is called a postman. He or she carries letters and packages from one place to another. Postmen work every day except Sunday and holidays. They start their work early in the morning and finish late at night. They have to walk or drive through all kinds of weather. Sometimes they have to climb stairs to deliver mail. They are very important people in our lives.

TEES NEWS

Mrs. J. B. Crink and Mrs. J. Crink left on Monday for Coonara where they will be the guests of Mrs. H. M. Williams.

Mrs. Lewis Smith who has been visiting friends at Strome, has returned home.

Miss Bellhouse was a City visitor on Saturday.

Mr. O. Short, who has been the guest of Mr. and Mrs. Crink, returned on Saturday to his home in Olen.

Mr. Gordon Bradshaw of Calgary is spending the week with his brother, N. E. Bradshaw.

Mr. and Mrs. Matheson spent the week end at the home of Mr.

and Mrs. A. Krasne.

A few friends of Mr. and Mrs. Fogarty were entertained at a whist party during the week.

A number of young people at Olenby entered on Friday and reported a splendid time.

The eighteenth meeting of the Y. P. B. was held on Friday evening, December 11th. The church was filled to capacity, many having to stand, clearly indicating the fact that people and older friends are interested in the work of the young people. The meeting was opened by the singing of a hymn and a short hymn and a short prayer by Mr. Lowry.

The following program was given:
Song by Mr. Matheson
Dialogue
Song by Mrs. Matheson

READY FOR ACTION

A meeting of the Hunter-Lessee Fals Club was held last week when the following officers were elected:

President - Commander Pinches
Nes Traas - H. C. Wilson
Grounds Mgr - U. G. Mearns
Coach - W. Farley
It was decided that play should commence in May.
It is hoped that as many members as possible will join. Lady members doubly welcome.
The mission has been granted to play on a grounds on the Alix trail.

AMONG THE MERRY-MAKERS

Mr. and Mrs. J. H. Malt were entertained a few friends on the night of Jan. 30th in honor of their daughter, Mrs. Wanda Oldley.
Mr. Falkner, Albert Gilmore and James Schepel furnished excellent violin music for the dancing and the card tables were surrounded by enthusiastic players.
A delay in the evening after which dancing was resumed, Mr. Hamilton took the most of the evening of the changes for the quadrils. Mrs. Malt was a delightful hostess and everyone had a delightful time - even the kitchen was engaged in smoking.

Mr. and Mrs. Orville Gilmore entertained a delightful party of friends and neighbors on the evening of the 28th.

The two front rooms were cleared for dancing and the dining room used for the card tables. The violin and piccolo furnished excellent music for dancing and everything passed off merrily. A delicious buffet supper was served at midnight. The evening will long be remembered as one of the jolliest events of the season.

On Wednesday evening the home of Mr. and Mrs. A. H. Bennett was the scene of a happy gathering when a large number of their friends were merry for several hours with cards and dancing. A delicious luncheon was served at midnight.

COMMUNICATION

To The Public - I am instructed by my council to draw the attention of the general public to the fact that the communication contained in The Alix Free Press, dated Jan. 18th, and signed by Mrs. A. H. Kenna, is not a true copy and does not contain the words of the same.

Geo. Reichenbach,
Secretary-Treasurer

To the Municipal District of Lacombe No. 300.

A meeting of the Village Council will be held Monday evening.

8 ENTRIES - 8 PRIZES

Mrs. J. H. Malt was the only one from Alix to attend the Dominion Poetry Show at Edmonton, taking eight head of poetry, every bird winning a prize. Her pen of beautiful Bashmat has been taking first and special prizes at Red Deer and Hettler, received second prize in a class of seven poets. Her poem "White Holland Turkey" was a winner of first prize when she was also at the Calgary show. Her White Palm Ducks also came in for first prize. Mrs. Malt has our most sincere congratulations on her wonderful success as a poetry fancier, this being her first year holding prize birds.

If you have an item of news we ask to kindly send it in, the news and all the news of the district is what we are after.

The hockey game on Saturday
last between Alix and Carroll
was a very close one. The
game was played in a very
spirit and both teams played
very well. The final score was
Alix 3, Carroll 2.

U. F. W. A. Convention**
The U. F. W. A. and U. F. W. A. met in joint session in the G.
W. V. A. Memorial Hall, Calgary, on Tuesday, January 16th, 1923.
The President was Mr. C. F. Thomsen.
(a) Opening by singing "O Canada"
(b) Address of welcome by Mayor Volney of Calgary who
expressed a determination to make the farmers comfortable while
in the city and to the extent of having the policemen of the farm-
ers as desired.
(c) Premier Bennett spoke for a very few minutes only, be-
cause of a bad cold and sore throat. Chairman were elected—Mr.
Wood, Mr. Gardner and Mr. Thomsen.
(d) President Wood's address.
(e) U. F. W. A. President's address.
(f) Report of secretary and financial statement. After much
discussion a two of week end to the executive was agreed.
The day after on the West Board was thoroughly discussed
and resolutions to affirming the demand for the wheat board was
passed.
Wednesday morning the U. F. W. A. met in separate session at
9:30 o'clock in the Vets' hall.
Hon. Frank Darling gave a very helpful address, reminding us
that in spite of financial difficulties and business depression the
people of Alberta have much to be thankful for and he expressed
his hope that the coming year may bring a change for the better.
He urged us to be content in our demands on the Government,
and both Mr. Darling and Mr. Thomsen stated that the Over-
seas men in the army by their work and sacrifice have made the
people of Alberta what they are today and that the people of
Alberta are indebted to them for what they have done for them.

Don't Miss

With the Municipal Election
in the future, perhaps a little
freely at the moment, but not
out of place.

Alberta is suffering from the
effects of unemployment in its
years, thousands of the Province
are high, money is tight, the
and huge sums of money were
spent building roads, bridges, and
improvements generally.

We are paying for that big
programme, there are many high
in comparison with the present
our products and the time when
when we must make a careful
analysis of things, Municipal,
Provincial and Federal. When
let the Municipal Election next
out on all road making etc. just
buy the election, it is a good
in repair, do not spend one cent
unless absolutely necessary.

Last year thousands of dollars
were spent improving roads that
were planned enough. It is
only ones in health were
fortunate enough to work
the job and the people who
are. The poor unfortunate
for who even a small
take the ditch now larger than
are. If we get a council
to secure things in reason
the Municipal tax can be cut
in two.

COUNCIL MEETING

The Council of the Municipal
District of Lawton No. 202,
met at the Municipal Office in
Alix, Saturday February 10th
1923 at 3 p.m.

Present were Messrs J. E.
Merrifield, C. S. Williams, L. E.
Foster, and M. A. McMillan, with
Messrs J. E. Merrifield in the
Chair.

The minutes of the Council
Meeting held January 13th, were
read and were confirmed by a
motion by Mr. McMillan.

A letter was read from the
Deputy Minister of the Depart-
ment of Municipal Affairs on the
case of J. S. Smith; in this letter
the Deputy Minister gives an ac-
count of the proceedings to that given
in his letter dated November 20th
1922.

An account for \$600.00 was re-
ceived from the Village of Alix
concerning the Smith case, this
amount covered the time up to
Dougherty St. 1923.

The Secretary was instructed
to acknowledge the letter written
by the Village of Alix, informing
them, the matter was left over
to the next meeting of the council
so as to secure the attendance
of all the members of the
Council.

Referring to the letter received
from Mr. W. A. Artyer re direc-
tion in Division No. 2, Mr.
McMillan requested that a letter
be written the former, inform-
ing him that the road referred to
will be changed in due time if
found in the interest of the Dis-
trict.

The question of purchasing
Gopher poison was left over until
the next meeting.

An account from Mr. W. J.
Hart, Seattle, for medicine sup-
plied to the late Mrs. M. Keller,
was ordered returned back with
the request that the same be sub-
mitted to the Oughlton Hospital.
Considerable routine business
was disposed of.

A number of accounts were
passed for payment on a motion
by Mr. Foster, there included an
account of \$6.00 to the Red Door
Memorial Hospital, Red Door.

The junior hockey game carried off the honors on the local ice on Saturday afternoon last when they took the big and of a 3-2 score from the Olive boys. It was a fast game and clean.

The first period ended with nothing all, while in the second Rogers and Pears both scored for Alix and Johnson for Olive 2-1. In the third period Johnson and Smith both called for the visitors and Pears again landed one for the home, being the aggressive. In a fifteen minute overtime period Alix again succeeded in putting home the little black and white team. Mr. Geo. Scamthorn was referee.

CREAM GRADING EMBOSSED

Both Saskatchewan and Manitoba have now endorsed Alberta's system of cream grading, so far as the dairymen's conventions of these two provinces are concerned. It is likely that legislation will be introduced by these two provinces along the lines of that in Alberta. Both these provinces shall have the cream buying stations some two years ago.

COMMUNICATION

Editor Alix Free Press.

Referring to your report of the annual meeting of ropemakers in M. D. 306 Saturday, 17th, which appeared in your issue dated 13th inst., I wish to correct a statement I made having reference to the mileage of roads in Division No. 3, where they all opened up. The mileage in that division would then be a little over one hundred miles.

Thanking you,
Yours truly,
Geo. Heinrichs.

FIRST MEETING OF THE NEW COUNCIL

EXTRACTS FROM MINUTES

The Council of the Municipal District of Lamerton No. 100 met at the Municipal Office in Alix on Tuesday, March 26, 1929, at 5 p.m.

The Executive in Division No. 1, and 2 consisted of Mr. M. H. Olson, defusing the retiring Councilor J. E. McNeill with 31 votes against 14; Mr. McNeill re-elected, defeating Mr. Wm. Weatherill with 49 votes against 31; and Mr. D. M. Jewell being re-elected by acclamation.

Present were Messrs. M. H. Olson, C. A. Tallman, E. C. Sheffer, L. E. Fendley, M. A. McMillan and D. M. Jewell.

This being the first meeting of the Council for the term 1928-1929, the Secretary opened the meeting and after having sworn the new members, called for nominations for the position of Reeve for the coming year.

Mr. Olson nominated Mr. Jewell and Mr. Fendley nominated Mr. McMillan. A ballot being decided on, the nomination reflected on voting.

A gentleman present, Mr. H. L. Carter, acted as scrutineer. The result of the election was 5 for Mr. Jewell and 1 for Mr. McMillan. The Secretary thereupon declared Mr. Jewell duly elected Reeve.

The new Reeve, in addressing the Council, expressed his appreciation at being elected; he pointed out that he aimed for careful handling of the finances of the district, as to be able the district to get back on a solid financial standing. He pointed out that it was impossible for the Reeve to be alone, he had to be counted on the whole-hearted co-operation of every member of the Council.

The Reeve thereupon called for nominations for the position as Deputy Reeve for the first 6 months of the term. Nominated were Messrs. C. A. Tallman and M. A. McMillan; however, Mr. Tallman withdrew in favor of Mr. McMillan, who was declared elected.

The Minutes of the last meeting held February 16th were read and were confirmed on a motion by Mr. Tallman.

Mr. A. J. Sheffer valued on the Council with regard to an old outstanding dispute on pay for roadwork some \$400 or 5 years ago. Mr. McNeill, who was present, expressed his willingness to go into the matter with Messrs. A. J. and Oscar Sandberg, co-operating with the Secretary.

The J. E. Smith case was again brought up for discussion, but as it was found there was still certain information required, the matter was left over for the next meeting on a motion by Mr. McMillan.

Mr. M. A. McMillan was appointed a delegate to the 1st Council meeting of the representatives of the Municipal Districts in the Hallam County District to be held in Calgary March 31st at 10 a.m.

A letter was read from the Director of Highways, asking the Council to give an assurance that the roadway constructed in the north half of section 15-26-24 was of sufficient width of private nature. This was agreed to.

The purchase of government land was brought up for discussion. Mr. McNeill moved that no present be bought this year; the motion, however, was lost.

A good number of business firms at a good price were then gone through and it was finally decided to purchase "The Fox" from the Department of Crop Commission, Mr. McMillan moving.

The papers (right) to be supplied

at the rate of one tin per half session or part thereof.

It was resolved on a motion by Mr. McMillan that the paper prices must be put out by April 30th, 1929, by everybody, failing which the Council will do so at the expense of the town.

Resolved on a motion by Mr. Fendley that the same rates be allowed officers in connection with the election as last year, viz: Returning Officer \$25.00, Deputy Returning Officer \$15.00.

The Reeve and the Secretary were given the usual power to sign all necessary documents on behalf of the district, under the Municipal District Act, Motion by Mr. Tallman.

A number of accounts were passed for payment on a motion by Mr. Fendley those included one from Dr. H. B. Johnston, on account of M. Jewell, Division No. 1, the amount being \$25.00.

Mr. Olson moved the adjournment of the meeting at 6 p.m.

THEIR BANNER YEAR

INCREASE ALL ROUND IN THE OPERATIONS OF ALIX DAIRYMEN'S ASSOCIATION

547,718.45 Wrens of Cream Sale; \$18,980.00 Worth of Eggs Sold; 4500 Hogs and 80 Cars of Potatoes Shipped

The year just closed shows an increase in every department of the Alix Dairymen's Association and makes a new high mark in the output of Dairy Products in the Alix District, according to the report of the Secretary at the Annual Meeting held in the Board Room of the Storage Plant here on January 16th.

The total cream sold was 165,805 lbs., an increase of 31,305 lbs. over the previous year averaging 34¢ per lb. Eggs showed 7500 tons against 25,000 tons, a gain of 31,000 tons, the average price being 51¢ or 10¢ over last year's output to improved quality and the ability of the Association to organize steady delivery. Poultry sales were in total 181,410 lbs. over last year's shipments and the price was also better. In potatoes the Association was able for the first time to contract the output of 100,000 bushels. "Diamond Spuds" were sold. Enquiries are already to hand from parties wishing to contract the output for this year. The average price obtained was 16¢ per bushel. 6000 hogs were shipped and 11 cars of coal and ore were disposed of.

A complete resume of the operations of the Association together with the Financial Statement for the year is being mailed to the members.

Now Reader, you will no doubt be wondering by now just what is the "Big Idea" in our publishing the above statistics account of something that never happens. Well, here it is.

First, to get your attention. Second, to get you to read this article, and lastly, to get you thinking.

We want to say, do you think the above condition could obtain in the Alix district if we tried to make it?

Can you see any other solution to the present situation?

Do you know anything this district is better adapted to?

Will you write and tell us just what you think about the idea?

We have no theories to advance but emphasize the matter one of present vital importance to the people of this district and to show figures although figures are the result of effort and conservative calculation based on present output as to what we believe could be attained in the near future. We wish to receive some of our opinions on the questions which are wide open for your criticism.

We believe the present best method of trying to extract a crop from the farmers of this district is a failure and that it is only a little increasing, pay

ment said "it is practically impossible to make a success of a Cowless, Sowless, Henless Farm."

In Dairying with its co-related branches is found, we believe, the remedy for the present day troubles of the farmer of this district. It eliminates by its diversified nature any chance of failure and ensures a continuous year round income.

It is the only system of farming that builds up the farm.

Co-operative marketing of the uniform product of high quality insures competition in the buying and places the selling in position to have something to say as to price above the quality of his product has been established.

Co-operative buying and selling we believe to be essential and strongly advocate the forming of a Local Organization for this purpose, where local matters can be discussed, system presented in these lines be heard, the principles of uniform and arranged, advice and literature of the makers of the various equipment used in connection with the industry be obtained, and of approval already implied for co-operatively sharing a better profit and better animals than through isolated, individual buying. Cows can be tested at the farm and the other-entire arranged for. Exchange of animals made through the members, all of which would materially improve the quality and uniformity of the product in a way impossible to a single individual. The Association would be at all times in close touch with Breeders, Manufacturers, and Government officials thus affording a service of the best possible kind and above all the members through their association would be in close touch with the market and their ability to ship

products in quantity would also justify the existence of the association.

The above is our opinion after much thought on the matter and it remains whether there are enough people in this district who think likewise to see such a proposition through.

"All very able, but who's going to do it?" Well, if the present conditions do not suit you and you believe the above would better your condition YOU ARE ONE that ought to lend your whole hearted assistance to the scheme.

"It can't be done." This is what many a man has said and was up the next morning to find the other fellow had done it.

"Has it been done?" Yes, in thousands of instances by those who were excited and willing to look to the future rather than to the present state.

Would you quote any number of instances where the above scheme has been carried through and where the obstacle to overcome was insurmountable than anything we would have to confront as in this district.

THE ANGEL OF DEATH

We join the many friends of Mr. and Mrs. T. G. Smith in expressing sympathy to them in the loss on Wednesday of their bright little boy "Teddy" of eleven months. The little fellow, who developed from a severe cold which was indeed a recent trial to Mrs. Smith who has been sick for some time and owing to the fact that Mr. Smith was absent at the time.

DIED AT EDMONTON

As we go to press we learn of the death of Mr. J. C. Palmer at the Edmonton hospital. The funeral, as for the purpose of the Memorial Lodge, will take place from the Presbyterian church, Albx, after the arrival of the 2:30 train on Saturday. Burial will meet in the hall at 1:30.

TO THE PRODUCERS

In an endeavor to get the best results and establish the poultry business on a better basis, we have established the Albx Co-operative Producers Service under a board of directors composed of N. A. Larsen, president; T. Wilton, J. Pickard, F. B. Stephens and U. O. McCreary, with Mr. Yarnwood, secretary and treasurer, will ship through the Government Egg Service. Mr. Winder, of the Government Egg Service will be in charge of the work from March 26th to 31st to secure the work when percent of commission can be seen and any information can be had from him or any of the directors.

To make this system the success we anticipate, the merchants will discontinue buying eggs after March 24th, but will cash all eggs coupons issued by Mr. Yarnwood. Your effort on operation is solicited.

ALIX LOSES OLDEST CITIZEN

On Wednesday afternoon the funeral of the late Joseph Todd, who died on Tuesday, took place from the Presbyterian church, being conducted by Rev. J. C. Lewis, while the members of the Albx Fellowship, of which the deceased was a charter member, accompanied the remains to the cemetery where the beautiful services of the church were read. Mr. Todd was a native of Ontario, but had been in Albx in the year 1905, where he resided until a young man when he moved to Michigan and after twenty years in the states he returned to Albx in the fall of 1923 and to this notice the following year, taking up a homestead on which the Village of Albx now built.

Deceased was a loyal citizen to his country and the district, taking a keen interest in politics and the affairs of his community. He was a member of the first Albx council board and held a similar position on our initial school board. He held the esteem of the entire community and his familiar figure will be missed on our streets.

Mr. Todd lost his life partner about twenty years ago and leaves five children, namely: Mrs. Drink of Deltona, Mrs. Wylie of Edmonton and Mrs. Nelson, Mrs. Chief, Mrs. Burns and B. E. of Albx.

The funeral, one of the largest ever seen in Albx for some time, the church being filled to the doors with his numerous friends came to pay their last respects.

The pallbearers were all members of his lodge, W. H. Patel, O. F. Topley, J. W. Smith, G. Thompson, O. Haddberg and H. G. Finch.

Mrs. Wylie came down from Edmonton on Wednesday to attend the funeral of her father, the late Mr. J. Todd.

DAIRYING THE BACKBONE OF FARMING - THE SNOWFLAKE THE BEST FODDER

BY C. C. MOHRMANN, ALIX

At the Pan American Fair at Buffalo, N. Y., in 1901, I saw an exhibit from Alberta consisting of a number of fat cattle. I talked with the man in charge and he gave me some information about this country that made me anxious to know more. I was an iron worker by trade with a wide and varied experience in my line, most of my life having been spent in the city. I moved to Alberta in 1908 with my wife and family (also if possible) and I grew dairy and I homesteaded on East 1/2 Sec. 30-38-32 With. Our homestead consisted of a lot of hills with no level land. When we got settled and took stock of how we were going to make a living we had 1 horse, 1 cow, 3 pigs, 5 goats, no money, and no tools for working the place. We landed in Lacombe on July 12th, 1908.

Looking over the situation, we concluded dairying would be the best thing for us to do. We worked out and bought a couple more cows and went to milking. The only way for us to get any information was by reading the farm papers. I concluded that the best way to build up a dairy herd was to buy a good sire, and accordingly we purchased a pure bred Holstein bull to improve my cows here. Before using the Holstein bull a scrub Shorthorn holder would give 14 to 16 pounds of milk a day. With the use of a pure bred bull the holders soon increased to 20 pounds and mature cows 25 to 30 and in some cases to 35 pounds a day, and not a pound less in the lot. When we wanted a horse we found it would not offend to buy lumber to build off, so we made up our minds to use our own lumber. We bought an outfit to saw sawing lumber, went into the woods and the owner of the land handed the logs to the skidder and we went to work on the saw lumber. In this way we got enough lumber to put up serviceable buildings and saved enough for others that brought logs to the mill to pay all expenses, leaving the lumber for the work. We soon saw that the greatest trouble with the country was the desire of the settlers to get along with as little work as possible. In talking over matters with my neighbors I found that everything that seemed to be done was too much work, too much work to raise potatoes, turnips or anything like that, too much work to build a house, too much work to do anything that had to be done by hand. It was true that some of them were not afraid to work and could invariably stand. What we want in this country is workers who will do any kind of work and do it right. We got too many who are just sitting, waiting

to let others work, while they move to town to get living some other way. It took break their dear hearts to have to sit down and milk cows three times a day.

The question of feed for dairy cows is a large one now. We raised 25 acres of snowflakes last year with very little effort and outwore them than they outdiligently as soon as they were through the ground; grasses trimmed what remained as much as they could; the dry weather necessitated for more. Still we had a lot of fodder that we set up in rows against poles. I was very much surprised to find that need as pressed they had anything to say about it and are going to plant last year's snowflake. We are using last year's snowflake ground for what to get a line on how a good snowflake will do in place of summerfallow. Any man that goes into dairying must make up his mind to work, milking must be done regularly, records kept, feed raised and put up for the long winter, skidder and all animals kept properly clean. Still, dairying is no good, you must stick through thick and thin. We have now been on this land 25 years; we have worked hard and long hours; we are called successful; we have paid our way.

the remains to be discovered. The great chemist, Hanay, of Argentina, the most sensational discoverer in this fascinating line, is producing an element somewhat resembling the new element. The existence of this element was detected by two Spanish chemists and immediately afterwards a French chemist announced that he had actually isolated the new element. He obtained the material from black sand found in large quantities in New Zealand, and he suggested the properties of the element make it suitable for the fluorescent electric incandescence lamps at other purposes where high temperatures have to be withstood.

—Continued—

Toronto, Ont.—From the time she was a little girl, Frances Crawford, 34, has been a mother superior in highest honors. Her favorite motto is "Be kind, for it always comes back to you." It is strange that after 11 years of matrimony, she still feels that she should reprove her husband and herself for some of their faults. "I am not proud of my aches, pains and nervous afflictions," she says. "I give no reason for them. I feel that I have no hesitations. Doctor Purvis, of Toronto, says that I am a mother superior, and he knows the women who are out."

ONE VARIETY OF POTATO

In last week's report of the U.
P. A. we note with pleasure that
they are taking the initial step
in "Co-operative Production" or
suggested in our issue of a week
previous, by urging that the
farmers plant one class of potato
with the object of raising a uni-
form crop for the market. Now,
this is the first step, the next is to
get uniform farmers interested
to make it worth while. Already
a number of farmers have taken
up the idea and have got to making
for one or more bushels of "Irish
Cobblers" and Mr. Parley is con-
vinced that he can secure from the
University Farm an unlimited
quantity. Mr. Parley, who
is the spirit of God yourself in a
"flow by you" if you are
to commanding a price, 50 per
cent for "Cobblers" is in
very cheap and there is not one
of you but can afford to order a
sample of bushels that would mean
to be not later than the 15th of
April to secure the supply. Com-
municate with the U. P. A. sec-
retary, Mr. W. Parley, at once.
Cross checks, poultry checks
and potato checks will go a long
way to make all the most pro-
gressive districts in Alberta.

GARD OF THANKS

I wish to express my heartfelt
appreciation of the many kind-
nesses shown me during the sick-
ness and death of my husband.

OBITUARY

Mrs. OLIVE EITZEL.
At the home of her son, Mr.
O. H. Eitzel of Mirron, on Satur-
day, March 31st, the soul of Mrs.
Olive Eitzel took its flight to the
better world and her earthly, mortal
body entered into peaceful rest.
Deceased was born at Klamath,
Oregon, May 15, 1856, and im-
migrated with her parents to the
U. S. when fourteen years old.
They settled in Wisconsin where
she was married when eighteen
years of age. In later years she
with her husband and five chil-
dren moved to Lake Crystal, Minn.,
where they resided until the Indian
break. She resided there and
several years ago when she
came to Alberta to make her home
with her sons Charles and Olive
Eitzel, old pioneers of Alix and
Mirron districts.

Mrs. Eitzel was a faithful mem-
ber of the French-Canadian church
leading a Christian life and
working for the good and best in
all ways. She was the mother of
seven children, five of whom are
living—Mrs. Belle Patton of
Alix, Minn.; William of Lake
Crystal, Minn.; Ralph of Lake
Isabel; Charles and Olive Eitzel
of Mirron.

A short service was held at the
home of Mrs. Eitzel after which the
remains were shipped to Lake
Crystal, Minn., accompanied by
Olive. Interment will take
place at Lake View Cemetery by
the side of her husband.

U. G. C. OUTLINE SCHEME FOR HANDLING STOCK

SECRETARY STILL RECEIVING
ORDERS FOR SEED POTATOES

A meeting of the Alix local was held in the hall on Saturday, the 13th inst., with President C. Thomson in the chair.

The minutes of the last meeting were read and adopted.
U. G. C. Maryatt submitted a report from the Rex Marketing Committee. He stated that receipts of eggs were very satisfactory, eggs were being shipped to and sold by the Government market at Edmonton. Should there be any surplus profit at the end of the season and there probably would be some, it would be divided among the shippers. The committee were calling a meeting of all shippers Wednesday, the 15th, for the purpose of organizing a board of management to carry on the business.

John Sims presented his report of the live stock meeting called by the U. G. C. in Alix, Monday, last inst. Mr. Elliott of the U. G. C. Live Stock Department addressed the meeting, on local seed potatoes. The plan suggested was to the effect that if a sufficient number of the farmers in the territory covered by these local seed potato contracts to ship all their live stock through the U. G. C. for one year, that the U. G. C. would place a shipper in the territory to collect and handle them. Details of the plan were fully discussed and it was finally decided to postpone any decision till after a meeting to be called by the U. G. C. next June.

F. Parnell gave a very interesting address on a tropical valley lately discovered close to the arctic circle. This valley is 48 miles wide and 300 miles long, is full of game and birds fair to touch our California's or a winter resort for Albertans. He also read an article on by Mrs. Murphy on prohibition and the drug habit but failed to convince any of those present that a change in the Prohibition law would be beneficial. A hearty vote of thanks was accorded the speaker.

Several orders were received for Seed Potatoes and Stamping Powder.

Meeting adjourned.
Next meeting Saturday, April 13th at 8:30 p. m. approximately.
"Get Together and Go Home"

Mrs. G. McEwen arrived on Monday to reside at Fortburg.

Church services will be held regularly (U. V. I.) each Sunday at 11 a. m. at the Presbyterian school near the school at Bull-Charville.

Miss Edna Kruger's home from her studies at the University of Calgary, to visit with her mother for a few days.

OBITUARY

LOUIS FRANKLIN HOUSE
The funeral of the late Mr. L. F. House, who died at his home near Alix on Friday, April 10th, took place from the Presbyterian church at 2 p. m. on Sunday to Alix cemetery, services at home and graves being conducted by the Rev. J. C. Lewis.

Deceased was born in Lanes County, Iowa, May 15th, 1860 and in the year 1882 married Miss Ella F. Hill, who survives him, together with three children, Charles and Mrs. Ruth Walker of Alix and Mrs. Neighbors of Portland, Oregon. As 1901 he moved his family to Alberta where he has since resided.

Mr. House was a man of many friends all of whom held him in high esteem for his sterling worth and kindly disposition. The pallbearers were all old neighbors, namely:—C. Walker, W. Walker, O. H. Williamson, J. E. McNeill, J. Hamilton and P. McCallum.

Arkansas Denway will conduct morning service and Holy Communion at 11 a. m. on Sunday, April 15th.

The Tennis Club held their annual meeting in their rooms on Friday evening of last week but owing to cold weather the attendance was small.

The various minutes and reports were read and adopted and new officers for the coming year were elected.

President - F. R. Stephens
1st vice - Mrs. Lewis
2nd vice - Mrs. W. R. Mitchell
Sec. - Mrs. C. M. Varcoe
The membership for next year stood at \$4, 100. It being found that a \$2 membership for all round was not sufficient to pay expenses for the season.

It was also decided to enter two teams in the Alberta Provincial Tennis Association and Mr. Lewis was appointed to arrange details. Official opening May 24th.

The following may be of interest to the General Public.
Conrad L. R. Frost, alias, had some Grasshopper Bait laid over from last year. Now, one day, the poison is supposed to be non-effective. However, as will be seen, such is not the case.
Mr. Frost took what bait he had left and buried it in an old shed and laid it in the yard. During one of the strong winds that spring the stove was blown over and the ashes fell out.
The ash is the bait took little effect from the fog, and did the arsenic, and some of the stock got on to licking up the ashes with the result that he lost 85 head, including two registered animals.

"DEAGON DUBBS" DRAWS CAPACITY HOUSES

The much discussed and eagerly awaited forward presentation of the famous comedy "Deagon Dubbs" has come and gone and it was plain to be seen that it succeeded. To say that it was a success is putting it mildly and the brilliant flashes of the humorously intended to those responsible for it, namely Henderson W. L. Pettit and R. Hunter. It was indeed an entertainment in every sense of the word as was demonstrated by the full houses the first evening and a crowded building the night following.
To give a detailed description would take up too much space but we must needs sound the preparation of everyone present. It was full of the old vigor from the drawing of the curtain to the end and the manner in which the individual characters took their parts was a credit to our district and showed the painstaking rehearsal that must have taken place.
We trust the same organization will favor us again in the near future.

OBITUARY

THE LATE MRS. J. MORSE
The funeral of the late Mrs. O. J. Morse, whose maiden name was Lemmie Hanson, who died at her home at South Buffalo Lake, on Tuesday, April 17th, took place at 2 p. m. on Wednesday in Alix cemetery, services at home and grave being conducted by the Rev. J. C. Lewis.
Deceased was born in Norway on June 14th, 1841, and when 16 years of age emigrated to Canada and settled in Iowa and in 1885 she was married to the late Mr. Morse, who died a little over two years ago. In 1889 the family moved to Thief River Falls, Minn., coming to Alberta and settling on their farm in 1903. The members of the family are John B. Morse, O. and Jake of South Buffalo Lake; Mrs. John Peterson Thief River Falls; and Mrs. Mary Olson of St. Hilaire, Minn.

The late Mrs. Morse was a formidable old lady and will long be remembered for her many kindnesses to the needy. She was a staunch member of the Lutheran church.
The pallbearers were all old friends of the family, namely T. W. Burritt, C. Oswald, G. J. Bessell, M. L. Moore, D. Brown and G. Grahnsch.

CARD OF THANKS

Mrs. L. F. Hesse and family wish to express their heartfelt appreciation of the many kind remembrance shown them in their recent bereavement.

Mrs. B. B. Goodfellow of Haynes was an Alix visitor a couple of days last week.

THE HOUSE THAT CANNOT BE HID

In Alta town a building stands,
It's called The Elevator;
It's made of tile, and right within
You'll find the operator.

Our warehouse men is widely known
His name is Allick Himes!

He'll grade your wheat and buy
your gum he'll ship it.

He'll ship it far and wide, you hope
He'll ship it in the car.

And you and I will pay the freight
As sure, as sure can be.

Each thing he needs to grade your
wheat.

He keeps it in his pocket;
He's got a box with a hole in it.

To hold your sample packet.
He'll stick an eyeglass in his eye

And tell you with some heat
He sees a lot of queer things

A human "round your waist."
He sees a sight of things

A round round on your
For some of them have little legs

And some of them have wings
And when he's through with legs
and such

He'll sell your shoes attention
To other things that you and I
Would hardly think worth men-
tioning.

He'll show you that your grain is
cracked

And from, and black and rusted;
It's color too, it's tough and soft.

Doggone it all, he's tested.
He'll pull out that glass eye again

A most ball he's detected;
Then the verdict he'll announce.

It's another fire rejected.
And then he'll start to doak the
land.

He's got a calculator,
To find the right per cent. of dirt
Of Bill Falkner's separator.

The wheat is broken for let your
Through an old percolator;
And when you see the things
he'll find

You're glad there's no separator.
'Bout rusty nails and ch'p' page
And longer twice and pop dog

And tremble from his voice
He'll tell you with decision quick.

He'll tell you that the old junk
steve, steve,
No ped on horses,
I'll have you for to understand

ALIX LOCAL ADVOCATES CON-
TINUOUS TELEPHONE SERVICE

A meeting of the U. F. A. was held in the hall on Saturday, the 26th inst., at 8 p. m., with Pres. C. F. Thomson in the chair.

The minutes of the last meeting were read and passed.
A letter was read from the Municipal Hall Insurance Board giving a report of business done, future prospects and policy. This letter is posted up in the hall and all farmers interested in Hall Insurance are recommended to study it.

A letter was read from Alfred Wapshaus M. P., stating that the Government had voted \$8,800,000 chiefly for improving facilities at Vancouver.

Ten secretary reported that he had received orders for 77 bushels of Irish Cobbler's certified seed potatoes which will be shipped from the University Farm at an early date.

A change in the present telephone system was discussed, involving fewer exchanges and more simultaneous service. It was decided to invite Mr. Mitchell to attend the next meeting to give information.

Mr. Wellerton said he would give a report of the number of live stock shipped throughout the territory covered by the six town's who sent delegates to the U. G. meeting recently held in Alix, at the next meeting.

The Provincial budget was read and discussed and a resolution of confidence in the Government and approval of the budget was passed unanimously.

A discussion took place on a suggestion lately made by a member in the Legislative Assembly, that a bounty should be given for the destruction of crows. The decision arrived at was that crows were undoubtedly of great benefit to agriculture as insect destroyers and that the damage they might do to game, etc., was far from proved and therefore before any bounty was sanctioned a number of crows should be shot each month and examined. This had already been done in the Old Country and had proved their real value as destroyers of insect injurious to crops. A resolution was drawn up to this effect and the country was authorized to send a copy to the Department of Agriculture.

Meeting adjourned.
The next meeting will be held on Saturday, May 6th, at 8:30 p. m., promptly.

Having completed their formal course Misses Jean Kest and Thelma Hunter are expected home from Canada on Saturday.

CLEAR RECEIPTS \$97.80

The Ladies' Aid of the Presbyterian Church wish to thank all those who in any way contributed in the presentation of Dancoo Dubbo, from which they realized a clear profit of \$97.80. It has taken a heap of time and energy on behalf of the players and their satisfaction will be derived from the knowledge that their efforts have been crowned with success, at all stages please, Alix, Bashaw and Mirror.

FAIR SPECIALS

The committee appointed to revise the Alix Fair Price List will meet in the course of a couple of weeks and they request that all those wishing to give special prices to have instructions with the secretary as soon as possible.

U. F. A. AND U. F. W. A. NOTES

At our next meeting on April 28th, Mrs. Mass and Mrs. Nelson will lead in a discussion of gardening. We can all grow garden when it rains, but they are going to give us some practical ideas for gardening during dry years.

Mrs. Nora Heath of near Tux is holding a Public Auction of her effects, consisting of horses, pigs, cattle, machinery and household goods, on Saturday, May 6th, at 10 a. m. A. W. Lawson is the auctioneer.

A Good Beginning

At a time when many people are turning to the dark side of life, and when there is much uncertainty and gloom about the future, it is refreshing to see the Canadian National Railways reporting on the operation of the "Blue Bird" for the year 1932.

The "Blue Bird" is a train that is making very good progress in its delivery in the year 1932-1933, and it is reported that the train for the previous year, 1931-1932, was the best ever.

The most profitable feature, however, is that whereas there was an average of 100,000 passengers in 1931-1932, this year it was 120,000. This is a very good result, and it is a sign that the railway is making progress.

Spring has arrived at last. We haven't the slightest hesitation in making that statement. This week, because there are several very obvious reasons for doing so. With not touching on the subject of the beautiful warm days and bright sunshine, every evening after supper, numerous flower spring up in people's gardens, which demonstrates the fact that every one is cleaning up rubbish and getting ready for gardening. Ain't it a grand and glorious feeling. Ain't it of these signs are not enough, the appearance of Bill Altit in his own home and Judge De la Motte in his private past to mention the re-appearance of Uncle Nick should convince the most optimistic.

The tonics have started operation for a strenuous season and parties is a regular thing at the court. The talk of attending a golf course. B.T. who has mentioned Baseball! All the other games fall into the back ground before the march of the boy with the big wit. Surely it is about time to get into line.

Gardening is the after-thought occupation of the householder.

Coming to the Old Fellow service on Sunday afternoon there will be no evening service in the Presbyterian church. Rev. Lawrence is to be the evening service on Sunday at 7:30. Frank Burton will be at the service at 10:30 after spending a few days at his home here.

Mr. Arthur Jlin arrived last week from England and is at present visiting his sister, Mrs. J. Manbridge.

Money to loan on improved farm property. - E. H. Mackay. Our old friend, Dr. H. H. Blake of Medicine Hat, is coming a few days with his family and Altit friends. Owen's - the south is only his temporary - visiting place and as soon as he can make it, he intends to become a landed proprietor in this locality.

Already the wheels are being set in motion for holding the second annual stampede on the banks of the Red Deer river south of Altit. More soon.

The Sunday School Lesson for next Sunday is "Rich, the Faithful Daughter" - Mark 1; 14-22. Golden text: "Thy people shall be my people and Thy God my God." Rich 1:16.

Attended last Sunday was 37 children and 11 adults.

Tuesday next is May 1st. Messrs. Chas. & Fisher have moved their families from Stettin to Altit, occupying the Sheldon and Siddons houses (respectively) on Railway avenue.

Mr. Clifford Anderson returned on Saturday from visiting with Edmonton friends.

Seedling is now in full swing.

On the last Sunday of the month (April 30th) all members of the Old Fellow and Robak Lodge are requested to meet at the lodge room and take part in commemorating the Anniversary of the foundation of the Order. The brethren will assemble at 2:30 and proceed in a body to the Presbyterian church where the service will be held at 3 o'clock. Mrs. G. H. Darlow, Grand Matron of the O.E.B., left on Tuesday to spend a couple of weeks visiting the chapters in the north.

Rev. J. C. Lowrie went to Camrose on Tuesday to attend a special session of the Presbytery that evening, returning home on Wednesday.

Mrs. G. S. Blomst is this week visiting Edmonton friends.

Mr. Louis Farley has returned home from Edmonton, the latter having prolonged at 4:45 p.m. on Saturday, after thirteen weeks' sitting.

Owing to the fact that all Cockshutt repairs and extra work since 20 days, I am compelled to all repairs to most cases. - R. L. Torpfer.

Wanted - A single buggy in good condition, without top. - Mrs. L. F. Ross.

There have been two dangerous poisons found at the edge of town during the past week but fortunately they did no damage. We would impress on our citizens the need for every precaution.

CO-OPERATION IN PRACTICAL USE

What proved to be one of the biggest little postulates in the Alix District was put over on "Way Day" on the farm of Mr. C. D. House, east of town, where in about six hours, twenty of his neighbors with sixteen drills, three grain wagons and sixty-eight head of horses, sowed 136 acres of wheat. At one time there were eleven drills working on one field of a half mile front, which presented a novel sight. This act of neighborly kindness resulted from the inability of Charlie to do his own work, he having been confined to bed for that couple of months.

Those who were on the job were: C. F. Toepfer, W. Prouse, G. Kinn, D. Harty, M. Anders, R. Griffin, S. Harty, E. Wenter, J. Sims, J. Burton, O. Seabert, W. Finkner, C. Anderson, St. Elmo Henderson, J. McKeay, A. Walker, G. Deane, W. Demore, A. S. Hines and W. E. Starnap. The morning operation went along fairly well, but the excellent dinner, served by Madamess & F. Toepfer, R. Harty, P. McCallum, G. Deane, A. Walker and L. F. House, was really responsible for the completion of the work.

U. F. W. NOTES

On Saturday, May 11th, Mrs. O. E. Stone will give a paper on "Jernial Delinquency." This is an important subject and of vital interest to everyone. Every body welcome.

SIGNS OF THE TIMES

One of our young business slips in an occasional place of furniture when he thinks no one is looking. We presume the next signpost will be his hair.

And another of our fair dealers is sporting a golden emblem on the give-away flag.

We will not mention the opposite-to-go home shopping trails of still another of the gaudy set.

And one we might go on and mention the young farmer who is fostering a double stand garden with a view of supplying six men's a day in place of three.

Then what of the cottages in the ranks of our school teachers.

Why, go whole! The property owner's income was, he said, one, three with that of our local divins.

All same so.

WILL THEY?

The city comes on the farm. For information keep the note "How that the master's dead, Will be let us know again?"

HAVE YOU QUIT?

Consider the lots. She doesn't quit anything when the cows are scarce. Do you? Do you quit anything when adverse conditions arise. Have you given up anything "Every day in every way" and substituting "What's the use?" It is only through our adversity that we can appreciate our successes. Consider the hen.

CARD OF THANKS

Mrs. J. P. Pedersen and Moore John, Martin and John Storm wish to thank the neighbors and all kind friends for their many kindnesses during the sickness and death of their mother, the late Mrs. O. J. Storm.

IT IS NOT EASY

To APOLOGIZE.
To begin over.
To be consistent.
To take advice.
To admit error.
To face a case.
To be charitable.
To keep on trying.
To be consistent.
To avoid criticism.
To endure success.
To keep out of the rat.
To think and then to act.
To forgive and forget.
To make the best of life.
To achieve an enviable temper.
To maintain a high standard.
To shoulder a deserved blame.
To recognize the silver lining - BUT IT ALWAYS FAYS.

An exchange (think the mak-
ing of amiable accounts for it)
shortages and high price of sugar.
It is also a capital business op-
portunity for those who wish to
invest in the most profitable of
the present system.

An eastern paper writes:
"The 'Alix' (if Alberta) will be
without clothes and with little
cash, with proper check drafts
will hold a fire for 24 hours, will
also send or buy best as wanted,
and without food does or clothes
have what more is wanted, great
plenty of it at a reasonable
price."

The wants of the Orientals
are numerous, but our product
will stand the test and have a
"built in" market that all
Alixes could well be in general
"downside" raising. Last week
"Canadian" dealer for Canadian
people (foreign) reports that
many provinces are ship countries
for industries and a little ex-
planation would not be amiss when
we can supply the goods and an
unlimited quantity at that.

menced their 100th anniversary
of the foundation of the order by
attending divine services at the
Presbyterian church at 8 p.m.

Rev. (Rev.) Lewis gave an excel-
lent address on the foundation and
growth of the order and referred
to the power of good they were
doing. It was one of the best
expositions of the order's principles
that it has been our good
fortune to hear. Suitable hymns
and songs were sung which together
with a couple of solo made a
most enjoyable service.

MR. WORKE WILL DELIVER ADDRESS ON SOUTH AMERICA

Regular meeting of the U. F. A. Local was held in their hall at 3:30 p. m. on Saturday, May 5th, with President Thomas in the chair.

A letter from the Premier, acknowledging receipt of resolution of confidence in the Government, passed at last meeting, was received.

A letter was read from the central office re Young People's Conference to be held at the University June 8 to 12, was read and so motion of Wollerton and Murray the secretary was instructed to send a delegation of 25.

O. Wollerton reported that 1914 hogs, 1510 head cattle, 186 calves and 326 sheep totaling 75 units were shipped from Alix last year.

A discussion took place on the holding of a U. F. A. picnic for the purpose of bearing speeches and it was decided to hold it at U. C. Murray's in June. U. G. Murray was appointed a committee to arrange for speakers. Dinner tables will be discussed at the next meeting. All interested should attend.

The next meeting will be held Saturday, May 19th, at 8:30 p. m. when Mr. R. L. G. Wolfe will give an address on his experience on South America.

Tale should be interesting—Come and hear him.

MONDAY'S SESSION

The regular monthly meeting of the village council was held on Monday evening with a full house on hand.

Motion of the April meeting was read and adopted.

A letter was read from Mrs. E. Pully with reference to the bad condition of the sidewalk in front of her property on Main street. After a thorough discussion of the matter, the council decided to lift this matter from the corner of the telephone property and use what good lumber there was to repair other walks.

A reply was read in answer to the letter to the Department of Municipal Affairs with regard to handling house licenses as follows:

"I beg to submit as my opinion that it is not within the power of your council to pass a bylaw for licensing the houses you refer to, a part of which is owned by the owner in fee simple and in which they do not receive meals.

I am enclosing a copy of an act supporting Houses of Public Accommodation, from which you will note that "board" is defined as meaning a place where there is sleeping accommodations offered in

the public. In my opinion the houses referred to are merely rooming houses."

Amounts to the amount of \$730.65 was presented for payment which included a three-year insurance policy for \$50 covering the town hall and a medical account of \$197.38 re Mrs. Edward Hoggan.

The secretary was instructed to inform private milk vendors that a license of \$25 was required if they intended to continue in the business.

Complaints having been made of stock raising at large, Mr. H. M. Brown was re-appointed poundkeeper for 1933. Meeting adjourned.

A NASTY HURT

A nasty accident happened to our old friend, Mr. W. R. Brown, on Monday evening last at his home west of town. He was backing a team and the wagon tipped, throwing him to the ground. After being dragged a considerable distance a wheel passed over his leg, breaking the ankle bone. We trust he will have a speedy recovery.

POLO

The tractor and plow were last week processing the grounds just north of the C. P. R. and west of the C. N. R. tracks for the Polo team which on Sunday (we understand) will have their first practice. It is the intention to use the grounds for golf and tennis as well. A club house will be erected for the accommodation of gentlemen and TCA will be secured to the polo.

FORMER RESIDENT

KILLED AT PONOKA

Ponoka, May 2.—A disarming fatality occurred at Ponoka on Wednesday morning when Frank Higgins came to his death through a horse. It is a horror. He had gone out to attend his horse in the barn and about 7:30 a. m. the horse became excited and rearing. Higgins was thrown and his head struck the side of the horse. He was killed instantly. The horse was owned by the late Mr. Higgins and was valued at \$100. Higgins was 67 years of age and leaves a wife and family.

After moving to Ponoka the deceased was a resident of that town and for a time conducted the Post in his blacksmith shop in Alix.

TRIMMED!

He carried his medals in his pocket—that's the kind of our hero Ross Olsson is in Trimmed. The voters' rights movement more than the private graft of the political ring. See Ross Olsson as a champion who means business in Trimmed. He battles a bear, a trick male and a desperate murderer—and is the same lion-like hero. A bear roared him from the end of a fight and threw him into town. That's the way heroes come home. But he showed some crowded politicians off their punch and shows them late [all] It took more than a long drop into a mountain gorge to stop Ross Olsson at the soldier's office in Trimmed. The Germans couldn't stop him. Neither could the reckless politicians at home when he was arrested there.

MUNICIPAL COUNCIL

The council of the Municipal District of Lacombe No. 392 met at the Municipal Office in Alix, Saturday May 10th, at 2 p.m.

All the members of the council were present with Reeve D. M. Jewell in the chair.

The minutes of the meeting held April 7th were read and confirmed on a motion by Mr. McMillan.

A number of letters were read, among them was the one of Mr. J. D. Smith. The case was again discussed.

On a motion by Mr. Tallman it was resolved that the Canadian Pacific Railway Company be paid for the land taken for road purposes in the N. E. 22-20-20 A.

A letter from Mr. T. B. Oliver, Oliver, was read, requesting the grant of a lease of the road allowance between sections 11 and 12 (one mile) and between sections 12 and 13 (one half mile) both in T. 14 N. It was agreed to recommend the granting of the lease and the secretary was instructed to write the Department of Public Affairs accordingly.

On a motion by Mr. Oliver, it was resolved that Mr. J. E. Evans, ex-convict from the Canadian National Railway, be paid for the land taken for the road constructed last year to the north of the Canadian Tyside Railway line rendered necessary through the closing up of the Grand Trunk Pacific line the Canadian Northern Railway, this being known as the "A" connection east of Alix. Resolved on a motion by Mr. Jewell that this council recom-

SUNDAY SCHOOL PICNIC ON JUNE 8

The Alix Union Sunday School
has decided on Friday, June 8th
for the holding of the Annual
Picnic. The Fair Grounds will
be requisitioned for the event and
all manner of sports will be pulled
off for the kiddies for which
prizes will be given. There is a
beautiful grove where the tables
will be laid and those who attend
are requested to bring baskets.
The Sunday School will provide
ice cream, fruit and cool drinks.
All children who are not attending
the S. S. should make it a
point to start next Sunday.

ALIX CHAPTER WILL CON- FER THE DEGREE

The Grand Chapter Order of
the Eastern Star of Alberta will
convene at Stettler on June 6th
and 7th. The Stettler Chapter is
making extensive preparations
for the entertainment of the visit-
ers, while the Alix Chapter, of
which body the worthy Grand
Matron for Alberta, Mrs. Alice
Darwin, is a member, will assem-
ble the degree. This is the first
convention on which the Grand
Chapter has had its annual ses-
sion outside of city.

KEEP YOUR LAND FREE FROM WEEDS

The following data gives the
results of last year's work with the
use of water sprays of wheat
grown on the same kind of soil,
with and without weeds. When
grown on clean commercialized
land, 325 lbs. of water were re-
quired to grow 1 lb. of dry matter
(wheat). When four mustard
plants per square foot were al-
lowed to grow with the wheat 272
lbs. of water were used in pro-
ducing 1 lb. of dry matter (wheat).
From this data we learn that
the additional moisture required
to grow a mustard plant per
square foot with a wheat crop
over 50% more is equivalent to 250
tons, or an amount equal to 8.1
tonnes of rainfall. Since the
average rainfall during the grow-
ing season is about eight inches,
approximately one quarter of this
is used by weeds if they are al-
lowed to grow with the crop. Four
weeds per square foot is not by any
means the maximum number
found in fields which are care-
lessly farmed.

Owners of livestock in the
Province who have been driving
stock from point to point have
been ignoring provisions of the
Stock Inspection Act, which pro-
vides that all owners must notify
the livestock commissioner or
the nearest provincial policeman
of his intention to remove the
stock. The action must reach
the official prior to the removal
of stock, and must also not out-
line the number of and brands on the
animals, or, in case no brand, the
age, sex and color of the animal.
A copy of this action must be put
in the hands of the man who is to
drive the stock.

Financiers Say Ford Has Replied
John O. Reacheffeler

New York. Senator Macdonald declared that Henry Ford is the richest man in the world, following publication of the Ford Motor Company's statement of its financial condition as of February

Last February 28, the statement shows the profits and loss surplus was \$258,777,692. Wall Street estimated net profits appreciated \$115,000,000, equivalent to more than \$600 a share on the 172,456 shares of \$100

Ford is said to replace John D. Rockefeller as the world's wealthiest man, the Rockefeller fortune being valued at \$150,000,000.

NEWS NOTES

The state of North Dakota has now adopted the system of government cream grading which was inaugurated for the first time on the continent in Alberta last year.

White beans have been grown with much success on the irrigated lands at Ventnor, Alberta, and a large acreage is being put in this crop this year in that district.

DEAD MEN TELL NO TALES

Powers Attorney and the Calgary Exhibition, and it stamped July 9th to 11th have been issued and the Press lists are now being circulated.

There has been sufficient notice to give the coroner a nice start and if old laws only they are but we will be away to the races.

How about a dip in Old Baffalo?

Rev. and Mrs. J. C. Lowry were in Edmonton the forepart of the week. Mrs. Lowry, who has been ailing, some weeks went up to consult a specialist.

Jack returned from Edmonton on Monday ALONE.

Mrs. Roy Hoppes and Jack Cleofant Dempsey left Tuesday for Shillbush, Ontario.

Jack is trapped on July the 4th the All heavy weight is fighting on taking a hand. At any rate he is going to try to work out.

Many of the business improve Farm Property at H. Mann.

The Sunday School Lessons for next Sunday is "Lark, the Bird of the Field." - Isaiah 61:1.

Attendance last Sunday was 31 children and 12 adults.

The Monday night thieves broke open the till and got away with the silver and some goods. Fortunate they were unable to open the safe.

It looks like the work of mischief and no doubt they will soon fall into the hands of the police who are on their trail.

Charles Lewis, who has spent a month at his home near Battleford, Sask., returned to Alix on Friday.

Mrs. L. W. Man of Edmonton was this week a guest of her daughter, Mrs. M. H. Thompson.

The eighth annual convention of the Alberta Women's Institute will open Tuesday morning, May 28th, in the Convention Hall of the Calgary Hotel, Edmonton, and closes the following Thursday evening.

One week more in May, then the wedding month.

After awaiting a few days ago the committee on the revision of the Alix Fair Prize List decided on a number of changes in nearly all the classes which will make the exhibition the best of the kind.

The lady directors have also revised their portion of the book, and we think for its betterment. The list is now in the hands of the printer and will be rushed to completion as quickly as possible. There is a considerable reduction in the Government Grant for 1923 and it will require the co-operation of all directors and exhibitors to keep up the standard previously set.

Let us remember from the start to put it over big.

Over \$100,000 worth of surplus telephone poles the Government has taken had for the past two or three years, has been sold by the T. P. phone department. The department expects to dispose of about \$250,000 worth of old stock.

Sufficient of this material will be reserved for construction purposes for the next three years.

A company for the development of products of petroleum, has been incorporated in Edmonton at \$50,000. The purpose is to manufacture by-products.

"Paid Back"

A Quadrangle in Love—One Woman and Three Men—With Gladys Brockwell, Stuart Holmes and an All Star Cast

Remember where romance begins—in the tropical quiet of a mid-Pacific island—in the depths of "Vivian Smith," the Universal all star attraction. But it isn't only romance—it is dramatic to the very degree. In this play a story that simply and without anything else "Tuesdays" it is "Paid Back," a new real story in five acts, with some of the most famous players of the screen in the roles.

ARRANGING FOR PICNIC

Arrangements are under way
for the holding of a picnic at
O. W. V. A. picnic ground the
middle of July and in all proba-
bly the site chosen will be on the
beautiful grounds bordering
Hastings Lake. The district
comprises five towns, namely
Stettler, Lamont, Bonanza/Cir-
cle and Alix. All returned men at
the district, whether members of
the organization or not, will be
invited to this picnic.

THE FIRST BLOOM

Much interest has centered
during the past week around a
cactus owned by Mrs. F. R. Milt-
bold which is now blossoming for
the first time in seven years. It
has a pure white, bell-shaped
bloom, is length about 8 inches,
and 4 inches across the mouth of
the bell. Two flowers have already
appeared and two more are on
the way, but strange to say,
they only last a day, but while
out are truly a marvel of beauty.

A CRUSHED LEG

Word was received on Thursday
from West Denmar, B. C., that
Mels Webster, who moved his
family to that town a few weeks
ago and had taken a position with
a lumber company, had one with
a severe accident, which his leg
was so badly crushed that he
will be unable to work for some
months. It appears there had
been a jam in the log shoot and
Mels was helping to break it when
the saw at the other end released
another timber which shooting
down caused the damage.

There will be an exhibit from
Alberta, at the empire exhibition
in London in 1924, it is announced
by Hon. George Healey. No
exhibiting will be done this year,
but preparations will be made for
the British exhibition.

WEDNESDAY HALF- HOLIDAY ENDORSED

COMMENCING JULY 11 STORES
WILL CLOSE AT 1 O'CLOCK
ON WEDNESDAYS

The regular monthly meeting of the Village Council on Monday evening proved a busy one.

All councillors were present. The business men were there for the purpose of discussing with the Board the half holiday question.

The request being made unanimously, it was decided to have Wednesday afternoon of each week during July and August as a half holiday, providing that when a public holiday falls during a week in this period, the Wednesday half holiday be not taken.

This sets the first half holiday on the 11th as Dominion Day, July the 1st, being a public holiday, will be observed on the 2nd (Monday).

The secretary was instructed to notify these acting licenses to the village for the current year, that if same is not paid by July 1st, 1935, the amounts will be handed in for collection.

The secretary was instructed to notify the public. Through the Free Press that papers must not be thrown on the streets and vended.

This step was taken as the result of a complaint from one of our rural citizens whose team was left weak frightened by a glass of paper and running away smashed portions of the wagon and horse.

Mr. George Bunn made application for a lease of the house property south of the C.N.B. for pasturing purposes and his offer of \$400 was accepted.

Accounts to the amount of \$64.4 were passed for payment. Meeting adjourned.

U. F. A. MEETINGS
The last two meetings of the local were held in the hall on the 10th May and 2nd June.

At the former Mr. Webb gave an address on his experiences in North America. It covered the ground from Beaulieu to Brown's Bay. He gave in factually and amusing account of business methods, social conditions and geographical surroundings and the audience was full of interest.

From time to time, a hearty vote of thanks was rendered him. A letter was read from the U. F. A. announcing their intention of calling a meeting in Alix to further discuss the U. F. A. & Live Stock Marketing Proposition, on the 20th June. The appointment of a delegate was postponed till the next meeting, June 10th, and the secretary was instructed to obtain a copy of the proposed constitution.

he called in June to hear speeches on poultry, hogs and other subjects, was left to the directors pending a reply to a letter sent to the Secretary.

The subject of twine was discussed and the secretary announced he had obtained a very favorable price from the U. G. G. Full information will be given at the next meeting.

The secretary was instructed to request the delegates to the Young People's Conference to be held at the University Hill to 19th, to give a report at the next meeting.

Next meeting will be held at 7.30 p. m. on Wednesday, June 10. Several matters of interest will be discussed. Come and hear them.

POSTMASTER JACK

At last the appointment of a new postmaster for Alix has been received. Mr. J. Brasher being the lucky applicant. We are sorry the Jack Tulett is leaving the office as his successor will not make nearly as handsome a place as the one in the hands of the late postmaster.

The Women's Guild of St. Paul's Church will serve tea and hold a sale of house cooking, on Saturday, June 10th, in the Women's Institute Rest Room.

READ THIS—The annual opening of a large sum of money on the sidewalks and they wish to inform the public that stock must be kept off our streets and that any person found driving or riding over the walks or streets at the crossings will be prosecuted.—By Order.

Don't forget the Alix Christmas tree sale.

ALBERTA WOMEN'S INSTITUTE

The annual gathering of the members of the Alberta Women's Institute has been in session at the University, Edmonton, this week. An idea of the scope of the work was gleaned from a report of Mrs. Jennie McMillan, president. In 1934 the total attendance at all short courses arranged throughout this medium was 5500, and the total attendance at short courses and lectures and demonstrations 15,000. 250 places were visited and 500 mailings held. Two short courses on foods and cookery and twelve demonstration lectures were given. The evening short courses numbered 50 and the demonstration

lectures 292. One hundred courses and six demonstration lectures on handicrafts were given.

July 1935
An example of still more extraordinary growth has been reported. A male salmon caught at Castle Creek on February 21, 1935, weighed sixteen pounds. It was marked by one of the tags used by the Board of Agriculture, bearing the number 1262, and captured in the water. On March 10th following, the same fish was recaptured at O'Neil's Island, five miles from Castle Creek, and it then weighed thirty-five pounds. The fish may have been in the water for one month and very days. The fact may seem incredible, but it is indisputable, having been established by a nasal certificate.

Simple and Sure—Dr. Thomas' Electric Oil is so simple in application that a child can understand the proper direction. It is safe and sure. The directions are so plain and unobscured that they are readily understood by young or old.

UNVEILING MARTIN MEMORIAL

When the unveiling of the Martin Memorial was held at the site of the battle of the Seven Oaks, the people of the city gathered in large numbers to witness the ceremony. The monument, which is a tribute to the memory of the late Sir John A. Macdonald, is a masterpiece of sculpture and architecture. It stands as a reminder of the great man's life and the role he played in the history of Canada. The unveiling ceremony was a grand affair, with many dignitaries in attendance. The people of the city were proud to have such a monument dedicated to one of their greatest leaders.

ITEMS OF INTEREST

Sunday School picnic today at the Alix Fair Grounds.

At a meeting of the vestry board of this parish held at Bladen last week it was decided to retain the services of Mr. Noble as rector for the next three months. Another meeting will be held at Bladen on the 24th.

Love is often the ally of a wise man and the victim of a fool.

On Saturday evening a social gathering took place at the home of Mr. and Mrs. G. D. Ditto to celebrate the birthday of Andy and the King. From 8 to midnight, the last first anniversary of Andy's birthday, were given. It is progressive in nature, with from 12 to 2 songs received. The honoree of the occasion, the company partaking of a birthday luncheon at 12 o'clock, arrived by the train. We were very glad to have George's presence for as one of the participants, we assure him that he missed a treat. Long life to 'em both.

From all appearances there are several ten-dollar bills in sight for our local drivers within the next couple of months.

Mrs. W. C. H. Lewis left last week on a visit to her home at Seattle.

Mr. Roling and Miss Eden of Camrose were week-end visitors in Alix and on their return home Monday were accompanied by Mrs. Roling and Master Kenneth, who have been visiting at the Pettis home.

Do not bore people by telling them long tedious stories or by continually dilating on your own affairs.

Mr. and Mrs. A. G. Ditto and family expect to leave shortly by auto to visit the former's parents at Seattle.

The Women's Institute have nominated arrangements for their annual picnic at the home of Mrs. Malcom on Hasted Lake. This season takes place around the 1st of July.

Variety may be the spice of life but industry is the meat and potatoes.

Allen, the little son of Dr. and Mrs. Jamieson, met with a fairly accident while in Edmonton with his gun last week. In a fall he broke his collar bone.

At their last meeting the members of the Odd Fellows lodge elected Rev. J. C. Lowry M. O. O. F. Younger V. G. and F. A. Strain secretary.

Fellows are not happy unless they are paying a month follow a big salary for working them.

Isn't it queer that the better looking our photograph in the less our friends think it resembles us?

The Sunday School Lesson for next Sunday is "Hosea, the Bold Builder."—Hosea 1:1-16. Golden text—"Be ye not afraid of them, remember the Lord."—Hosea 1:16. Altitudes last Sunday was 25 children and 9 adults.

COUNCILLOR McMillan of Division 5 HANDS IN HIS RESIGNATION ON SATURDAY R. G. LOWE OF STETTLETT SUCCEEDS G. McWHIRTER AS SECRETARY

The Municipal Council of the Municipal District of Lamerton No. 290 met at the Municipal Office in Alix on Saturday, June 9th, at 1.30 p. m. with all members present and Reeve D. M. Jewell in the chair.

The chairman first read the resignation of the Secretary. Mr. McMillan moved that the resignation be accepted with regret, on condition that the secretary stays on till the end of the month. — Carried.

This the secretary agreed to.

The minutes of the annual meeting held May 15th were read and were confirmed on a motion by Mr. Forth.

A letter was read containing the resignation of Dr. W. H. Macnab as Medical Officer of Health for the western divisions of the district. The resignation was accepted on a motion of Mr. Sherburne.

The secretary was instructed to write the Camrose Municipal Council with a view of obtaining an agreement to handle all litigation cases from this district.

The Hon. James Parley and Mr. B. Ainsworth, Engineer and District Inspector of Red Deer, attended the meeting with a view of discussing with the council road and bridge conditions in connection with the Government grant. Mr. Parley stated the Government grant to this district for the present year was \$706.00.

Mrs. Parley then referred to the services of the Public Health Nurses inaugurated by the late Government, and pointed out the great service they had given the public, and which services she considered of great value from a Public Health point of view.

Mrs. Parley further stated that as the service this year had had to be curtailed, many of these nurses were now leaving the Province; and that she had been requested by the Minister of Public Health to place these facts before the various councils of the Municipal District.

The approximate cost of a Public Health Nurse was \$2,500.00 per annum, of which the Government paid one half and one some could look after three Municipal Districts, therefore the other half of \$1,250.00 would be divided between three districts.

Other matters discussed were the appointments of Fisheries Inspectors, James Wardman and Fox Guardians.

Mr. Ainsworth then gave an hour-long session most interesting address on roads and bridges, leaving to the council the particular place of road on which to apply the Government grant.

The Secretary reported he had had a complaint from Mr. W. Kraft, that hoppers were in evidence on his farm and that he had communicated with Mr. Malloy, Red Deer, Inspector of this district.

On a motion by Mr. Sherburne it was resolved that the Reeve and the Secretary be given power to go ahead, if found necessary, and acquire the necessary material, house, and to hire an engine to start up the mill.

The secretary was instructed to write the Canadian Tugboat Co., Calgary, that delivery was refused and that the engine would remain at Millar until their expense.

At 6.15 p. m. general business was concluded with the receipt of the Council's decision to hear appeals against Wild Lands Tax Assessment.

Mr. Forth McGee appeared on his own behalf and claimed exemption from Wild Lands Tax on the R. W. and N. E. 27-28-29-30 on the grounds that same had been leased. The taxes were produced and read and in consequence the exemption was granted.

At 6.30 p. m. general business was again resumed.

Mr. E. Parley voted on the council and asked for the opening of the road between sections 21 and 25-30-33-4.

Mr. McMillan replied that he had made every attempt to have the road made open within Mr. E. H. Mason to have the break out so as to have the road made possible.

After having decided that the

THE ALIX FAIR

The officers and directors of the Agricultural Society are busy these days making final preparations for the Fair, which is no less than a week off. With an optimistic feeling in the air, engendered by the wonderful crop prospects, the directors are looking for a most successful exhibition this year, and expect a record number of entries in all classes.

The sports committee have completed a program for each day that will be snappy and afford ample entertainment for all.

On Thursday afternoon there will be a baseball game between the Beavans and Alix lady teams and a contest between Beavans and Alix juniors.

Friday will see horse races, quarter baseball between Beavans and Alix and good athletics.

Good horses have been put up for all events and keen competition is anticipated.

If you have not secured a prize list, secure a copy from the secretary and interesting exhibitors are requested to have their entries in early.

The Ladies Aid of the Presbytery Church will serve lunch both days of the Fair.

After the picture show on Friday (second Fair day) a dance will be held in the Royal Theatre.

See full list of sporting events elsewhere in this issue.

OLDS SCHOOL OF AGRICULTURE FIELD DAY

The School of Agriculture, Olds is holding a Farmer's Field Day on Friday, August 17. The object of the Field Day is to give farmers of Central Alberta and especially of the Olds district a chance to visit the station and get first hand information on the many lines of experimental work the station has under way.

The School Management would like all to come early and bring lunches. Coffee and tea will be served free. Visitors will be given a chance to inspect the crops and livestock. There will be addresses and discussions on various farm problems by leading agriculturists. Here the day takes the form of a picnic and visit friends and relatives and at the same time get some real information. Every body is cordially invited to attend.

Among the appointments in the July list Game we notice the name of C. H. Pissard as Game Inspector and Provincial Gamekeeper.

Jack Henderson left Thursday to help with the harvest in Saskatchewan.

Hand Presses returned on Saturday from spending the holidays at Len.

FORMER ALIX RESIDENT DIES AT SEATTLE

The death took place at Seattle, Wash., on June 21st, of a former resident of Alix in the person of Mr. Lorenzo Frederick, aged 75 years. Although he had been in poor health for more than a year he died some suddenly and unexpectedly.

Mr. Frederick moved from Chicago to Alberta in 1908, taking up land in the Center district. After several years residence here he moved to Seattle, Wash., for his health where he has since made his home.

The funeral services, which were held at the family home, Richmond Beach, were conducted by the Rev. J. H. Smith, of which deceased had been a member for 47 years.

Mr. Frederick is survived by his wife and five children, Mrs. J. H. Hamilton of Seattle and Miss Myrtle, Superintendent of the Washington Red Cross Hospital Training School, Chas. W. P. P. River, Alberta, and Raymond and Harry, of Seattle.

Willie Ferguson of Beavans is holidaying in Alix with his parents.

Mrs. H. Hamilton of Beavans is a visitor this week at the home of her mother, Mrs. J. H. Thompson.

Dr. McCormack, dentist, is paying regular visits to Alix. He will be here again from the 15th to the 18th.

We are glad to see Mr. J. Fisk on duty once more after a severe attack of quinsy.

The Union Bank is now geared with a new gold letter sign.

TREE PLANTING CAR WILL BE IN ALIX ON SATURDAY, AUGUST 18

The Canadian Forestry Association's "Tree Planting Car" specially equipped as a motion picture Auditorium will arrive in ALIX on SATURDAY, AUGUST 18th. The car is being sent through the West by the Association through the courtesy of the railway companies, and a group of people previous selection who defray all the expenses. The one and only object is to encourage the planting of trees so judiciously to prevent soil drifting, to conserve wind damage to standing crops, to help conserve moisture and to beautify the home surroundings.

Archibald Mitchell, the well-known western tree planting authority, assisted by A. G. Cook of Ottawa, will deliver lectures daily at 8 p.m. which will be illustrated by interesting motion pictures and stereoscopic views. All lectures will be held in the car which has been fitted out as a travelling theatre and carries its own generating plant and lighting system.

A hearty invitation is extended to every citizen to visit the car see the movies and hear Mr. Mitchell who will give a practical demonstration and explanation of what trees can do and have done in eradicating crop waste, and how the planting of trees on the prairie will help to eliminate the "bad years." It is a unique event that is attracting country-wide attention.

MUNICIPAL COUNCIL HOLDS BUSY SESSION

The Municipal Council of the Municipal District of Lacombe No. 206 met at the Municipal Office in Alix on Saturday, Aug. 12th at 2 p.m., with all members present and Reeve D. M. Jewell in the chair.

The minutes of the previous meeting were read and approved on motion by Mr. Tallman.

No letting of contract for grading on Conqueror Park's division the committee reported that no contract had been awarded.

A recommendation by the committee looking over the M. E. 23-41-54 was accepted.

The secretary was instructed to write the Canadian National Railway asking them to hear up crossing on No. 8.

An application for a restaurant license from Mr. J. H. Favort at Nevis was recommended on motion by Mr. Olson.

The secretary was instructed to write the Canadian Pacific Railway in regard to the condition of the subway between 23 and 23-41-54, owing to the washing down at dirt on the crossing.

On motion of Mr. Fouché it was agreed that the council build a subway at Mr. Henry's, N.W. 17-41-54.

A letter from Inspector Alsworth was read, requesting the council to give a list of the bridges for the year 1934 desired by the council and it was decided to send in the following—

Dir. 1 35 and 36 80-23-4
2 Sand 17 80-23-4
3 Sand 36 80-24-4
4 Sand 6 41-23-4
5 21 40-23-4

Mr. Tallman requested that a letter be written the Department of Public Works for the consideration of the old survey on 5 and 8 20-23-4.

On motion of Mr. McDonald the secretary was instructed to write Mr. J. H. Macdon, Superintendent Canadian National Railway, Edmonton, in regard to the having a well 17-41-54 at the stock yards at Alix, stating that owing to the increased shipments of stock at that point, and also to the large amount of stock in transit that have to be watered and fed is absolutely necessary to have better facilities for watering same.

A letter was read from Mr. W. J. Nepehan of the Department of Agriculture in regard to the complaint of swine waste and the secretary was instructed to write the Department that the council had not appointed any Wood Inspectors this year but were (Continued on page 2)

Accidents in London Traffic

More Killed By Automobile Than At Any Other Time In History
More persons are killed by traffic accidents in the streets of London in a year than passengers on the steam railways in Great Britain in a year. During the last year 1,000 persons in London were killed by automobiles and motor trucks, 25 by motor cars, 10 by motor cycles, and 12 by motor buses.

A large number of accidents occur at congested points, such as Piccadilly Circus, Oxford Circus, the Bank, where traffic is constantly changing, and where the vehicles take place more frequently in a single direction than in the other direction, where motor drivers are in and out of the street in a constant stream, and where, particularly children, are in the way of the moving traffic.

New Freight Rates On Butter

Rate Paid on Van Lets From Rural Points

New freight rates on small quantities of butter from rural points in preference to Wharfedale and other areas, were put into effect by the railways on May 15. The new rates, which approximate a reduction of one-half of the rate paid before, are to be applied to quantities of not less than 1,000 pounds provided it is shipped from the nearest point within six miles.

ITEMS OF INTEREST

The farmers are busy with the blinder and the 1933 crop is rapidly being put in the stock.

Mr. Wm. Loughbridge of Lias Creek, B. C., has been for the past week a visitor among his many old Alix friends.

Mr. and Mrs. Norman Finch of Edmonton were week and visitors in town.

Among the successful students who wrote the Grade VIII exams at the Alix school we note the names of the following:

Helio Antonia, Elsie Brown, Myrie Ross, Viola Tompler, Hazel Benham, and Alex Hartall.

BORN—At Alix on August 17, Mr. and Mrs. L. E. Becker, a daughter.

BORN—At Alix on August 17, to Mr. and Mrs. McNeil of near Stettin a son.

W. H. Mitchell left on Saturday for Vancouver to join Mrs. Mitchell, who has been visiting there for some time, and accompany her home.

The shooting season is drawing closer and appearance point to heaps of sport both for duck and chicken. The duck season opens on September 15th. Hungarian partridge October 1st and Prairie chicken October 15th. Lions, etc are now on sale at the office of The Alix Free Press.

Mr. and Mrs. W. L. Pettit and family left by auto on Tuesday morning to visit for a few days with friends near Vermillion.

The pianists and decorators have been busy the past week on the Government Telephone Office.

The Ladies' Aid of the Presbyterian church wish to thank all those who contributed and helped at the booth on Fair Days.

Proceeds \$95 66
Expenses \$7 28
Balance \$88 38

Miss Elizabeth Cunningham of Calgary is holidaying with Miss Jean, Stephens.

Mrs. W. H. R. Smith of Elizora has been a guest for the past week of Miss Patricia.

Mr. J. O. Leggy returns to Alix today (Friday) from holidaying at Provost and on Monday will spend some time at Carleton Place.

The basketball girls will move off on their tour to the Institute Room on Saturday, Aug. 25th.

At the Ripley school last summer came there were five writers for Grade VIII and all were successful, namely: Marjorie Mann, Barry Brindley, Ethel Olson, Grace Carr and Esther Olson.

Miss E. M. Wright of Red Deer is the teacher at Carroll school for the fall term.

It is now intended in a Corling and Shilling Risk to be held from Sept. 1st to 10th. We want to connect work inside a few weeks.

ALIX 16TH ANNUAL FAIR ONE OF THE BEST

The Alix Agricultural Society seems to possess a faculty of slipping in between adverse conditions and the 1933 Annual Fair was no exception to this rule. Both days were greeted with the best of weather and a good attendance. The exhibits in the stock cages were perhaps the best ever brought out and in the hall the showing of vegetables, grains and crockery and flowers were a grand sight. The ladies work and domestic products were not so numerous as last year but each item was well worthy of a prize. The total entries were as follows: Hares 20; Cattle 41; Hogs 18; Sheep 24; Poultry 49; Dairy 11; Vegetables 20; Grains and Grasses 25; Ladies' Work 18; Children's Work 25; Flowers 65; Domestic 96.

Thursday's sports were the best day's sports ever put up by the society. The ladies' basketball between Benhaw and Alford resulted in a win for the latter by a 9-3 score. In the basketball Cive trimmed Benhaw by a 19-14 score and Alx defeated the winners 21-15.

The basketball game between the Benhaw and Alx Intermediates proved a keen contest and a very good game, resulting in a win for Alx by a 9-8 score.

The Friday Horse Show and basketball filled the afternoon. Free-for-all—A. J. Ray; Relay race—Floyd Cochrane; Pony race—B. Griffin; Potato race—J. Russell; High-up race—Otto Anderson; Ladies' race—Audrey Mann; Farmers' Saddle—E. W. Thompson.

The basketball game score was Benhaw 18; Alx 16.

Intensive Campaign For Wheat Pool Dismissal

What I Learned By Sask. Grain Growers

[illegible]

They, therefore, will have to pay their share in due time," the paper states. The International Communist League's first preliminary organizational obligations have already included its goal to "overcome the economic crisis" and "to add human value to victory for their nationalism which the Communist movement in the world has rejected and will for ever reject."

The United States "is being kept in the dark" as to Communist activities in the United States, the paper charges. It says that the League is sending the signals to Lashinsky and the money that in 1933 Turkey was a "capitalist country" which the League is "helping."

Edgemoor Mayor Pled Cling on This Sporting Practice

Edgemoor. — No more whiffs of ice will be allowed in the city under any conditions, is the edict now being issued by the city council.

Whiffs were allowed over the enclosure "A" street of the fair and were run here, but the Mayor declares that he will not responsible for the whiffs being run here, as the practice here is on the other fair on the circuit and the ruling against whiffs of revenue to the Government.

Create New Judicial Districts
Regina.—Two new judicial districts have been created in Saskatchewan as undermentioned having been passed, viz: H. A. Cron, Attorney General.

There are created the Maple River and Lander districts and will have their centres at Lloydminster and respectively.

Withdraw Troops
Klugeon, Ont.—The troops are being withdrawn from Sydney, N.B., as a consequence of the settlement of the Canadian Government's claim for Horse Artillery and drags from parkwood horse walls left on Tuesday for this city.

Amateur's Musical

[illegible]

Mr. Lloyd George

Bristol, Eng.—Former Premier Lloyd George made a fierce attack on H. Poulton, the Plover's founder, in a speech here. He objected to H. Poulton's habit of making speeches on Sunday, which, he pointed out, was a day consecrated to preaching and charity. He said that Poulton was a devotee of "clashed herring, spivv, champagne and sugar and the cinema."

According to past experience, Mr. Lloyd George said:

"I did not talk out with H. Poulton, but it was very different. Mr. Deane Lave also found it quite impossible to work with him."

Policemen of "viciously deflating" the speeches, and expressed the hope that the British efforts toward peace would not be converted into more fuel for further devastating and scorching flames, which burn up the peace, prosperity, progress and happiness of mankind." —N.Y.

ITEMS OF INTEREST

Miss Audrey Mason left this
week to attend Cambridge Normal.

No more Wednesday night hold-
ings for 1922, they came to an end
with the last of August.

Eliza Hattell lost a blue enamel
cup with the figure of Dutch
boy and girl on it, at the picnic
held at Miss Maline some time
ago. This is a keepsake and she
would like it returned.

Mr. Henslowing, the old re-
liable optician, will be at the
Imperial Hotel, Alix, on Sept.
11th and 12th. He claims and you
will see well. Charges moderate.

Monday next, 11th September 2nd, is
"Labor Day" and a public holiday.
All places of business will be
closed.

Mr. Bluest and children have
returned from a three weeks
holiday with her sister at Prince
Albert.

Mr. George Bluest left on
Monday to take charge of an al-
evator at Telford.

The shooting season is drawing
close, and appearances point to
hopes of sport both for duck and
chicken. The duck season opens
on September 15th. Haregates
partridge October 1st and Pheas-
ants October 15th. Lions
are now on sale at the office
of The Alix Free Press.

The Sunday School will be re-
sumed next Sunday, Sept. 24, at
9 p.m. The lesson is "Paul the
Apostle" Acts 13, 14. Philippi-
ans 3:7-14. Golden text: "I
press on toward the mark for the
prize of the high calling of God
in Christ Jesus."—Philippians 3:14.

Mr. A. E. Moore and son of
Hordage have been guests for
the past week at the home of Mr.
J. W. Keast.

Mr. G. Dunn, who has been
working in Calgary since June
returned on Friday to take part
in the harvest and look after his
own crop.

Mrs. A. Moore, who has been
in the Coronation hospital for the
past six weeks, where she under-
went an operation, returned to
her family on Monday.

Miss Dorothy and Edwin
Dunn returned on Sunday from
holidaying for a week at Redwood
Beds.

Mr. J. W. Scott and Miss
Eliza Scott have returned from
their two days' visit at Edmonton.

Miss Irene Wagner of Calgary
is visiting for a few days at the
home of Miss Dorothy Foster.

Mr. and Mrs. W. L. Patten
and family returned on Tuesday
from a two days' holiday with
Verdilion friends.

Mr. W. Keast was a handsome
visitor to Calgary this week.

The farmer is the busy man
today. On every side he hears
the farmer's music and every-
thing points to a beautiful har-
vest. The tractors are working
with the surprise of their time
and not a few will run shy of the
harvesting shire so it will take
many more fifty per cent more
than the figures on.

ALIX PARENT-TEACHERS ASSOCIATION

The ladies of Alix and district
met at the school on Saturday
September 1st, and organized a
"Parent-Teachers Association of
Alix Commenced School." The
Officers were elected for six months:

Pres. President—Mr. McLean
President—Mrs. J. Finch
Parent Vice-President—Mrs.
M. Stephens

Teacher 1st Vice—Miss Jeffrey
Teacher 2nd Vice—Miss Thompson

Sec. Treas.—Mrs. E. C. Dittie
Inspection Committee—
Jennifer room—Mrs. Bais
Internationale—Mrs. H. Page
Singer—Mrs. H. Anderson

Membership Committee—
Madeline Sargent, Thompson,
Martell, Rennie and Murray

The object of the association is
to cooperate with the teachers in
all matters relating to the child's
welfare in his physical, mental,
social and spiritual development.

They have organized solely for the
benefit of the child. It is not a
social, nor commercial, or fraternal
society where the ordinary kinds
of entertainment or money making
scheme may be carried on,

but a body to consider all matters
of welfare to the school.

Everyone is asked to join who
they have a child in school, and
any race, creed or religion.

Next meeting in the school at
9 p. m. sharp on Saturday, Sept.
15th. All are cordially invited.

DUCK SEASON

The hunting season for ducks
and geese will open (this year) on
September 15th. The bag limit is
30 per day or 300 for the season.
The season for prairie chickens
and quail is from October 15
to October 31.

H. Short Hare, Registered Optician
and Optician, will be at the
Imperial Hotel on Wednesday
September 13th, to correct defects
in vision and to do optical repairs.
Next visit to Alix will be
on Wednesday, October 18th.

A POINTER

And it came to pass after he had
served his goods there came
unto him great multitudes from
all regions round about and did
tear of him. And when his com-
patriots saw it they marvelled
and said unto him saying, "How
is it that thou canst be busy while
we have to loaf about our doors?"
And he spoke unto them saying
"Verily, verily, I say unto you,
in this last age of peace and quiet
it is easier for a camel to enter
the eye of a needle than for a
wealthy man to flourish without
advertising."

MANY HAPPY RETURNS

A very pleasant afternoon was
spent at the home of Mrs. E.
Pears on Tuesday, when a number
of her lady friends formed a sur-
prise party to extend congratulations
on her birthday. A delicate
luncheon was served and the lady
of the house was presented with a
china whipped cream set. It
was a pleasant gathering.

ALBERTA BUTTER IN FRONT RANK

Creamery butter made in Alberta
took a total of 149 prizes out
of 230 offered, or 65 per cent, at
exhibitions at Edmonton, Calgary,
Regina, Brandon, Saskatoon and
Vancouver this year. Of 60 first
prizes, Alberta took 38, of 74
seconds it took 54, of 108 thirds it
took 53, of 4 fourths it took 3, and
of 8 fifths it took 1.

Out of 11 open championships
offered, Alberta butter took 5. In
the Calgary exhibition 6 provinces
competed, in three other fair
provinces competed and in two
others three provinces competed.

SCHOOL FAIRNS START

The coming week will see the
commencement of school fairs in
the Province. About 150 will be
held this year, which is an in-
crease of between 10 and 20 over
last year.

A JOINT MEETING

On Saturday, Sept. 9th at 8.30
p. m. Miss McMillan of the Re-
sistance Department will address
a joint meeting of the U. F. W.
and W. I. at the U. F. A. hall.
All ladies invited.

MUNICIPAL COUNCIL MINUTS

The council of the Municipal District of Lamerton No. 298 met at the Municipal Office in Alix on Saturday, September 14th, at 1 p. m.

Present were Messrs. D. M. Jewell, C. E. Tallman, H. C. Shurbrass, H. G. Olson and Fred McDonald, with Mr. Jewell in the chair.

The minutes of the council meeting held August 11th were read and were confirmed on a motion by Mr. Tallman.

Re condition of subway at mile 30 C.P.R., the secretary on a motion by Mr. Olson was instructed to again write Mr. Jamieson, Superintendent Canadian Pacific Railway, Edmonton, stating that while the subway referred to was not impossible it was impossible to get a bridge through and that several complaints had been made recently on that account and suggesting that something be done to remedy this condition.

A letter was read from Mr. E. H. Fry, secretary of District D. D. No. 1418 in regard to removal of school 1336 in that district, and the secretary was instructed to reply that the council was unable to suggest anything that could be done other than that provided for in the act.

A letter from Minor, Matheson Carr & Dalen is read to Mirror Consolidated School District and the Grand Trunk Development Co. stating that they were preparing for an application to the Public Utilities Board for cancellation of Plan 4350-A. L. and 5000-A. K. and the secretary was instructed to reply to the letter suggesting the selling or leasing of all surplus concerned in the matter.

The secretary was instructed to write the General Hospital authorities in regard to contract for care of all indigent cases from the Municipality.

On motion of Mr. Tallman the secretary was instructed to address the Mirror Journal and The Alix Free Press in regard to all indigent cases that the Municipal District of Lamerton No. 298 would not be responsible for cost of medical attention, etc., other than that given by the regularly appointed health officers of the Municipality.

Permanently authorized to Mr. Thomas Temple of the sum of \$10.00 for road division H. E. 1-10-35-4.

On motion of Mr. Tallman a number of bills were passed for payment.

The council requested that notice be made in the minutes that the balance to the credit or otherwise of the various divisions was according to the statement reduced out as at Aug. 11th.

Meeting adjourned at 6 p. m.
H. G. Lewis, Sec.-Treas.

TO BE MORE EFFICIENT

The Henshaw Coal Company have purchased all the machinery in one of the mines at Assley and on Tuesday Morn. Russell and Danson left to superintend the removal and transfer of the outfit across the river. When the installation is complete the mine will be one of the best equipped on the river.

A number have commenced harvesting their garden truck.

Wanted

"What Does Canada Need?" was asked by Arthur Meighen, leader of the Conservative party in the Dominion houses at a gathering in Winnipeg one night last week. Then he went on with a whole lot of talk on tax questions with which he heartily agreed, but he failed to reveal what he thinks is most important of all our needs which is a closer trade relationship between the East and West. It is all very well to talk of taxation, and at the same time send our money out of the country for it will not be taken. We have received some last season a further batch of letters from Ontario enquiring for Coal, Coal and more Coal. If a Dominion Government are going to create a better feeling throughout the country, and at the same time give us the where-with-all to pay the tax, they can do so by cutting a 7¢ rise on our coal which will—

- 1—Give employment to thousands of men in the Coal Fields of Alberta.
- 2—Distribute thousands of dollars in the West with which the Merchant can pay the Wholesaler and the Wholesaler the Restorer Manufacturer.
- 3—Eliminate that feeling now prevalent throughout the West that we are not really essential to the East.
- 4—Help actively in legislation, by helping to provide employment for the unemployed.

As we said before, a government that will do this, will not only cement its peoples, but will materially benefit when last they ask for their confidence.

All Roads Built and Maintained By Government In Future in Quebec

Premier Taschereau, of Quebec, made public an interesting state report last week. He was dealing with the financial position of his province. He said that the revenue of Quebec was now so buoyant and certain that in future the government would not only carry on its extensive programme of road construction, but would also maintain the roads in good condition after they were built.

He said it would no longer be necessary to make a special levy for road building, as it would be necessary to ask the municipalities to spend money to keep the roads up.

In addition, he declared, there was no much more money being kept in good state of repair after they were constructed.

So the government proposed doing the whole thing, asking for nothing from the towns. From the people living along the roads.

Premier Taschereau said that this

Payments of the Provincial mineral tax are coming in slowly to the Department of Mineral Affairs. This tax was put into effect last April and is a tax of five cents on mineral lands, including oil lands. The C.P.R., which has large holdings of this class, has appealed to the Federal Government to disallow the legislation, and the Alberta Govt. has taken steps to combat this appeal.

A party of seven, British editors are to visit the Province during the coming week, in charge of officials of the G.P.R.

policy was made possible because the province is now getting the revenue that formerly went to boot-leggers and saloons.

At the same time, the government, by controlling all sale of liquor itself, had abolished the bar, had practically killed the business of boot-legging, had reduced drunkenness to a minimum, had placed beer within the reach of the poor man instead of giving the drinking of liquor to the rich, and had secured the sale of alcoholic liquor, guaranteed liquor to those who bought it.

In other words, the method of government control and sale produced true moderation, and the revenues of the province were buoyant, instead of the little dealer.

That's something to think about especially when we in this province ponder over the revenue tightness here and the abundant and heavy taxation of the province as heavier taxation when something is done to keep it down.

You can't always tell what will happen. For instance here is the story of a man who determined to commit suicide. He went to the store and bought a rope, a man of all, a box of matches, a dose of arsenic and a revolver. He went down to a river and pushed his boat from the shore and paddled to where a fish hang over the stream. He got up to the bow of the boat and tied one end of the rope around the knob and of the rope around the knob and the other around his neck, retrieved his clothing with one end and tied it to the handle of the boat, put the handle of the revolver to his head and fired. But the bullet glanced and he fell into the river above him and he fell into the river getting out the fire; he struggled and struggled up the stream, carried out of the water, walked back to town and declared himself a candidate for the next legislature on the reform ticket.

Judge A. A. Carpenter, chairman of the public utilities board of the province, has been appointed chairman of the minimum wage board to succeed Mr. A. G. Browning, who has gone to Ontario.

"What Does Canada Need?" was asked by Arthur
Mighan, leader of the Conservative party in the Dominion house,
at a gathering in Winnipeg one night last week. Then he gave us
with a whole lot of talk on his question which we heartily
agree, but he failed to voice what we think is most important of all
our needs which is a closer trade relationship between the West
and East. It is all very well to talk of taxation, and at the same
time send our money out of the country, for it will not do. We
have received since our last issue a further batch of letters from
Ontario inquiring for Coal, Coal and more Coal. If the Dominion
Government is going to create a better feeling throughout the
country, and at the same time give us the share which is due to pay
the tax, they can do so by setting a \$7 rate on our coal which will
1—Give employment to thousands of men in the Coal Fields of
Alberta.

2—Distribute thousands of dollars in the West with which the
Merchant can pay the Wholesaler and the Wholesaler the
Retailer Manufacturer.

3—Eliminate that feeling now prevalent throughout the West
that we are not really essential to the East.

4—Help materially in immigration, by helping to provide an
employment for the immigrants.

As we said before, a government that will do this, will not only
benefit its people, but will materially benefit when sent they ask
for their confidence.

All Roads Built and Maintained By Government In Future in Quebec

Premier Tannock, of Quebec,
made public an interesting state-
ment a short time ago. He was
dealing with the financial position
of his province. He said that the
revenue of Quebec was now as
high as it ever has been, and
that the government would not
only carry on its extensive pro-
gramme of road construction, but
would also maintain the roads in
good condition after they were
built.

He said it would no longer be
necessary to ask the farmer to pay
taxes for road building, nor would
it be necessary to ask the munici-
palities to spend money to keep
the roads up.

In addition, he declared, there
was not much sense putting money
into roads when they were
kept in good state of repair after
they were constructed.

So the government proposed
doing the whole thing, asking for
nothing more from the farmer,
and the people living along the roads.

Premier Tannock said that this
policy was made possible because
the province is now getting the
revenue that formerly went to
boot-luggers and others.

At the same time, the govern-
ment, by controlling all sale of
liquor itself, had abolished the
bar, had practically killed the
business of boot-lugging, had re-
duced drunkenness to a minimum
and had placed beer within the reach
of the poor man instead of con-
fined the drinking of liquor to
the rich, and had secured the sale
of chemically pure, guaranteed
liquor to those who bought it.

In other words, the method of
government control and sale pro-
duced true moderation, and the
revenue of the province was
benefitting, instead of the little
dealer.

That is something to think about,
especially when we in this province
ponder over the revenue tightness
here and the constant and heavy
taxation—with the promise of
heavier taxation unless something
is done to keep it down.

You can't always tell what will
happen. For instance here is the
story of a man who determined to
commit suicide. He went to the
store and bought a rope, a can of
oil, a box of matches, a dose
of arsenic and a revolver. He went
down to a river and pushed his
boat from the shore and pulled
to where a fish hung over the
stream. He got up in the bow of
the boat and tied one end of the
rope around the fish and the
other around his neck, saturated
his clothing with oil and ig-
nited his clothing, took the dose
of arsenic, put the muzzle of the
revolver in his hand and fired. But
the bullet glanced and set the
rope above him and he fell into
the water, putting out the fire, he
struggled and struggled up the
stream, crawled out of the water
walked back to town and handed
himself a certificate for the next
legislature on the reform club.

Judge A. A. Carpenter, chair-
man of the public utilities board
of the province, has been ap-
pointed chairman of the minimum
wage board to succeed Mr. A. G.
Riverview, who has gone to
Ontario.

NEW CHECK TAX STAMPS ARE NOW AVAILABLE

Montreal—The new excise stamps to be used for cigarettes and bills of exchange after October 1st are available. They are of bright shade of blue with the figure "2" or "4" or other denominations in bold lettering. The post office will not handle these stamps which are obtainable at the offices of the department of inland revenue in the various cities throughout the country. The banks however will supply for most individuals and business firms.

TOUSIST TRAVEL HEAVY

Probably in no other year is its history has tourist travel to Alberta been so heavy as this year, and as even heavier year is anticipated for 1939. The Canadian National Railway reports the heaviest year in tourist traffic in its history, many hundreds having visited Jasper Park. The C. N. R. convey similar information, and the reports of auto traffic show that this has also been very heavy. Nearly 5,000 cars, many of them from United States points, have been registered at Banff Park alone up to the end of August.

THANKSGIVING DAY MONDAY, NOV. 12

Ottawa, Sept. 17—Thanksgiving Day will fall on Monday, the 11th November. The law provides that Thanksgiving Day will be on the Monday of the week in which Armistice Day falls. Sunday, the 11th of November, being Armistice Day, the following day will be Thanksgiving Day, both days being celebrated in one.

TAPS ON PARCELS OFTEN CAUSE LOSS

The postmaster general at Ottawa claims to call the attention of the general public to the fact that the use of address tags on parcels is a frequent source of loss of mail matter, owing to the tags becoming detached in course of post.

The proper method of addressing is to write the address on the cover of the package itself, and in addition, it is advisable to repeat the address on the inside of the package, so that if by chance the cover happens to be damaged, an examination of the article will disclose for whom it is intended. It is therefore desired, in the interests of all concerned, that when preparing packages for mailing, the sender will please remember to write the address on the cover.

RULES AND REGULATIONS OF THE PARENT-TEACHERS ASSOCIATION

Saturday afternoon last the Parent Teachers' Association held another meeting which was well attended.

On motion it was decided to hold regular meetings on the 1st and 3rd Saturdays at 3 p. m.

The following rules and regulations as drafted by executive were adopted:

1.—The name shall be the Parent Teachers' Association of Alix Consolidated School.

2.—The aim of the club shall be to co-operate with the teachers in all matters relating to the child's welfare in his physical, mental, moral and spiritual development and at times to have entertainment and leisure for the club.

3.—The officers of the club shall be: Hon. President, President, Parent Vice President, Teachers 1st & 2nd Vice Presidents, Three Parent Representatives and a Secretary Treasurer. There shall also be three standing committees: namely: Programme Committee, Membership Committee and Social Committee. The duty of the Parent Representatives shall be to act as representatives for their respective rooms and report any complaints from either teacher or parent to the executive for consideration. The duty of the programme committee shall be to furnish some programme each meeting in month. The duty of the membership committee shall be to bring in new members and set or reception committees for new members or visitors and look

after delinquent members. The duty of the sick committee shall be to visit and report on any sick child or member.

4.—The officers of the club shall be elected for one year.

5.—The executive shall be for anyone interested in child welfare on payment of a fee of fifty cents per term.

6.—The annual meeting for the election of officers shall be on the first meeting in the year.

7.—Regular meetings shall be held on the 1st and 3rd Saturdays of each month at 3 p. m.

8.—The executive shall be composed of the officers, the parent representatives and one member of all standing committees.

9.—Special meetings may be held at the call of the president and one or more members of the executive.

10.—Ten or more members present at a meeting shall constitute a quorum.

11.—Parliamentary rules (standard) shall govern the meetings in matters of speaking, motions, amendments, voting, meeting notes, etc.

12.—Consensus of the standing committees shall be adopted annually.

13.—Vacancies occurring in any of the elective office shall be filled by an election as soon as possible after its occurrence.

14.—Absence of any officer from three consecutive meetings without reasonable excuse will constitute a vacancy.

15.—All accounts be audited annually by a committee appointed by the executive one month before the annual meeting.

16.—Amendments to these rules and regulations may be made at any annual meeting by a majority vote of the meeting, notice of such intended change having been previously given.

Up to date there are sixteen paid up members and we would like to see the membership increase rapidly as there is much in view for the benefit of the children.

Next meeting October 6th at 3 o'clock.

THREASHERS LICENSES

Those threshers in the province who have not yet renewed their licenses for the year, should send in applications at once to the Department of Agriculture at Edmonton. It is imperative that all threshers be licensed, and those who do not display their licenses when asked to do so by authorities are liable to prosecution.

An accident occurred at Mr. O. C. McDermott's on Wednesday last. A cellar was being enlarged and a large boulder bounding dismounted rolled onto a price Richards engine. We are sorry that Mr. Richards' engine was damaged.

Another rumour: Get rid of the dime and the dollar will get rid of themselves.

UNION SUNDAY SCHOOL RALLY DAY SERVICE

The Annual Rally Day Service of the Union Sunday School will be held on Sunday next, Sept. 26th, at 2 p.m., and it is hoped that everyone interested in the work of the Sunday School will be present. A special program has been arranged and a male quartet will appear in the musical part of the program.

CONFISCATION OF LAND FOR TAXES

In connection with the assessment two weeks ago by the provincial department of municipal affairs would defer action in taking possession of lands for arrears of taxes until December 1st, and was advising municipal councils to do the same, there is apparently a wrong impression existing that the government had passed an order extending the time for redemption of these lands. This is not the case. The government in respect of lands over which it has jurisdiction, is merely deferring action towards taking possession of the lands until December 1st and is recommending to municipal councils that they do likewise. Whether similar action is taken in the various municipalities, is entirely a matter for the municipal councils to decide.

EXTEND SPECIAL RATE ON COAL

An extension of the special rate on Alberta coal to Ontario, covering 10,000 tons, has been made by the U. N. R. on condition that the shipment be made before October 31. The orders for this coal are being handled by the Ontario Government and it is understood that the bulk of the 10,000 tons is now under order. It has been announced that the regular freight rate of \$12.70 ton will go into effect again during the grain movement, but it is expected that following the grain movement, the C. N. R. will offer to put into effect a rate of \$9 a ton. Great demand for Alberta coal is being recorded from many Ontario points.

E. H. Malouin, for many years chairman of the municipal hall board of the Province, has been elected to the position of coroner of M.-H. health.

Rev. George Howland, minister of agriculture, last week arranged for a special shooting to commemorate the Prince of Wales and his party at the E. P. ranch, which gives permission for the shooting of shales and getting before the season opens on the 13th October.

DIED ON TUESDAY

Much sympathy is felt for Mr. and Mrs. W. Lawton in the loss of their eight-year-old daughter, Frieda Elzard, on Tuesday, 25th September. The little one took sick on Monday and when the doctor was called next morning he advised taking her to Lacombe to be treated and she passed away the same afternoon at 4 p.m. The funeral took place on Wednesday afternoon from the residence of Mrs. Lawton's parents, Mr. and Mrs. V. W. Ruppert, to the Stone cemetery, the service being conducted by Rev. Liah of Bayan.

THE O.S.A. SOON TO OPEN FOR TENTH YEAR

Opening of the 1925-26 term of the O.S.A. School of Agriculture at O.S.A. Alix, will take place on October 20th. The term closes next spring on March 20th. The farmers of this district will be well acquainted with the excellent courses in agriculture and domestic science given at the school at Alix. The courses given free to girls and boys from the farms, over 16 years of age, are of a most practical nature and calculated to aid the students for their future life on the farm, and for their responsibility as citizens in their respective communities.

No requirements are of the students on entering these courses save the ability to read and write and to make use of what they learn. The course is of two years duration, terms of five months each, so arranged as to be most convenient for the sons and daughters of farmers. The course in agriculture lays particular emphasis on animal husbandry, field husbandry and farm mechanics, including practices in gas engineering, blacksmithing and carpentry. There is also instruction in agriculture, physics, bacteriology, chemistry, farm management and bookkeeping, mathematics and English. Entomology and botany are also taught.

The two-year course in domestic science affords opportunity for the young women of the Province to train in economic management of the home. Both courses lay the foundation for most advanced study if the students wish to take it.

A well equipped dormitory for the women students is maintained under school management, where board and room may be had at \$2 a month. Most students may obtain board and room at \$7 a week. Those wishing information may obtain it by writing the Principal of the O.S.A. School or the Department of Agriculture at Edmonton.

TENTH SEMI-MONTHLY CROP REPORT

Issued by Department of Agriculture, Edmonton, Saturday September 20th, 1930

Harvesting of Alberta's winter crop is completed and threshing is well under way, in practically all districts, with 50 per cent. finished in the southern part of the province. Cutting of oats has been finished and a greater part of the green feed has been cut.

Rain which came during the week of the 17th, accompanied by cold weather, tended to heavy, wet soil in the northern district and throughout the western half of the Province, lodging what grain and greenfeed that was left standing. The snow was followed by frost on the 21st which damaged late grain, greenfeed, corn and sweetfeed somewhat, but did practically no damage to wheat save a reduction in grade in some localities. The storm caused delay in threshing operations, but fine, warm weather is now prevailing, the grain has dried out well, and threshing is proceeding under favorable conditions.

Wheat generally speaking is showing high and yielding remarkably well. Many heavy individual yields are being obtained, and all threshing reports to date indicate that all of the official estimates on the probable average yield have been too low.

The work of filling silos is now well advanced. There has been a considerable increase this season in the number of silos and in the storage in grain crops.

THE RED CROSS DRIVE

The Red Cross campaign for funds starts off this week with an appeal to all farmers who are grain growers for a donation of grain. This will be counted as membership contribution to the weekly sale of the monthly raised REX will be spent in our own Province and 15% given for Japanese relief.

In Alberta there is no service given by the Red Cross which makes a more direct appeal than the Rural Hospital and Nursing service. It is of incalculable value to the settler in outlying districts.

Each part of the Province where the Government has not been able to establish Nursing service, the Red Cross has established seven Rural Hospitals, or Nursing Dispensaries, and has maintained District Farms. In many cases patients far removed from hospital service.

One hospital in the far north is attended one hundred miles from town. Without the Red Cross there would be no provision for the care of the sick and weak

suffering and hardship would be endured by the settlers. Full information will be found in their report on page 6.

President Tery of the University of Alberta, has declined an offer of the chairmanship of the Canadian Scientific Research Council and will remain as head of the Alberta University.

Logging operations will be brisk in the north this year, one company, the West Coast Lumber Company, laying plans to cut 30 million feet. They cut 10 million feet this year. This company operates at Edmonton one of the most modern lumber mills in Canada.

It is said Henry Ford doesn't know the actual amount of money he made in the past year, but from the large number of Lincoln touring around we gather that his business showed a profit.

BRIDE-TO-BE SHOWERED

On Tuesday afternoon (yesterday) five members of the Women's Institute congregated at the home of Mrs. E. Pears with Miss B. Finlayson as their guest. After a social hour Barbara was showered with a miscellaneous collection of articles which will be useful to her when in a few days she takes upon herself the duties of housekeeping. A dainty tea served by the hostess brought to a close a very pleasant affair.

SNIPERS AT WORK

A few days ago a thief or thieves made a tour of the district east of town and got away with a quantity of goods from various farm buildings including separator parts, harness, tools, etc.

Mr. Knudsen wishes to inform the "lifer" that he has purchased a new separator for the episode on his separator and as the old one worked better. If the thief will return the parts he separated from his separator he can have the same separator piece in exchange. Among others who have suffered through pilfering are Mr. E. Hunter and E. Griffin harness and the Company (Thompson) from whose machines all the tools were lifted.

STOCK IMPROVEMENT

Last week Mr. W. Farley visited from the Experimental Farm at Lacombe four pastured Yorkshire cows. It is his intention to get extensively into the raising of this breed of cows as he believes there is money in raising only the best.

INCREASE IN USE OF SEPARATORS

Indications of a considerable increase in the number of separating machines being used this season in the province in comparison with last year, is given in the number of licenses registered. To date approximately 4,000 licenses have been issued in comparison with 3,700 last year. and registrations are still coming in. Owners of separators who have not yet registered are urged to send in their registration fee of \$1.00 as soon as possible. They are also asked to send in their returns of threshing as soon as completed.

Shipment of Instructions to Separating Officers in preparation for the playoffs in the Upper division on November 15th, was practically completed this week by John D. Hunt, clerk of the executive council.

GRAIN EXHIBITS

FOR CHICAGO

Assembling of grain exhibits from farmers of the Province, who intend to enter at the International Hay and Grain Show in Chicago in December, will commence shortly. There will be three assembling points, at the schools of agriculture at Clearburn and Olds and the University at Edmonton. From these assembling points the provincial Department of Agriculture is arranging to pay the freight on exhibits to Chicago.

MUNICIPAL COUNCIL ACCEPT OFFER OF \$2.50 A DAY FOR INDIGENTS

The council of the Municipality of Lacombe No. 228 met at the Municipal Office in Alix on Saturday, October 13th, 1933, at 8 p. m.

Present Messrs. D. W. Jewell, C. H. Tallman, M. H. Olson, H. C. Sherburne and Fred McDonald, with Deputy House Talmans in the chair.

The secretary read a letter received from the Camrose hospital in regard to the rate of indigents stating that they would agree to take care of all cases of indigents from Lacombe Municipal district at the rate of \$3.50 per day, plus \$5.00 for use of operating room for surgical cases and give the necessary medicines, bandages, dressings, etc., and on motion of Mr. McDonald the Secretary was instructed to arrange for a contract to that effect.

On motion by Mr. Sherburne it was agreed that a notice be published in the Alix Mirror, Lacombe and Camrose papers stating that in future all cases of indigents from this Municipality, requiring hospital treatment, shall be taken care of at the Camrose hospital and that the Municipal District of Lacombe No. 228 shall not be responsible for any expenses connected with care of indigents of any other institution.

On motion of Mr. Olson it was agreed to have two delegates represent the Municipality at the convention of the Alberta Association of Municipal Districts to be held at Edmonton October 22nd and 23rd, and to represent the district at this convention. The Secretary and Mr. Tallman were appointed with Mr. Jewell as alternate.

On motion of Mr. Jewell, bylaw No. 4 was amended. This bylaw pertaining to the maintenance of animals at large covered the district described as follows: "All west of Buffalo Lake of township 48 and part of township 41, range 21, all of township 30-40 and 41 in range 22 and all of township 40-41, in range 23, all west of the ckr."

Mr. McDonald moved that Troop, Mr. McDonald reported that Mr. Watson, who has a contract with the Canadian Pacific Railway at Togo, was willing to be made and contract to the Municipality and on motion of Mr. Jewell, Mr. McDonald was asked to try and make satisfactory arrangements with Mr. Watson and to see Mr. Angus at Mirror in regard to a job for the Municipal police service. Togo is to be placed at the stock yards at Mirror and to give the deal with Mr. Watson at Togo in regard to his milk there, and in the event of not being able to make satisfactory arrangements he is to see Mr. Angus at the Togo stock yards.

On motion of Mr. Jewell, Mr. McDonald was asked to try and make satisfactory arrangements with Mr. Watson and to see Mr. Angus at Mirror in regard to a job for the Municipal police service. Togo is to be placed at the stock yards at Mirror and to give the deal with Mr. Watson at Togo in regard to his milk there, and in the event of not being able to make satisfactory arrangements he is to see Mr. Angus at the Togo stock yards.

at Alix. Mr. A. Allen on behalf of the Allen Bros. applied for release of Road Allowance, NW 7 40 23 4 now in name of Mr. Wilson and to have same registered in name of Allen Bros. On motion of Mr. Olson, the motion was carried, provided that the necessary steps in regard to advertising be were done.

A number of accounts were passed for payment on motion of Mr. Olson.

Mr. Sherburne moved the adjournment of the meeting at 9 p. m.

A conservative estimate of the amount of heavy work in Quebec by tourists visiting 12,250,000. From the results of the 1924-25 season, the first of September, 1926, motor tourists had paid for information at the office of the Quebec Auto Club. Taking an average of four people to each car, the amount that at least 48,000 people had come to the city by automobile. Of this number there were approximately 1,000 camping parties, or 12,000 people.

E. PEARS

IS YOUR NAME WRITTEN THERE

Dr. Jamieson, the enumerator has been busy the past few days compiling the voters' list for the plebiscite to be taken on the liquor question on Monday, the 5th November. The heads for his work was the list used in the provincial election of 1921 and if you read them and have not changed your residence since 1921 you should be on the list for the referendum. It is up to you to see that your name is not omitted from the roll, copies of which will be posted on Saturday, Oct. 27th, at the office of the enumerator and in the post office.

Friday, Nov. 2nd, from 10 to 4 the enumerator must be present at the place mentioned on the list to add or strike off names. This is your last chance to get on the list without the trouble of being sworn in. J. Talbot has been appointed Deputy Returning Officer for the Alix poll.

In the morning a copy of the voters' list must be posted in the post office closest to the poll.

INTERNAL COMBUSTION

Internal combustion in the green fuel was the cause of the fire which destroyed O. House's big logs barn on Saturday afternoon last. Mr. and Mrs. House were absent from home at the time and when a neighbor first saw the smoke, the interior was a regular furnace and the building was doomed. In addition to the building he lost a quantity of harness and five stacks of green feed. Charlie has had more than his share of trouble in the past few months.

DROWNING TRAGEDY AT ERSKINE

A sad death by drowning occurred at Erskine on Wednesday morning when Mrs. Tony Elzer lost her life when she floated and fell head first into a tub of water. Her husband had gone to his place of employment to make the fire prior to breakfast and on his return discovered the tragedy. Deceased was a sufferer from heart trouble and on the occasion the family intended moving south in a few days.

TO THE PEOPLE OF ALBERTA

The action of the Alberta Division of the Red Cross Society in soliciting the people to co-operate in giving donations of wheat or cash to assist in mitigating the suffering caused by the recent stupendous disaster in Japan, meets with my hearty endorsement and I appeal with confidence to the Provincial Press to bring the matter to the attention of their readers. My generous response we shall comply with article 26 of the Covenant of the League of Nations and carry out one of the chief purposes for which the Red Cross Society was incorporated, namely, to rally to the relief of suffering humanity.

Sincerely yours,
R. A. BERT,
Lieutenant Governor

Our Ancestors

Every human being on the face of the globe is descended from the demands of Nature to have two parents, big and small parents, eight grand grand parents, 16 ancestors in the fourth generation back, 32 in the fifth, almost 1,000,000 in the twentieth, and nearly 1,000,000,000 in the thirtieth. The white population is 1,328,794,744. 21,496—a magnitude which no man can comprehend.

For World Peace

Progress toward world peace is made by gradually adjusting the complex of human emotions by leading to better and, by cultivating the good and the noble emotions and good will. It is not made by any single wish or desire, but by the whole life, which lives in peace at the first—Kansas City Star

REDUCED TAXATION

A VOTE FOR GOVERNMENT CONTROL MEANS:

General prosperity and stability—balancing the provincial budget—reduced taxation and increased provincial grants—provincial-wide good roads—tourists—revival of agricultural exhibitions—steadily increasing land values—more land seekers with capital—increased mixed farming (the farm housewife's private budget)—more public works and drainages—the banishment of the bootlegger—a bigger, better and happier Alberta.

A FEW FACTS

Last year the Province of Alberta paid the Provincial deficit would be \$273,000; at the end of the year it was actually over \$1,500,000.

This year he obtained the deficit would be \$1,210,000. Preliminary figures show this estimated deficit already exceeded.

Increased taxes have been placed on insurance companies, the machine and oil taxes. What next? The farmer knows now just what the supplementary revenue tax means.

Do the public that more taxes or do they want the Government to get the millions now going to bootleggers?

Quotas with decreased drink—now limited to the extent of \$1,000,000. With a general tourist revenue of \$100,000,000.

M. O. with less drink—now limited to \$1,000,000 and an increase of \$100,000,000 revenue from tourists.

(a) **PROHIBITION**—Meaning thereby a continuance and development of the present liquor legislation; that is, meaning the abolition of the sale of all liquors excepting for strictly medicinal, sacramental, manufacturing and scientific purposes.

(b) **LICENSED SALE OF BEER**—Meaning thereby the sale of beer in licensed hotels and other premises as provided in the proposed Temperance Act.

(c) **GOVERNMENT SALE OF BEER**—Meaning thereby the sale of beer by or through government vendors for consumption in private residences under government control and regulation, other liquors to be sold through doctors' prescriptions for medicinal purposes.

(d) **GOVERNMENT SALE OF ALL LIQUORS**—Meaning thereby the sale of all liquors by or through government vendors, beer to be consumed on licensed premises and in private residences; wines and spirits to be purchased in limited quantities under permit issued by the government, under government control and regulation.

OCTOBER WEDDING

On the evening of Friday, Oct. 26th, a quiet but greatly wedding took place at the home of Mr and Mrs A. C. Foster of Alix when their eldest daughter, Barbara Hamilton Wier, was united in marriage to Arthur Hall Foster, second son of Mr. and Mrs. A. C. Foster of Alix. Rev. J. G. Lewis performing the ceremony. Miss Alberta Kraft acted as bridesmaid while Harry Foster, brother of the groom, was the groomsmen.

After the ceremony the happy gathering consisted of only the immediate relatives and a few friends, partook of a sumptuous wedding feast.

The young couple have taken up residence in Alix and we join in wishing them many years of happy union.

Herb Johnson of Duncan, B.C. passed away tonight on Thursday headed for Seattle to visit his father who is very ill. His expects to visit in Alix before returning to the coast.

NOVEMBER WEDDING

A very pretty wedding took place Sunday afternoon, November 4th, at the home of the bride's parents, Mr. and Mrs. J. W. Scott when their youngest daughter, Dorothy Elsie, was united in marriage to Mr. Paul C. Toepfer, a popular young business man of Alix. The wedding march was played by Miss Lily Clark and Rev. J. C. Lewis performed the ceremony.

The bride looked very sweet in white crepe de chene and carried a bouquet of carnations and roses. Miss Zelda Sims acted as bridesmaid, while the groom was assisted by Harold Sims (niece and nephew of the groom).

After the ceremony the bride led the way to the dining room, which was prettily decorated for the occasion with pink carnations, where a sumptuous wedding dinner was served.

At 10 p. m. the happy couple left amid the good wishes of the gathering by auto for Lacanora where they took the midnight train for Calgary. On their return they will reside on Jamieson street.

TWO MINUTES SILENCE ARMISTICE DAY

The Alberta government has been officially notified of the desire of His Majesty King George that the Dominion and provinces of Canada join with the Motherland in remembering the Borelous dead with two minutes silence at 11 o'clock on the morning of Armistice day which this year falls on Monday, November 11th. The provincial government is about to co-operate in making known generally the King's request that the citizens everywhere on this occasion reverently give thought to the millions who never came back from the great war.

A VISIT FROM THEIR GRAND MASTER

At their Wednesday night meeting the Odd Fellows received an official visit from the Grand Master of the U. G. Lodge of Alberta, Mr. M. L. Stewart of Portland, who gave them an interesting talk on the progress of the Order. In addition to the Grand Master there were visitors from Poncha, Hiram, Battle and others. During the meeting the Alix boys conferred the 3rd of degree on three Brethren candidates. At midnight the gathering assembled at the festive board and partook of the beautiful spread of chicken, duck, smoking salmon, jellies, etc. It was a pleasant and profitable evening which adjourned Thursday morning.

CLAUSE "D" CARRIED BY BIG MAJORITY

With 1,190 polls heard from up to Wednesday, Clause "D" shows a majority of 24,512. The vote was by far the largest ever polled in the province. It will be some time before complete returns will be available, but those still to hear from are in outlying districts and will not affect the vote as it now stands, very materially. The result is as follows:

A—10,573
B—3,382
C—5,285
D—71,234

The fact that "D" carried by an overwhelming majority eliminates the necessity of a runoff or the holding of the second or third election.

SOCIAL AFTERNOON AND TEA

Come on Saturday, November 17th, at 3 p.m. to the meeting of the Parent-Teachers' Association and find out just what the organization is doing. There will be some very interesting talks on the work. This is an invitation to all parents, also anyone interested in the children. A social meeting and a chance to get acquainted with the teachers. Tea will be served.

LITERARY EVENING

After their regular meeting on Monday evening, November 18th, the Rebekah Lodge will open their doors to all Odd Fellows and their wives and Rebekahs, within reach of this notice, to attend the literary evening which they have arranged to hold once a month throughout the winter. The first evening will be devoted to Tennyson and a good program has been arranged.

On Saturday, November 15th, Miss G. Murray will address the club on "The Agricultural Course at The University."

On Saturday, December 1st, a sale of home cooking will be held at the C. F. A. hall. Tea and cake will be served.

AN INVITATION DANCE

As a wind-up of the season the Alix Tennis Club are this week sending out invitations for a dance to be held on the 15th of November (Thursday) in the Y. V. hall. Music will be supplied by the Balliett-Wilson orchestra and a midnight supper will be served in the hall. This is an evening always looked forward to and a pleasant evening is anticipated.

MONDAY'S DANCE

The Annual Armistice Dance under the auspices of the Alix G. W. F. A. was held Monday night and was well attended. The hall was richly decorated, good music and a delectable luncheon are a few of the accents that go to make the Y. V. dance looked forward to and thoroughly appreciated.

Christmas will be here in five weeks.

A Canadian two dollar note has been found bearing the portrait of the Prince of Wales. This is a very attractively designed bill. It is a duplicate to the old one and is worth 50 cents.

How much you value?

LOGAL ITEMS

We understand that Mr. and Mrs. C. B. Shaw have tomorrow to make in the States.

Talking of good weather! On Thanksgiving Day while one quail of our sports lovers were staking on the lake, others were working up a sweat at the tennis court.

To date the Alberta Pioneer has alone shipped far more grain than was grown in our district last year.

On Wednesday more than a hundred head of cattle were shipped from here by buyer Mackie.

Mrs. Hechert of Camrose has been a guest at the home of her parents, Mr. and Mrs. F. S. Sadowsky, the past week.

Misses Jeffrey and Thompson (teachers) and Cecelia Patten and Myrie Knech (delegates from the Y. V. Convention at Edmonton from Friday evening till Monday.

LOCAL ITEMS

The regular meeting of the V. F. A. on Saturday, November 24 at 2:30 p. m. is a very important one and all members are urgently requested to attend.

Herb Johnston, at one time a business man of Alix, but now of Danube, Vancouver Island, B. C. was in town on Tuesday shaking hands with his many old friends.

Mrs. M. A. Searle will receive for the first time on Thursday afternoon, December 6th.

The Meadow Creamery Company are arranging to ship a car of Doves Poultry and have sent out circulars asking for birds and an advert. appears in this issue to the same effect. There is bound to be a surplus of turkeys, geese and ducks and we would advise those having flocks to take advantage of this chance to unload.

Mrs. L. Larkin and children of Leo arrived in town on Wednesday to spend a month at the home of her parents, Mr. and Mrs. Geo. Ross.

Billy Sunday morning fire destroyed the large barn on the Carter farm about seven miles north of Alix. This farm has been under lease by Lillian Ross who had some \$75,000 worth of grain which was only slightly damaged. The building is a total loss as we understand there was no insurance. The origin of the fire is a mystery.

Carl F. Thomas is holding a public auction on December 6th and, we understand, he and Mrs. Thomas will move to the U. S.

Mr. and Mrs. A. S. Smart, Mrs. J. Clark and Miss L. Clark met here on Sunday to spend the day following.

The Sunday School lesson for next Sunday is "Christians called to be Missionaries"—John 17:18; Acts 1:8. Golden text—"Go ye therefore and teach all nations"—Matthew 28:19. Attendance last Sunday was 44 children and 7 adults.

Our readers' attention is especially directed to the Village Pharmacy which is now appearing elsewhere in this issue.

Mary Temple, daughter of Mr. and Mrs. T. S. Temple, was taken to the Lacombe hospital last Monday where she underwent an operation for appendicitis which we are pleased to say, was very successful and she is recovering rapidly.

The school children are busy on their annual Xmas concert.

Mr. E. P. Cameron, who has spent several months at New Denver, B. C., returned to Alix on Tuesday.

Don't fail to read The Big Store's special announcement on the back page.

One of the big events of the season will be the Oyster Supper and Dance to be held in Hocking Island (north west of Alix) on the last few hours of the month and the first few of December. Remember the date, Friday, November 30th, and don't miss it.

Mrs. McKand and Mrs. Mitchell returned on Tuesday from their visit with Edmonton friends.

"Her Home, The Mayor" how does it sound? Well, that's what is going to happen next month and one of our localor maidens has aspirations.

Clark Walker, who has been in Saskatchewan for the summer, is at present back in our district. For Sale—A new story building 12x30. Would make an ideal garage. Apply at The Free Press Office.

Getaway to December the 1st. Only 23 days till Christmas and only one month left in 1933.

Mr. H. G. Finch left on Wednesday for his annual two weeks' hunting of big game in the country north west of Edmonton. H. G. leaves his home fairly well the season would not be complete without a nice moose or caribou steak.

Mrs. M. A. Searle will receive for the first time on Thursday afternoon, December 21st.

On Sunday morning the chimney on Miss Betman's residence took fire and it was thought for a time that through the defective chimney, the house was in danger but willing hands prevailed any damage. This is the first of year when too much snow cannot be taken. "A clean in time light says a big loss."

The winter season was put into force at the Alix school on Wednesday, namely 8.30 to 12.30 a.m. and 1.30 to 3.30 p.m. M. E. Rowe, principal, pays his respects and wish to Alix on the 4th December (Tuesday).

An excellent note of the efforts of A. Williams and C. Walker has been left for Alix on Wednesday, December 20th. Both will handle the hammer.

The initial session of the Literary Society, held Monday evening proved very enjoyable indeed and we trust will be continued throughout the winter. The various contributions from Thompson and other authors were well given. Madeline Black and Andrews, were held charge of the evening, served midnight refreshments.

Parade have been announced concerning a public session of the Lord's efforts on the 11th of next month. It is a very nice sale.

Born—At Central hospital on November 20th, to Mr and Mrs. F. J. Jones of Wainwright (see Miss Ellen Harkley), a daughter.

Parade have been announced for next Sunday is "The Power of the early church"—Acts 2:14-21:45 Golden text—"Whoever shall call on the name of the Lord shall be saved"—Acts 2:21.

Attendance last Sunday was 45 children and 9 adults.

Carl F. Thompson is holding a public session on December 4th and we understand, he and Mrs. Thompson will move to the 1st.

Have you requested our price Christmas Cards? It is worth looking to look.—The Alix Free Press.

If you want a real good time take in the Oyster Stupper and Dance to be held in the Hasting school this (Friday) evening. Good music for the dance and odds of interest.

The Annual Meeting of the ratepayers of the village has been called for the first Monday next month, December 2nd, at 8 p.m. in the second chambers, for the purpose of reading nominations for the 1934 board.

Pearl Fisheries in India

Twenty miles of pearl string bridle in the order of Master Jeyarajen and the southernmost coast of Ceylon, have been discovered. The beds are of the Gulf of Mannar. The pearl fishery is 1928. The only other pearl fishery of any importance in the world is in Japan. The Japanese southern coast and the Hoppo Islands of Southern Russia. These latter are supposed to be the most important and the production there is slightly less expensive exports.

A REAL DANCE

The Tumble Club Dance last Tuesday evening was in every way a success. We do not believe it was over our privilege of attending an affair of this kind which showed more pep, no doubt, than the excellent music provided by the Bullfinch-Wilson orchestra. Everybody danced and danced all the time. The ladies had spent considerable time in decorating the hall which added materially to the pleasure of the evening. The midnight supper was a real banquet and well served. Come again, ball lovers.

ANNUAL MEETING

The Annual Meeting of the Alix Agricultural Society will be held in the office of the secretary on Saturday, December 6th, at 3 p.m. Business of officers, discussion of last year's business and outlining program of 1929.

Having piloted the village successfully through the year of "hard decid", we are of the opinion that the present board should be asked to hold office for at least another twelve-month. At any rate come to the Annual Meeting and tell them what you think of their administration.

SATURDAY'S JUMBLE

A jumble sale will be held in the U. F. A. hall on Saturday, December 16th, at 3 p. m. Contributions to this sale gratefully received. The initial expense of purchasing the building and its outfit have fallen to the few paid-up members of last organization and owing to the fact that the building has been freely given to the various uses of both sections, they feel it is only just to ask in this way for a little help. Firewood, grain, feed or any useful article you can spare will be acceptable.

U. F. W. THANK THEIR RETYING PRESIDENT

At the Annual Meeting of the U. F. W. on Saturday last, Dec. 8th, the following officers were elected for 1923—

President—Mrs. [unclear]
Vice President—Miss Marypat
Sec.—Mrs. [unclear]
Directors—Mrs. [unclear]
B. Secretary—Miss [unclear], F. [unclear], R. [unclear]

A vote of thanks was tendered the retiring president, Mrs. C. F. Thompson, for the able manner in which she has conducted the meetings for the past two years, and as a slight memento she was presented with a pair of delivery gloves and the good wishes of the meeting for a safe journey and a speedy return.

Mr. and Mrs. Harry Hodges were guests for a couple of days this week at the home of their daughter at [unclear].

THE BRIDGE CLUB

A meeting of those interested in the formation of the Bridge Club was held at Toepfer's hardware store last Saturday evening when organization was completed with the following officers: President—T. M. Wilton, Sec.—Mrs. J. Talbot, Management committee—P. O. Toepfer, J. Talbot, C. M. Yarrow.

Social committee—Mrs. G. A. Thompson, Mrs. M. A. Bordin and Mrs. F. McDonald. The membership was set at 50c with a slightly fee of 50c per player.

The club will meet weekly on the first and third Mondays of the month in the Odd Fellows hall at 8 p. m. sharp, and the other two meetings in the month will be arranged by the management and announced the first night.

The opening session will be on Monday evening next, December 18th.

NOTES AND COMMENT

3530 W. Monroe St.
Chicago, Ill., Dec. 2, 1923

Dear Sir,
Bill and I have just got home after spending the day at the Chicago Stock and Grain Exposition, and I thought I would interest you and the readers of The Free Press to know what a hit the Alberta Grain Exhibit is making. We were looking over the grain exhibits from the different states, and commenting on the (what we considered) poor quality of wheat and oats. We finally came to a big case of oats and we both dug our hands into it and said: "Here are real oats, just like we grow at home; the only oats we have seen in the whole show." We looked at the sign overhead and it read "University of Alberta Grain." We asked the gentleman in charge of the exhibit what the oats were grown and he told us that they were Swedish Victory Oats weighing 46 pounds to the bushel raised by Biglands, Lacombe. He said that some good oats to us boys here, to think that Lacombe could beat the United States at anything for we hear the Americans boast so often of the highest and best in everything; we could surely dig our way out from the exhibit; we liked to see the various comments on the Alberta grain. The oats were a wonder at the people; one old fellow said he had raised oats for forty years and never seen anything like them. They were declared that the oats had been hand selected and stored for food.

Yours sincerely,
J. G. RALSTON

The Council of the Municipal District of Lamerston No. 398 met at the municipal office in Alix on Saturday, the 28th December, at 2 p.m.

Present Messrs. Jewell, Tallman, Sherburne, Forchett, McDonald, with Reece Tallman in the chair.

The minutes of the previous meeting, held Nov. 10th were read and approved on motion of Mr. McDonald.

Councillor McDonald reported that he had made arrangements with Mr. Walters of Tees for the purchase of the school now owned by him at Tees, St. Mary's and that Mr. Walters was agreeable to give the necessary guarantees that the scales are in good condition and the secretary was instructed to communicate with Mr. Walters in regard to same and also make the necessary arrangements with the Canadian Pacific Railway at Calgary as to contract, etc. As soon as the necessary arrangements are made a new foundation will be placed and the scales inspected and ready for use.

Arrangements will also be made to have the Municipal Scales now at Tees transferred to Mirror as soon as a site can be secured.

Re claim of Mr. Percy Shore for land taken for road division and the shutting off of the creek at his place, the council agreed, on motion by Mr. McDonald, to allow Mr. Shore \$50.00 for the land and \$125.00 for the loss of water in settlement of his entire claim.

On motion of Mr. Sherburne leave was given to Roy Reynolds to place the municipal scales at Haynes on the road allowance. A number of accounts were passed for payment.

The meeting adjourned at 3.30 p.m.

A Christmas Message

THE CHRISTMAS SEASON with its feasting and merriment is with us once again. We see its influence reflected from the many happy faces as they pass us by. There seems to be a subtle magic in the air that is expressed by a heartier handshake and a warmer welcome.

What a joyous gladness there is in that good old-fashioned wish of "Merry Christmas," that we get from our friends. "The Same To You and Many of Them," we cheerfully answer back, with a sparkle in the eye.

For Christmas is the one season that takes us away from the bickering and cares of business and fills our hearts with human love and understanding and sympathy; and poor indeed is he whose heart or purse does not respond to its magic call. Truly, at this season "The Bethlehem Message" is a living inspiration.

We feel we cannot better express our feelings and wishes to our many friends in more fitting words than those of poor crippled Tiny Tim in Dickens' delightful fantasy "A Christmas Carol"

"GOD BLESS YOU EVERY ONE"

Provincial Seed Fair

The annual provincial seed fair under the auspices of the provincial field crops branch of the Department of Agriculture and the Dominion Department of Agriculture will be held in Edmonton at January 17 and 18, with judging to be done the two previous days. In view of the wonderful showing made at Chicago this year by Alberta seed exhibitors, the seed fair promises to be especially interesting. The U. P. A. convention is also expected to be held in Edmonton at the same time and it is probable that the Legislature will be in session, so that a large attendance at the fair is looked for. In conjunction with the fair the annual meeting of the Alberta Seed Growers' Association will be held, and a dinner will also be held, when it is likely the winners at Chicago will be guests. Catalogues may be had at the field crops branch of the Department of Agriculture.

Public Meeting

W. A. Irvine M. P. of Calgary, will address a meeting in the U. P. A. HALL, ALIX at 8 p. m. sharp on Thursday, December 27th. Everyone in the community is invited to this meeting.

Mr. Irvine is one of the best speakers in the House and his address may be looked forward to with an assurance of a profitable evening.

ALL farmers of the community are requested to turn up by writ to Luke 14:17-20 and after a perusal of the said verses, take into consideration their duty with reference to the ANNUAL MEETING of their organization, the U. P. A. on Saturday, December 22nd, at 2.30 p. m.

CONVENTION POSTPONED

The Annual Convention of the Alberta Agricultural Fair Association at Edmonton, which was to have been held on the 23rd and 24th of this month, has been postponed to Wednesday and Thursday, the 27th and 28th of February.

ONCE MORE A WINNER

At the Red Deer Poultry Show last week Mrs. A. C. Moll was again a large winner with her White Holland Turkeys, Pekin Ducks and Buff Orpington and Light Brahma chickens. On an entry of 24 birds she was awarded 14 first prizes, 6 seconds and 4 thirds, also 2 specials. She is at the Edmonton show this week with eighteen entries.

U. F. A. NOTES

The regular meeting of the Alix local was held on January 5th when Mr. J. B. McLeod gave an interesting talk on the potato problem, discussing it from every angle. Mr. McLeod is a Dominion Government expert and expects to be around again next summer inspecting the potato crops.

The next regular meeting will be held January 19th in the U. F. A. hall.

LET'S TAKE A TUMBLE

The old, old story of packed eggs being sold at high prices, is being rehearsed again this winter at the high price. This may be all right if the hen fruit is good, but that is not always the case as may be seen from the following report on three cases shipped by a local merchant to Calgary last week:

Extra 5 lb at 45c
No. 1 39.9 at 30c
No. 2 35.9 at 25c
Cracks 8.3 at 15c
ROTTEN 5 do-ven

The merchant paid in all (cases and cartage included) \$40.67 and his return was \$28 showing a \$12.67 loss. Is this honest, and will our egg market be improved by this way of doing business?

SALE OF EATS

A sale of Home Cooking and Tea will be held Saturday afternoon in the U. F. A. Hall, January 25th. There will also be a "Wishing Well" in charge of the high school girls, under the auspices of the Parent Teachers Association.

INFANT SON PASSES

The many friends of Mr. and Mrs. Mansell-Smith will sympathize with them in the death of their six-week-old son, Cedric Mansell, on Tuesday, January 15th. Cause of death was bronchitis which developed into pleuro pneumonia. Interment took place in the Alix cemetery. Thursday, service being conducted by Rev. J. C. Lowrie.

ITEMS OF INTEREST

The next session of the Bridge Club will be Monday evening next.

At the Annual Meeting of the Alix School District on Friday last week the attendance was very small and as a result the discussion was not very lengthy. Mr. W. L. Pettit was re-elected trustee for Alix and Mr. R. E. Harbottle for Open Valley.

See Mecklenburg, the old reliable coachman, on January 24th and 25th at the Imperial Hotel, Alix.

Mrs. W. L. Pettit went to Cive on Tuesday and that evening installed the officers of the Rebekah Lodge on Monday evening:

COAL SHIPMENTS TO ONTARIO

Alberta has shipped approximately 61,000 tons of coal to Ontario during the past year, an increase of 10 per cent over the year 1933. The campaign conducted by the government to move Alberta coal people to Ontario has met with immense success. The matter of securing a permanent low freight rate on Alberta coal to the Ontario market is still under negotiation between Premier Greenfield and the officials of the C. N. R.

ALBERTA MAY DEVELOP HYDRO POWER

Premier Greenfield, during his visit to Ottawa in connection with the natural resources question, obtained permission from the Dominion authorities that an expedition should be made regarding the rights for development of the Spray Lake power scheme in Alberta, with the Provincial Government has had full opportunity to investigate the feasibility of developing a Provincial hydro-electric project. Word to this effect was received this week by Acting Premier Hoadley. The Provincial Government has already made arrangements for an investigation of the whole proposition by an expert expert. This expert has asked for certain information on items likely to be covered by such a scheme, including power consumption, etc. This information has been gathered. The Provincial Government has applications now on file at Ottawa for prior rights of development of the Spray Lake site, and the report of the expert will have the same of any before which the Government may take.

DATE OF ANNUAL MEETING

SET FOR FEBRUARY 16
Council Endorse Changes Recommended by Hail Board

The council of the Municipal District of Lethbridge met at the municipal office, Alix, on Saturday, January 12th, at 2 p. m.

Present—Mayor, Jewell, Tallman, Sherburne, Forcht, McDonald and Towns.

Reve D. M. Jewell in the chair.
On motion of Mr. Tallman the minutes of previous meeting were adopted as read.

The secretary was instructed to arrange for the annual meeting to be held in the Regal Theatre on Saturday, February 16th next.

After discussion it was agreed that the council endorse the recommendation of the Hail Insurance Board in regard to the following changes:

1—That the automatic feature of the act be done away with.

2—That insurance be obtained by application only.

3—That the owner of the land must sign the application and that the claim be paid according to application.

4—That an application will not be in order if the applicant was more than one year in arrears for Hail Insurance Tax.

In regard to the sliding scale of charges as recommended by the Board, it was the opinion of the council that this clause should be eliminated and in its place a motion by Mr. Olson unanimously recommended that some form of compulsory hail insurance on all lands in Alberta be substituted and the secretary was instructed to inform the Hail Insurance Board accordingly.

By-law No. 18 respecting the running of animals at large was read a third time on motion by Mr. Tallman.

The following were appointed as returning and deputy returning officers:

Returning Officer—John Waterman
Deputy " " —R. C. Wilson, Div. 2
" " " —W. C. Clifton, Div. 3
" " " —B. Scott, Div. 4

By-law No. 19 respecting claims for damages caused from stock running at large was read a first time on motion by Mr. Forcht.

On motion by Mr. Forcht a number of accounts were passed for payment.

By-law No. 19 was read a second time on motion by Mr. Olson.

The meeting adjourned at 5:30 p. m.

R. G. LOWE, SEC-RETR.

Municipal District of Lethbridge No. 208

PUBLIC NOTICE is hereby given that there has been introduced in the Council of Lethbridge No. 208 a By-law which reads as follows, and that unless within thirty days from the publication of this notice, at least forty members of the Municipality petition the Council to submit said By-law to the vote of the resident electors of the Municipality, the Council will proceed to pass the same.

BY-LAW NO. 10

A By-law of the Municipal District of Lethbridge No. 208 respecting claims for damages caused from animals running at large is hereby introduced to the provisions of the Domestic Animals Act (Municipalities) the Council of Lethbridge Municipal District No. 208 counts as follows:

1—In the case of any person impounding stock and shipping damages caused from the stock running at large, it will be necessary for the party impounding the stock to put up the necessary funds with the Poundkeeper to cover the cost of impounding.

2—In the case of any party owning the stock and refusing to pay the same for an impounding and detaining a conviction from the Municipal Council for impounding, the party owning the stock will have to deposit the cost of arbitration.

3—After obtaining the refund shall be made to the party in whose favor the arbitration is decided.

ALIX TEAM BUMPS THE STETTLER BOX

On Thursday of last week the Alix boys added another win to their list when they carried away the heavy end of 7-3 score at Stettler. It was a good clean game, but the result was a foregone conclusion.

In the first period Stettler scored while for Alix Anderson with the assistance of Findlater landed a homer and Findlater put one through on a rebound from Anderson.

In the second end Stettler again scored while Anderson, Woods and Griffin all tallied for the locals.

The last period proved a blank for Stettler while two more pins were shot home by Griffin and Woods.

The outstanding feature of the game was the beautiful stick handling of Jack Pears, an Alix sub.

The game at Bashaw on Wednesday between our boys and that team was again a tie, score 2-2.

The next regular meeting of the U. F. W. will be held on Saturday, Feb. 9th. At this meeting the delegation to the convention will give her report.

Cases to 10,000 lbs. of poultry were shipped from Alix by the special Government car on Tuesday. Two thirds of the birds were turkeys.

Better known as The Russell Mine HEATBURG

Trade Name "ROSEBANK COAL"
The coal that put the "heat" in "Heatburg"

We expect to have our coal cutting machinery in operation next week when we will be in a position to supply you with a high grade of Coal at all times; we have the quality and our coal cutting machinery gives us the quantity.

Remember the coal from this mine was recommended by the trade commission for the Provincial Government, for shipment to the Ontario market.

A ton of good coal is worth more than a ton of gold ore. It costs money to get the gold out of the ore; it costs money to get the heat out of the coal.

Coal should be bought like gold ore—for its intrinsic value. By burning ~~more coal~~ the consumer receives more heat, more energy, more comfort, more satisfaction per ton than if he burned cheap coal.

Our prices are the same as usual—Lump Coal ~~64.00~~ Try our celebrated "Store Lump" at ~~62.50~~ a ton

You have to put your order in early as there is a great demand for store coal.

The Coldest Place
 Certainly Not At the North Pole
 According to Evidence
 You think the north pole is the
 coldest place in the world. Well, it
 is. It is far north, but it is not
 above the sea level, because it is
 in the ocean. Having only one
 of these factors that make a place
 really cold, it can never be re-
 ally cold, it isn't. It is prob-
 ably warmer than 50 degrees be-
 cause of the wind.

300 miles north of Point Bar-
 row without ever recording a tem-
 perature lower than 54 degrees, be-
 lieving that the same as the lowest
 record for New Orleans.
 The result of the expedition was
 that only 100 miles were traveled
 before colder than that are doc-
 imental facts or to the mar-
 ket in obscurity.
 There are no great cities in North
 America that have temperatures as
 low as those of the Arctic.

the trade with Russia is as low as any records for the coast of North America. With 200,000 inhabitants, it is one of the poorest.

Alaska is just south of the Arctic Circle, and they seldom have snow here even in winter. The climate is milder.

J. H. Anthony, curator of mammals in the American Museum of Natural History, in a bulletin recently issued, declares that there is lack of recognition of mammals and their fur, therefore in abundance for

"The greatest destruction has come only in recent years. For instance, to cite the demands of the far trade and to bring you the most one of the best Indians as to the rate of destruction, I might mention some figures gleaned from the records of 1919, 1920 and 1921 of skins sold on the Red Centre where furs were marketed. Informing the total to give for a position, such as might be if the skins were taken from the market to

another or held in cold storage awaiting a more favorable opportunity for sale, I found that a total of about 100, 150,000 mammals had been marketed in these three odd years, representing about thirty odd mammals a year.

"When all these types have been killed off, owing to the greed of the operators of the tank, they can never be replaced—provided (asborne) (of the waterways) that fifty years hence will be the close of the age of mammals, and I shall have numerous odd specimens left, that, possibly,

surely it is no exaggeration to say one hundred years."

Mr. Anthony knows his two masters apart; this game reflects which are especially pertinent, and education for people. He continues:

"There is also the question of education in the use of mammal products. Elephants have a wiped out in Africa largely because of the demand for ivory. The utilization use of mammal products has largely the reason of the demand of different species. It was the hide hunter who

Mr. Anthony's articles apply to Canada, as witness the paragraph in the Canada Year Book referring to our fur trade:

"Improved methods of capture, together with the advance of settlement, have driven fur-bearing animals farther and farther and given them less chance to range.

"These reasons have been debated for decades, but, whether the

and Canadian beaver, but even this has been insufficient, as is shown by a continued decrease in the numbers of the animal."

Conservation may result with gratitude that the federal government has from time to time set aside national parks which are also game refuges, notably at Banff and Jasper. There also are the Buffalo Park at Watkins, and the refuge recently declared at Fort Smith, where the herd of wood buffalo have been protected. Ontario has also set aside large areas as

Deaths From Diabetes

Deaths from diabetes in the United States showed a considerable increase last year, it was shown by census bureau statistics. There were 17,152

deaths from diabetes in 1928, compared with 14,882 in 1921, and 14,062 in 1926. The death rate from the disease was 36.4 per 100,000 population last year, compared with 34.3 in 1921 and 34.3 in 1926.

An Average of 50 Bushels Per Acre

Plant cuttings, for the year 1931 in Alberta, at wheat and other grains have just been compiled by the official department of Agriculture from livestock returns at hand and indicate an average wheat yield of 4 bushels per acre, while the previous year's was 3.9 bushels per acre. The total acreage in the province this year is 5,972,552, which gave a wheat yield of 167,248,854 bushels.

According to figures which have been compiled on a basis of pre-market prices, as set out in the table below, the value of the wheat

ONLY SEVEN APPEALS ON 1924 ASSESSMENT

The regular session of the village council was held on Monday evening at 7.45 and at 8 p. m. sat as Court of Revision on the 1924 assessment.

There were but seven appeals and as we are under the compulsion of the Provincial Government the assessment as submitted was confirmed and the secretary was instructed to issue the tax notices forthwith, allowing a 5 p. c. discount if same is paid on or before the 31st of March next.

The in-law re business tax and licenses was duly passed with the same rating as last year. The Court of Revision on the above will sit on the 3rd of March.

A letter from the Mirror Board of Trade re stocking Buffalo Lake with game fish, was read and the secretary was instructed to draft and forward to the Department of Fisheries at Ottawa a resolution endorsing the movement.

After considering and passing a number of accounts the meeting adjourned.

ALIX AGAIN LOSES TO STETTLER

The Alix hockey team were trimmed, and trimmed right, at Stettler on Monday evening, score 7-2.

The score was not indicative of the play as it was a good exhibition and a keen contest throughout.

Our boys were not in trim to go on the ice owing to the breaking down of one of the cars and the consequent long walk. Arriving very late they had to go right on the ice and it was while getting their way in the first period that their opponents had the get-away, scoring 5 to a blank. Thereafter the registers were 2 and 2.

Alix has entered for the Lawson trophy and we understand they are drawn to play Hobbart at Lacombe this evening (Friday).

FEEDING THE BIRDS

Plans to feed the ducks that are spending the winter at Buffalo Lake are under the direction of the guardian of that sanctuary, George Cook and Constable Crossley, who made investigation of the situation for the department.

On the constable's report and the endorsement of Mr. Farley of Camrose, supervisor of the B. L. Sanctuary, the Dominion Government have allotted \$500.00 for this work pending the coming of spring.

Straw will be placed on the ice and the grain will be scattered among it so the birds will have to scratch for a living.

EXTRACTS FROM MINUTES MUNICIPAL DISTRICT OF LAMERTON NO. 398

The council of the Municipal District of Lamerton No. 398 met at the Municipal Office, Alix, Saturday, February 9th, 1924, at 2 p. m.

Present Councillors Jewell, Tallman, Sherburne, Forcht, Olson and McDonald.

Reeve D. M. Jewell in the chair.

The minutes of the previous meeting held January 12, were read and approved on motion by Mr. Forcht.

The secretary presented a letter from the Deputy Minister of Municipal Affairs in regard to the assessment and arrears of taxes on 17-41-21-4, known as the Island, which stated as follows:

"According to our records, the Island referred to being located on section 17-41-21-4, a part of Buffalo Lake, is not included within the bounds of either your Municipal District or that of Lakeside"

and on motion of Mr. Olson the secretary was instructed to cancel the arrears of taxes and delete this parcel of land from the tax roll.

The secretary was again instructed to write the Richardson Road Machinery Co. of Saskatoon informing them that an acknowledgement of your letter in regard to the culverts now on hand at Alix having been shipped by them on consignment, the balance of the account would be paid.

A letter from the Hudson Bay Co. of Winnipeg re: roadway B. E. 1 26-39-23-4, 4.07 acres, was on motion of Mr. Forcht tabled until next meeting of council.

On motion of Mr. Olson the secretary was instructed to cancel the arrears of taxes on S. E. 31-41-22-2, this land having reverted to the Canadian Pacific Railway; the taxes for 1922-23 having been paid by the said company.

A motion by Mr. Sherburne was passed unanimously as follows: "That unless arrears of taxes and costs on all lands under Caveat for the year 1923 are paid within 30 days from date (February 9th, 1924) foreclosure proceedings will be commenced forthwith and the secretary was instructed to notify the parties interested, including the Mortgage Companies, to that effect.

A number of accounts were passed for payment on a motion by Mr. Forcht.

The meeting adjourned at 4.30 p. m. on the motion by Mr. Olson.

ANNUAL MEETING OF THE ELECTORS OF THE LAMERTON MUNICIPAL DISTRICT NO. 398

The annual meeting of the electors of the Municipal District of Lamerton No. 398 was held in Parlow's Hall, Alix, Saturday, February 16th, 1924, at 1 p. m.

Revere D. M. Jewell occupied the chair.

The auditor's financial statement for the year 1923 was presented to the meeting by the secretary, R. G. Lowe, and showed that the improvement in cash and bank accounts, taking into consideration all accounts payable and receivable, with the exception of taxes, was over \$17,000.00.

The total assets, including bank balances, uncollected taxes, machinery, tools, furniture, fixtures, etc., amounted to \$82,819.77 and the liabilities totaled \$39,272.81, showing a visible asset in favor of the Municipality of \$43,546.96 for the year 1923.

Considerable discussion took place in regard to the work to be carried out this present year and a number of electors were of the opinion that something should be done towards a reduction in taxes and that a curtailment of road work would be necessary in order to meet this condition, while others voiced the opinion that a more aggressive road policy should be carried out this year especially in certain divisions.

No definite steps however were taken in either direction and it was left for the new council for 1924 to consider the whole matter.

At three p. m. an adjournment was made to a nomination meeting, Mr. J. D. Waterman, acting as chairman, and nominations were received for councilman in Divisions 2, 3 and 4 as follows:

Division 2—C. S. Tallman and A. G. Ditto
Division 4—L. R. Forcht and J. H. Cassell

Division 3—E. C. Sherburne

For Division 3 the present councilman, Mr. Sherburne, was the only one nominated and the returning officer, Mr. Waterman, declared Mr. Sherburne elected by acclamation. Election for the other divisions takes place on Saturday, February 23rd, No. 2 poll at Alix and No. 4 at Clive.

After a vote of thanks to Mr. Jewell for the excellent manner in which he carried out the duties of chairman, the meeting adjourned at 5.30.

TWO MEN WERE ON THE SAME COUNCIL BOARD—THE ONE WAS TAKEN AND THE OTHER LEFT

The election on Saturday for councillors of two divisions in the Lamerton Municipal Council split 50-50. In each of the contested division there were two candidates, the holder of the office and an entirely new man.

For Division 2 Councillor Tallman was returned by a substantial majority; Tallman 63 and Risto 49. This is the first time in his nine years on the board that C. S. has been opposed and needless to say he is placed at the confidence shown by his return to office.

At Clive there was a different story, as Councillor Forcht was given his walking ticket by a 38 majority: Forcht 64 and Cassel 102.

So when the new council holds its initial session on March 6th there will be but one change, Mr. J. H. Cassel of Clive will deliberate for Division 4 in place of Mr. L. R. Forcht.

SOMETHING TO LOOK FORWARD TO

Everybody has either seen or heard of a Barrie play. Those that have had the opportunity to see one are already longing for the time when they can go to another.

There is something about Sir James Barrie's plays that grips you; they are full of humour and pathos; at one moment the audience is rocked with laughter, the next it is in tears. They appeal to almost everyone because they are so intensely human. A few members of the community are now rehearsing hard to put on one of these delightful plays. Watch for the announcement.

ELECT OFFICERS

The Ripley Canadian Girls in Training held a meeting at the Ripley School House on February 20th, when the following officers were elected:

DEATH OF MRS. GRIFFIN

Mrs. J. Hill received word last week of the death of her mother, Mrs. E. B. Griffin, at Brantford, Ont., at the ripe old age of 77 years.

The deceased was a wonderful woman, having been associated with music all her life, and was well known to a large number here as she lived with Mrs. Hill for upwards of three years, going back to Ontario some four years ago.

Mrs. W. L. Pettit won the ladies' prize and Ye Editor was high man at the bridge club Saturday night. Next week Monday night, March the 4th.

AGRICULTURAL SOCIETY

A meeting of the directors of the Alix Agricultural Society has been called for 3 p. m. on Saturday (tomorrow) in the U. F. If you have any suggestions to offer for the improvement of our fair bring them along. Everybody attend.

WEDDING

A quiet wedding took place in St. Barnabas Church at Calgary on Saturday, the 15th March, when Zella May, eldest daughter of Mr. and Mrs. W. Lawton of Alix, was united in marriage to Mr. Arthur Holmes of that city. Rev. Henderson officiating.

The bride was charmingly gowned in sand and turquoise opening over a jacket of silver green crepe and wearing a travelling hat of sand and black. She wore a corsage bouquet of opelia roses. The wedding march was played by Mrs. Hubert as the bride entered the church, and Mrs. E. W. Thomas acted as matron of honor. In the absence of the bride was given away by Mr. W. Cheyne. The happy couple came up on Monday to spend a week with the bride's parents and will then make their home in Calgary.

We join in extending best wishes.

AT THE MASQUERADE

The masquerade dance in the Vet's hall on Wednesday was attended by an extra large crowd and many good costumes were in evidence, but we must content with the prize winners. Miss Jean Parley as autumn was easily the first lady, while Mr. Jack Parley, as the colored minstrel, was awarded the gent's. But the unique event of the evening was the featuring of the "Bridge Club" by three ladies, Misses G. A. Thompson and M. A. Scarle and Misses Jeffrey & Thompson, and the management presented them with a box of chocolates. Their costumes were pure white decorated with streamers from which dangled the four card suits, while the high head dress carried the inscription. The judges had their work cut out but their decisions apparently met with universal approval.

The music was good and so was the lunch.

ADDRESS TO P. T. A.

At the next regular meeting of the Parent Teachers' Association, which will be held at 3 p. m. in the U. F. A. hall on "Thursday", March 27th, Mr. Jenkins will give a talk on "Food Values".

ONE MORE SESSION OF THE BRIDGE CLUB

At the Bridge Club last Saturday Mrs. Keitel and T. Wilton carried home the awards. The next session will be Monday, March 31st. This will be the final gathering for the season and in addition to the usual nightly awards the grand awards will be handed around.

Three thousand acres of land south of Lethbridge have recently been purchased by a new colony of Hutteners at a figure which is stated to be \$90,000.

Livestock Shipping Associations Consolidate

Definite progress was made by the representatives from fifteen local Livestock Shipping Associations who convened in a meeting at Lacombe on Thursday, the 20th inst.

Valuable assistance was given by the U. F. A. committee on livestock and chilled meat, also by members of U. F. A. local.

A resolution was proposed by Mr. G. E. Roose of Camrose and Mr. D. A. Stringer of Pincher Creek that the meeting proceed to organize a Provincial Co-ordinating Association, electing a board of trustees by admitting a member from each of the local associations represented and empowering the board of trustees to proceed at once to carry into effect the desire of the meeting by co-ordinating the efforts of all the associations in the Province (formed and to be formed) the drafting of a uniform contract to be used with the producer of live stock and the directing of all the receipts of livestock from the various associations through one selling agency.—Carried unanimously.

The provisional board elected Mr. M. A. McMillan of Tera as President and A. C. Johnstone of Ciere as Secretary, also a committee of five was selected, viz: A. C. Johnstone, D. A. Stringer, B. Olson, R. A. VanSlyke, J. B. Earle, with the president ex-officio.

The Octopus "Oleomargarine"

The time has arrived when the milk and cream producers of Canada must take definite stand and present a united front against the monstrous octopus stretching up and down this land of ure distributing false propaganda of a most secret, malicious and pernicious character.

The latest and possibly most notorious insofar as society in general is concerned is the definite undertaking launched by the strong private interests producing a butter substitute OLEOMARGARINE.

Now, brother farmers, we have well weathered the economic storm and, notwithstanding the fact that some of us are very badly bruised, due to the fact that these powerful interests have exercised disturbing influences and directed our attention from the application of a natural law, we are still able to carry on.

The last five years have clearly demonstrated that the Dairy Cow is the safe and paramount agricultural machine to anchor to, when the grain and livestock departments of the farming operations failed to declare dividends, the Dairy Cow stood out supreme and afforded a subsistence.

Now, do we propose to allow an unhealthy, unwholesome and cheap substitute for a genuinely wholesome, natural and adequate nutritious butter, to have free range over this country?

Let us say emphatically NO, and register our individual and collective protest without delay.

If necessary, call special meetings of your U. F. A. local for definite and consolidated action, send individual letters to the Dairyman's Association and deliver our Federal members with resolutions and personal letters demanding that the act now in force preventing the import of any butter substitute into Canada be maintained. Delays are dangerous! Procrastination is the thief of time!

Let us act at once.

The Ladies' Aid of the Presbyterian church will hold a sale of home cooking, candies and sewing in the Institute rooms on April 19th.

way out.

HAYNES HAPPENINGS

Mr. Casper Mall and son

returned from a visit to their old

home in the States:

Mr. Fall was a visitor at Hay

on Monday.

Mr. E. R. Bush and Mr. Allen

were down to the literary society

meeting on Friday evening.

Mr. Dave Ramsey came from

Bainwood on Monday with Mr.

and was in town Monday on

business. The couple plan to

buy a farm in this vicinity.

Mr. Norquay and his little

daughter who was visiting at

Prattville returned home on

Thursday.

Mr. Douglas Gray has sold

horses to Willie Ross who will

move to those farms at Bainwood

during the next week.

Mr. and Mrs. Gray are moving

to the Reynolds farm two miles

out of Ails.

Mr. F. H. Bushnell is shipping

the household goods via O. R. B.

to Red Deer this week.

The last meeting of the Literary

Society was held in the church

Friday night, being the closing

meeting of the season as efforts

are put forth to make it the best

of the season. The programme

consisted of music, both vocal and

instrumental, several illustrations,

a discourse in the Negro dialect which

was given very ably by Mr. Norquay

and Mr. Ramsey and a musical

called "Slater Master" by several

members of the literary society

and was enjoyed by all.

A dramatic society will be formed

by the young people of the

community who plan to present

several plays in the near future.

Word has been received here

that J. J. Baker and wife of Med-

ford, Oregon, are the grand pa-

rents of little boys born March 19.

SATISFACTION OUR MOTTO
AGENTS FOR INTERNATIONAL HARVESTER CO. (MACHINE)

Aroused by their dog on Monday morning, Mrs. J. W. Sissons of the Pearl Culleries south of town, found her home in flames, and so far had the flames taken head that she had but time to awaken the children and reach safety with little better than their night apparel. The house and contents are a total loss; on which was carried only a small insurance. Mr. Sissons is at present in B. C. The origin of the fire is purported to be from a defective stove pipe.

The funeral took place on Thursday from the Presbyterian church to Alix cemetery, after the arrival of the C. N. R. from the north, of Harry Here of Alix.

Mr. Berg, who passed away early Wednesday morning at the Royal Alexandra hospital in Edmonton, had been a sufferer for years from an accident to his head, and it was following an operation that spinal meningitis set in.

Deceased was born in Stevens County, Washington, and was 27 years of age. He came to the Alix district 10 years ago where he has resided ever since and some four years ago he married Miss Lorna Brown who with a 15 months old babe survive, together with his father, mother and one brother of Alix, and three sisters and a brother in California.

The service were conducted by Mr. Hamilton, Seventh Day Adventist, of Clive, and the pallbearers were: H. Kraft B. Neilson, J. Waterman, A. McDermand, E. Gessleman, and W. Tallman.

The Rev. W. G. Firth, for the past three years pastor of St. Andrew's United Church at Lacombe, died at 6 o'clock in the Lacombe hospital on Tuesday evening of Sunday, March 30th. Deceased had been in poor health for some time and on Tuesday underwent an operation in the hope of finding relief. He took a turn for the worse Saturday morning and sank rapidly. He leaves a widow and two young children.

The funeral took place on Wednesday under the direction of the Masonic Order of which deceased was a member, to Lacombe cemetery.

The Annual Meeting of the Alix Tennis Club will be held in the Parish Room on the evening of Tuesday, the 8th of April, at 8 o'clock, to wind up the affairs of last year, elect 1924 officers and arrange activities for the coming season.

ALIX ALBERTA

SOMETHING TO THINK ABOUT

The United States, recognizing the wisdom of keeping out foreign-made goods, has greatly increased her customs tariff since the war. Result: busy factories, increased pay rolls and a contented prosperous country.

Canada, however, reduced her custom tariff four times in the same period. Result: a great influx of foreign-made goods, factories failed, closed down, or on part time, millions of dollars lost in wages, thousands of our best workers gone to the United States.

Unusually - State our tariff in line with that of the United States, thereby insuring steady wages and the keeping of Canadians at home.

If we buy Canadian products, the people who make these products will continue to live Canada.

When we buy goods similar to those produced in Canada from other countries, we throw Canadians out of work - they leave us and go to the United States.

Which shall we have, our own people or foreign goods?

THE FINAL SESSION - GRAND PRIZES AWARDED

The Alix Bridge Club held its final play for the season on Monday evening and it proved a most interesting event. The prize winners for the evening were: Ladies - Mrs. W. M. Reitzel; Gents - B. E. Todd. There were eight tables played and at the close the luncheon was served by Messrs. Scott, Schnepf, Scarle and Reitzel.

This being the final, the grand totals were read (there had been twelve evenings in all) and season prizes awarded, the three leaders and scores being:

1st - Mrs. P. McPherson 22105 W. H. Hitchcock 27005
2nd - Mrs. J. W. Scott 20201 M. Schnepf 24379
3rd - Mrs. G. A. Thompson 21687 S. C. Andrews 24724

No doubt a large percentage of the success of the club has been due to the untiring efforts of the secretary, Mr. J. Talents, and a unanimous vote of thanks was tendered him.

It has been a pleasant pastime for many a winter evening and we feel that all who wish to in extending congratulations to the management for the able way in which the club was conducted.

NEWS FROM OVER THE PROVINCE

According to an estimate made by the Dominion Parks Board, tourist traffic to the mountain resorts of Alberta last year had a total value of \$20,000,000 to the Province.

The first municipal hospital to be organized for the new year is that of Innisfail, an order for the organization of which was ordered this week. It is expected that at least five new hospital districts will be organized this year.

Contract has been awarded for the construction of an addition to the mills of the Lake of the Woods millling co. at Medicine Hat, to cost \$100,000.

In the five months from October to February inclusive a total of 1668 immigrants have settled in the province, according to statistics from Ottawa.

Another party of settlers from Holland have sailed from the old land and will come to the farm in the Lehigh, Northern Irrigation District.

MUNICIPAL TAX RATE THE SAME AS LAST YEAR

(CONCLUDED FROM FRONT PAGE)

not in the market for a building in Alix at present.

A letter was read from the superintendent (K. C. McLeod) of dependent and delinquent children in regard to the application of Mrs. Emma Ferlin of Bashaw for the allowance and on motion of Mr. Olson the council instructed the secretary to write the department in regard to the application for a temporary allowance until December 1st next.

Re By-law No. 18, respecting the prohibition of animals from running at large, a letter was read from the Department giving a ruling from the Attorney General's Department on the By-law passed by the Council and stating that the different clauses therein being covered by the Domestic Animals Act (Municipalities) the By-law in its present form was unnecessary and the following form was suggested by the Department and on a motion by Mr. Olson was accepted by the council and the Secretary is instructed to draft the same and forward to the Department for their approval.

The By-law now reads:-

"By-law No. 18 of the Municipal District of Lanieron No. 336 respecting the prohibition of animals running at large."

"Under the authority and subject to the provisions of the Municipal Animals Act (Municipalities) the council of the Municipal District of Lanieron No. 336 at all times."

A petition from the ratepayers of Division 4 was presented to the council which reads as follows:-

"We the undersigned residents and ratepayers, do hereby petition for the reopening of the road between 11 and 12 Township 14 Range 34 of this municipality. The said road is closed by wire fence with gates at each end which is inconvenient to the travelling public. We therefore petition and pray that you will proceed to remove this obstruction."

After some discussion the matter was left in the hands of Council for investigation and to report at next meeting.

A petition from the ratepayers of Division 3 and 37 was presented by 35 and 39 51 was forwarded by

the secretary and on motion of Mr. Olson was referred to the next meeting of council.

Considerable discussion took place in regard to the fixing of the tax rate for 1924 and on motion of Mr. Olson the rate was fixed the same as last year, namely 7 mills. Mr. Sherburne dissenting.

Re assessment of Business Tax against Clergents, Coal Mines, etc. within the municipality, the secretary was instructed to write the Department asking for information as to order of proceedings to regard to same.

On motion of Mr. Sherburne the following schedule of wages was fixed for 1924:-

Man per hour 30c
Team 80c
Grader foreman work 40c
Foreman 30c

A number of accounts were presented for payment and several adjourned at 5:30.

ITEMS OF INTEREST

Mr. and Mrs. W. C. H. Lewis left last week for their
former home at Seattle where they will again take up their
residence. The Lewis mine will be operated under new
management.

Miss C. Ross, who for a number of years has been the
popular belle girl, has resigned and on Monday left to make
her home with her brothers at Northville, Vancouver Island.
C. C. She has been a faithful servant of the public, courteous
and always on the job, and will be missed. However,
we wish her every prosperity in her new home. She is suc-
ceeded at the exchange by Miss Irene Straub.

Misses Jeffrey, Thompson and Hunter are this week
attending the teachers' convention at Calgary.

Miss Eva Titus of Killam was an Easter Visitor of her
friend, Miss Evelyn Hunter, and on Monday left to attend
the teachers' convention at Calgary.

Mr. and Mrs. W. C. Tallman were Easter visitors with
the latter's sister, Mrs. R. Lorkin of Leno. On their return
they were accompanied by Janet Goldberg, who has gone
on a trip to B. C. with her mother, Miss Ross.

Mr. W. Ferguson of Basha visited at his home here
for the Easter holidays.

Rev. J. C. Lowrie, who has been pastor of the Alix
Presbyterian field for the past two and a half years, leaves
next week to take over his new charge at Manitowaning,
Manitowin Island, Ontario.

We understand arrangements are under way for hold-
ing a stampede on the Alix Fair Grounds in the near future.
We look for full announcement later.

Miss Jean Kenna, teacher at Castor, was holidaying
over Easter with her parents and on Monday went to Cal-
gary for the convention.

School will re-open on Monday morning (after Easter
holidays) at 9 o'clock.

Mr. J. Purdy leaves on Saturday to visit for three
months with friends in various parts of England and also
the British Empire Exposition.

Mr. H. H. Mann returned on Saturday from Lacombe
where he has been undergoing chiropractic treatment.

Mrs. A. Newsham, Misses Stachia and Kathleen, and
blaster Jack, of Castor, have been spending the week at
the home of her sister, Mrs. J. C. Palmer.

The dance on Tuesday night was a very enjoyable one,
the crowd was not large, but those present were all dancers
and the Ballroom orchestra put up their regular program
of excellent music. The boy drummer is a marvel.

On April 15th Mr. R. G. Lowe was gazetted a Com-
missioner for Oath.

Mr. and Mrs. Cliff Deen return this week to Rocky Mt.
house after visiting for a couple of weeks at Alix.

Nurse Magie has gone to
nurse a case at Basha.

M. E. Howe, the optician
visits Alix on Thursday, the
8th of May.

Mr. Lane of the Horseshoe
Lake Ranch on Saturday
reported that he had that
week secured 22 acres of wheat

At the Old Fellows service
on Sunday Miss Alice Deane
of Stettin will give two violin
selections.

Notice is hereby given under
Section 68 of The Domestic Ani-
mal Act (Husbandry) that a
Worm Eater, white, with tail and
feet tinged with red was impounded in
the pound located on the S. E. 1/4, 1/4
Sec. 5, Twp. 41, Rwy. 24, W4th, on
the 2nd day of April, 1924, and
that the said animal was sold on
the 10th day of April, 1924, to G.
Meadows of Twp. Alberta, and
that said animal may be reclaimed
by the owner or on his behalf
within a period of thirty days
from the publication of this notice
and upon payment of all fees and
costs due to the municipality and
the purchase of said animal.
For information apply to the
municipal clerk.

CAR ORDER POINT

Edmonton will be made a car order point of the Canadian National Railways under an order to be issued during this week according to information which S. Thompson, grain inspector, received from officials of the board of grain commissioners at Winnipeg.

NATURAL RESOURCES CONFERENCE

Premier Greenfield and Attorney General Howland will resume negotiations with the Dominion Government at Ottawa, regarding the transfer of the Natural Resources, on May 9th next.

HR. GAS WELL DISCOVERY

A huge flow of gas estimated at anywhere from 15,000,000 to 20,000,000 cubic feet daily, has been struck in the well being drilled near the international border south of Lethbridge, by the Rogers International Well of the Canadian Oil and Refining Co.

COAL OUTPUT

The Dominion Bureau of Statistics gives the following figures for production of coal of the various provinces for the month of January of this year, compared with the preceding month of December:

Short Tons.	Jan. 1924	Dec.
Nova Scotia	265,000	416,000
New Brunswick	22,000	16,000
Saskatchewan	45,000	48,000
Alberta	916,000	586,000
British Columbia	241,000	214,000
	1,490,000	1,280,000

COMMUNITY LOYALTY

Have you ever stopped to consider the fact that loyalty to community interests is the highest form of patriotism? Show us the man who is loyal to every interest of his own community and we will show you in that same individual a man in whom his country can repose absolute confidence in an emergency that calls for his allegiance.

On the other hand, the man who is careless and unconcerned for the interests of his community is most apt to display the same spirit of indifference toward the government or his country should an emergency threaten.

Try to imagine an entire province composed of innumerable communities welded and cemented into a symmetrical whole, each striving to excel the others, but each from its own local loyalty, developing a broader and deeper loyalty that reaches out and embraces the whole.

This would be brought about if it could be brought to see that we are allegiance to our own people, but that the prosperity and success of our own people is dependent on the loyalty of the whole.

Let us develop community loyalty to the full—the highest possible form of patriotism.

A telephone message from Eskine completed arrangements for a return game in ALIX on

Saturday Morning, May the 10th

The visitors will arrive on the morning train and the game has been called for 11 o'clock sharp

Come To Church Sunday Afternoon

Immediately after Sunday School, which will close at 2.30, a service in keeping with "Mother's Day" will be conducted by the C. G. I. T., assisted by the choir. Every body is invited to participate with the Sunday School at this service.

Partly a Success

Auto owners have readily acceded to the request to park their cars in the centre of the street, but the object is defeated by those having horses which they tie in front of the places of business and thereby block the road. The council request therefore that rigs be parked on the side streets.

Cement Walk at Ontario Prices

Next week Frank McConigal will commence work on cementing the east side of Main street, according to instructions from the council. The price agreed on for this work is 60c a cubic foot, or 20c a square foot for a 4 inch walk (the lowest tender submitted, the next being 25 per cent higher). A price from Ontario of 18c a square foot on a 4 inch walk (down there) would lead us to believe that Alix is lucky in getting away with only 2c raise.

Mother's Day

The Ladies' Aid of the Presbyterian church will have girls on the street Saturday selling "Carnations" the emblematic flower of Mother's Day, which falls on Sunday, May 11th. Buy a flower and show that you remember the best friend of all.

Miss Jeffrey, teacher in the intermediate room, had for the past week been absent from duty owing to a severe attack of tonsillitis.

What about the Wednesday ball holiday? It seems that nearly all the business places want it put into effect, but who will start the ball rolling.

Cheer up! The biggest opportunities come to those who make use of the small ones.

Mail Contract

Edna Treder, addressed to the Postmaster General, will be received at Ottawa mail box, Friday, May 25th 1934, for the conveyance of the Majesty's Mail, on a proposed contract for a period not exceeding four years, from per work on the route TREX R. R. via HARBILL and THISTON from the last to the next.

Printed notices containing further information as to conditions of proposed contract may be seen and blank forms of tender may be obtained at the Post Office of Trex, Treder and Treder Ltd. at the office of the District Superintendent of Postal Service, District Superintendent's Office at Calgary, and May, 1934.

ITEMS OF INTEREST

Mrs. Brink of Delburne has been visiting for the past
week with her sister, Mrs. F. Sheldon.

Regular monthly session of the council of the Lamerton
Municipality will be held tomorrow (Saturday) afternoon.

Mr. C. H. Finnell of Edmonton was an Alix visitor a
couple of days the forepart of the week.

The women are housecleaning and the men are gardening
so what the -- Bill.

Mr. Ed. Harbottle returned home on Saturday from
Lacombe where he has been the past few weeks under the
care of Dr. Irving, Chiropractor. Ed. reports himself an
aching line and almost fully recovered from the injuries to
his head sustained some three years ago and from which he
has suffered since.

As a starter on the better roads program in town, the
businessmen have organized a bee for today (Friday) when they
will do the brushing on the right-of-ways leading to the
C. N. R. and on Limit Ave. to where it crosses the C.
P. R. When you finish this reading article, grab your axe
and beat it out, you are needed.

The Basketball Season season opened on Friday of
last week when the Alix girls motored to Erskine and were
trimmed by the team 14-28. The score does not indicate
the play as the teams were well matched and the play was
good, where, Alix felt in threatening to the basket.
The lineup for the Alix was as follows: Forewards--Vida
Tvefver, Myrle Rouse; Guards--Helen Antonelli, Zella
Sims; Centre--Dorothy Darlow, Eva Keeton; Spare--
Agnes Ditto.

Miss M. Griffin went to Calgary on Wednesday for a
couple of days' visit and on her return will be accompanied
by her mother who will spend the summer here.

Extract From Minutes

The council of the Municipal District of Lamont No. 208 met at the Municipal Office in Alix, Saturday, May 10th, at 5 p. m.

All the members of the council were present with Elmer D. Jewell in the chair.

The minutes of the previous meeting held April 15th were read and approved of by motion by Mr. Tallman.

The matter of the petition from ratepayers of Div. 4, for opening of road allowances lying between 11 and 12 1/2 St. 14-4 was reported on by Councillor Cassell, he stated that he looked the matter over carefully and in his opinion it was up to those interested to take the action necessary to open up the road allowances, and after discussion the secretary was instructed to notify those parties that if they desired the road to be opened they would have to apply for a lease for the land necessary for the opening of the road and that in the case of any others objecting to the opening of the road the matter would have to come before the council.

Re Tax Sale of lands for arrears of taxes from 1923. The secretary was instructed to give final notice, by registered letter, to the parties interested and that unless immediate settlement was made on all arrears of taxes, proceedings would be commenced at once.

In regard to disputed item of pay-sheet for road work re Mr. E. Ferguson of Tins, Mr. Council agreed to take the matter up with the town councillor, Mr. Fowle, and report at next meeting of council.

A letter from the Lamont Hospital re cost of Delbert Gillespie of Tins was left over until next meeting.

Re Tax Sale of lands for arrears of taxes from 1923. The secretary was instructed to give final notice, by registered letter, to the parties interested and that unless immediate settlement was made on all arrears of taxes, proceedings would be commenced at once.

Re the assessment of the remaining subdivision land N. 26. 10-23-4, this land is subdivided under two plans and the titles for same being very numerous the secretary was instructed to take the matter up with the Department and see what could be done towards having the same placed on the Tax Roll.

Re Council of Mr. McDonald and Mr. F. J. Randall, the secretary was instructed to advise the hospital authorities that no we are under agreement with the Lamont Hospital authorities to the same of all indebtedness from this Municipality we must return to acknowledge the amount referred to.

Mr. George Holmes waited on the council in regard to the finding of the land 27-28-25 (Hudson Bay Land) and stating that the land was being sold conditionally on consent of the poor evictions of the recognized road and Mr. Tallman agreed to have the road fixed and the council advised Mr. Holmes to advise the fact that the land was closed and to get up a sign to that effect.

On motion of Mr. Tallman the council agreed to recommend to the Department of Public Health the application of Mrs. Harry Borg for an allowance under the Mothers' Allowance Act.

On motion of Mr. McDonald, the secretary was appointed inspector under the provisions of the Mothers' Allowance Act.

The secretary presented a letter from Mr. Walter King re notice of closing trail between sections 10-23-4 and 4 and after discussion the matter was left over until next meeting.

Re Mr. W. E. Tom and secretary land, Mr. Cassell and Mr. McDonald were appointed a committee to look into the situation and if possible to arrange for a settlement with Mr. Tom and report back at the council.

Mayor McDonald and Council were appointed representatives from the council for Town Council.

Mr. McDonald reported in regard to the matter of section 9-10-21-22, stating that the matter had been brought to the attention of the A. P. P. and that in the event of action being taken towards the prevention of the gully section it would be necessary for the inspector (Mr. Crumley) to retain notice to assist him in his prosecution and it was moved on the motion of Mr. McDonald to allow Mr. Crumley to receive the necessary fee there, the expense approx- imately \$10 to be borne by the council.

Mr. E. Almonroth, engineer and electrician of Red Deer, attended the meeting in order to discuss road and bridge work with the council in connection with the Government grant and stated that the amount of the grant this year for Lamont No. 208 would be \$117.00 and is a very interesting talk gave some of his views in regard to the best way in which to accomplish the possible construction of good roads in the Municipality.

"Victoria Day" May 24th
Being a public holiday, all places of business in Alix will be closed

3rd Crop Report

Wheat seeding in Alberta will be practically completed this week. Seeding of oats is well under way. About 25 per cent. of the early sown wheat is now appearing above ground and is in a healthy condition.

Moisture conditions in the major portion of the province are still satisfactory and the new crop is germinating well, particularly on summerfallow. There has been practically no precipitation for more than a fortnight and hot, dry winds for the past few days have had a tendency to dry out the soil, so that the heavy rain yesterday was a happy relief and will give the grain a long boost.

Wheat acreage thus far seeded does not reach last year's extent, but the coming of more moisture will have a tendency to increase the area seeded to this crop. The area in oats is likely to be somewhat greater than last year. In the southern districts alfalfa is making a good showing, there having been practically no winter killing, and in these districts also there will be large areas planted to fodder crops such as corn and sweet clover.

The farm labor situation has been kept well in hand by the labor bureau, and practically every demand has been met to date.

Catering to the Kids

This week the school board have had the grader on the playgrounds leveling it off, and Hop, is sure making a good job of it.

Some weeks ago the Parent Teachers' organization installed a sand box and a "water-tower" and handed to the children balls and a basket ball, and in a couple of days will erect a slide which will add materially to the equipment. This has been a move in the right direction, the providing of entertainment at recess and in the evening for the children, and the ladies deserve a vote of thanks.

A GAME—PERHAPS

Weather permitting the Alix and Erickson Baseball Teams will play this (Friday) evening on the Alix School Grounds. Come and help our kids win.

Tennis Tournament

The Alix Tennis Club will hold a Tennis Tournament on Saturday, May 24th. All paid up members eligible to play. Drawing for partners Saturday forenoon, play in afternoon and refreshments afterwards.

Hazel Eden
Miss Eden's autograph here at last been realized, and we are gratified to announce the presence of Hazel Eden, the daughter of Fred and Emma Eden, whose fine voice, charming personality and extraordinary gifts have endeared her to the audience of the Chinese Opera Company in recent seasons. Miss Eden's voice is a true soprano of crystalline quality, yet of such volume and compass that she has scored great success in every dramatic soprano role. A wonderful accomplishment has been provided for Miss Eden in the form of a book. It is, the entire day upon which Miss Eden will appear will mark an epoch in the history of the opera in our province are concerned.

ITEMS OF INTEREST

Mrs. Lane, as representative from the Alix local, is
in Calgary this week attending the annual convention of
the Women's Institutes of Alberta whose sessions were
held on the 28th, 29th and 30th.

Bullivant Orchestra is supplying music for a dance in
G. W. V. A. hall, Alix, on the evening of the Alix School
Sports Day, Saturday, June 7th. Dancing will be from 8
o'clock sharp till midnight and the admission is \$1.00 per
couple.

Mr. F. J. Hartell, who has farmed what is known as
the Hickling ranch north-east of Alix, for the past four
years, this week moved his family to his south holdings,
the Black Diamond ranch west of Okotoks. We are
sorry to lose this estimable family from our midst.

Born—Near Alix, on May 28th, to Mr. and Mrs. M.
Brown, a daughter.

A pleasant afternoon was spent at the home of Mrs.
C. M. Yarwood on Tuesday when a number of the ladies
of the Women's Institute assembled to bid good-bye to one
of their members, Mrs. F. J. Hartell. The hours were
spent in pleasant chat and bridge, and ere the
hostess, on behalf of the Institute, presented the lady with
a dainty piece of china accompanied by the best wishes
of the assemblage.

Messrs. A. S. Con. and Cliff Bissett motored to
Chauvin for the 24th to visit their parents, returning home
on Wednesday last.

A carload of spuds was shipped from this point to
Winnipeg on Wednesday by The Big Store.

Wednesday saw the completion of the cement walk on
the east side of Main street and Contractor McGonigal is
now busy raising the level of the walk on the west side.
On its completion the road will be graded and leveled.

Did you ever notice that the
mention of a familiar name imme-
diately brings to your mind
thoughts of things that are as-
sociated with the name? For
instance, the name of "California"
brings thoughts of orange groves,
you hear the name of "Babe Ruth"
and you visualize a ball game in
progress. It is just the same when
we hear the name of "The Alberta
Lumber Co. Ltd." we immedi-
ately think of high grade lumber
and quality building material.

PRESBYTERIAN CHURCH

Service on Sunday at 10 p. m.
Subject of address: "The Three
fold Nature of Man—Body, Soul
and Spirit."

"Sometimes one while convers-
ing with a minister he offers
this criticism of a certain person
"What is wrong with that man
is that he is dead at the top."
Whether he was right or not I am
not prepared to say. But I think
of the expression—"Dead at the
top." A tree dies first at the top.
So it is with people, they die first
at the top, and the highest nature
of man is his religious nature. To
have lost coming to church and
the worship of God is to lose
something we can never get a
substitute for. It is to die at the top.
There is no doubt of this, all
history bears it out. There is
nothing keeps us young and the
world young like faith in God."

SUMMER VACATION

A most little pamphlet has been
prepared by the Canadian Pacific
Railway with a view to enabling
the public to plan their summer
vacation time. A large number
of summer vacation fares and
stopover rates are quoted in it.
The company has also issued a
complete pocket folder regarding the
"Trans-Canada Line."
The folder contains Canada's

Work Well Done

To Be Protected

A full board attended the monthly session of the town council last Monday evening.

A letter was read from the Sylvan Lake Citizens Committee asking that council endorse a resolution protesting against the action of the Dominion Government in passing legislation whereby criminals, such as Hansen, the Sylvan Lake murderer, could evade capital punishment. Council complied with the request.

The annual report of the Provincial Sanitary Inspector was read and ordered filed. The report was very satisfactory as a whole, there being only two or three objections which have been rectified.

Taking into consideration complaints lodged and the large amount of money being expended to put our streets in good repair, their worshipers resolved to strictly enforce the bylaw restraining animals from running at large.

Annual Meeting

To Be Held Here

The Annual Meeting of the Buffalo Lake U. F. A. Livestock Shipping Association was held in Alix on Tuesday, June 4th, at 10 a. m. All U. F. A. locals in the district are requested to send one representative for every ten contact signers or major portion thereof in their local.

Happy Re-Union

When old friends meet after years of separation there is, as far as times will permit, a real justification, and this week Mr. W. Kraft was entertaining a real old pal, a companion of the very early days before Alix was even thought of, in the person of Mr. George Elliot, who homesteaded what is now the Geo. Nielsen farm south of town and later acquired land to the north on the Spotted Lakes. Many a meal did Bill and George partake of in those bachelor days together in a joint shack, but in 1897 they parted. Mr. Elliot quitting the old stamping grounds never to return till this visit, and he expressed surprise and pleasure at the advancement made in our district.

Commission To Sit In Alberta

Sittings of the Dominion Railway Commission will be held in Alberta shortly when in behalf of the Alberta Government, A. Chard, freight supervisor, will bring up several matters including an application for stop-over milling in transit rates on lumber shipped from sawmills in the north country to outside points. At present this lumber must be sent to Edmonton for milling and the full rate paid in re-shipment from Edmonton.

The time to change tight unmentionables is when you have something on hand to cure a cold.

Mail Contract

Also known as the Postmaster General, will be received at the Post Office of the Province of Alberta, at the rate of \$1.00 per month, for the conveyance of the Province's Mail, on a proposed Contract for a period of one year, from June 1st, 1924, to June 1st, 1925, for each of the months of the year.

Printed notices containing further information as to conditions of proposed Contract may be seen and blank forms of Tender may be obtained at the Post Office of the Province, at the rate of \$1.00 per month, for the conveyance of the Province's Mail, on a proposed Contract for a period of one year, from June 1st, 1924, to June 1st, 1925, for each of the months of the year.

STELLA RAN ENTERTAINERS
PATSY AND OLA

A programme for the children by the "Ediths." What would
children do if it were not for the "Ediths."? The answer is simple.
They wouldn't have any fun at all in this happy children's programme both
old and young will have a most enjoyable time, both in the afternoon and
evening. Young OLA, aged five, is one of the most versatile comedians
who has ever appeared on the stage. She will perform a list of laughter out
of all proportion to her age. Her programme will save the theatre and
will make a comedy hit, it is true that a good laugh is the most
of a good cause. Patsy will be an example to the boys and girls. She
will entertain them by reciting her songs and she shall have many
bringing laughter and merriment and fresh air. Her artistic
talent in "her recitations." In her dramatic national dress, which is
based in a most different accomplishment, she offers a challenge to the
theatre, combined in a list of comedians. This Ediths' programme
should be seen by all. It is no opportunity that you mustn't afford to miss.

ITEMS OF INTEREST

Come to Alix tomorrow (Saturday).

The Alix school baseball team lost to the Stettler boys
at that town on Tuesday, June 3rd, but the same evening
the won at Mirror by a 9 to 5 score.

Mrs. G. H. Darlow was this week at Banff attending
the sessions of the Grand Chapter O. E. S.

The school sports committee will run their own refreshment
stand at the grounds Saturday.

Mrs. A. S. Henshaw was from Wednesday until Saturday
a guest of Edmonton friends.

Dad Lee was a business visitor in Calgary the forepart
of the week.

The awards for the Athletic Tests on Saturday will be
orange for the junior, light blue for intermediate and green
for the senior. The regulation colors (red, blue and yellow)
are being used for 1st, 2nd and 3rd awards in the racing
numbers, while prizes of equipment will be given for
the ball games.

Frank Darlow, who has been visiting his parents for
the past few weeks, returned to Edmonton on Saturday.

The U. F. A. Hall will be open all day Saturday as a
rest room for the convenience of all women, especially those
with children.

The regular monthly session of the council for the
Municipal District of Lamerton will be held on Saturday,
June 14th.

Cecil Finch is for a couple of weeks relieving at the
Lacombe yard of the Alberta Lumber Co.

SUMMER VACATION

A most little pamphlet has been prepared by the Canadian Pacific
Railway with a view to assisting
the public to plan their summer
vacation trips. A large number
of summer vacation fares and
sleeping car rates are quoted in it.

The company has also issued a
suggested pocket folder regarding the
"Trans-Canada Limited"
the fastest train across Canada,
giving schedules and other information.

A copy of either or both of
these will be gladly furnished to
anyone upon application to the
Canadian Pacific Ticket Agent.

The days are sure lengthening
but there'll be quite a few evenings yet that
you could use to good advantage
in fixing up the inside of the house. The Alberta
Lumber Co. has a supply of
Empire Wall Board that would
make that attic into a
real bedroom and the long
evenings would not be wasted.

Perhaps there is virtue in
poverty. The destitute can't
play golf and so have one less
thing to be about.

"Cry" means 5c for candy;
"weep" means 66c.85 for a
spring coat.

BUY YOUR TICKETS LOCALLY

When making a trip to some
distant point, you should buy your
railway ticket at the station here.
When you go to the city to buy
your ticket, you are not your fare
and expenses and pay the same
rate as you would here.

Buy here, save the extra cost,
and increase your business.
If you contemplate a trip to the
Old Country, or if you purpose
bringing friends from the Old
Country, all arrangements can be
made with the local Canadian
National station agent, who represents
all steamship companies.

PRESBYTERIAN CHURCH

Servies on Sunday at 7.30 p.m.
Songs in the evening. "The Olden
times in the world and its home."

The songs are well received what
we say. Some one once said, let
me make the songs and I care not
who makes the law. The study
of the scriptures in song, back to the
source and the contemplation. The
songs of the scriptures are spiritual
and of our own hearts. In the hymns
of grace of the church this nation
has nothing to equal.

Mrs. A. C. Foster left Monday morning on a four weeks' visit to friends in Vancouver, B.C.

The ladies of the Parent Teachers' Association are arranging for a garden party on the lawn at the beautiful residence of our member, Mrs. Irene Parby, north of town in July. For information later.

Dr. Sutherland, who has been spending the past few weeks in and around Alix, left on Monday for Rochester. During his absence Mrs. Sutherland and children will reside with her sister, Mrs. A. Loughbridge.

Don't fail to attend the "Big Community Sale" at the rear of the Vet's hall, Alix, tomorrow (Saturday) June 21. The stock will be in Topley's corral across the street. Sale starts at 10 o'clock sharp.

Mrs. A. S. Maynard of Chilliwack, B.C., arrived last week on a visit to her daughter, Mrs. Charlie Ross, south of Alix.

Major Mackie, Councilor Thompson and M. D. Secretary Lowe went to the road building demonstration at Lacombe on Monday.

At the Lacombe bull sale Mr. A. G. Ditto purchased three head, namely: "Jimmie de Pettion" (imported) from A. A. Peterson of Pomona; "Rex Ladle" (Shorthorn) from A. H. Bohlen of Lacombe; "King of Highview" (Shorthorn) from H. G. Wright of Lacombe.

Mrs. M. M. Yarwood and Ralph leave in a short time on a summer's visit to friends in Toronto, Pictou and other parts of Ontario.

In addition to the long list of articles advertised for the Community Sale at Alix, we have since had listed the following: 3 canaries (singers); Team horses; Milch cow; Set of wheels.

Wedding bells will be heard close to town in the early days of July.

Mrs. C. E. Stone, who recently underwent an operation for appendicitis at the Red Deer hospital, has so far recovered that on Wednesday she left the hospital to visit with friends at Calgary.

The departmental examinations commence on Monday. The number of students recommended from the Alix school are: Grade VIII 10; Grade IX 5; Grade X 3; Grade XI 2. (Others may write). A couple of Mirror scholars will write too.

Three carloads of Rebekahs paid a visit to their Olive sisters Wednesday evening.

The second car of potatoes this month is now being bought up by The Big Store for shipment east. See their ad. on this page and act at once.

For Sale

A Gouley plan, a map, Redlin 3 tube, new; Hamilton Typewriter in A1 shape; Davenport High over range; Oversee is leaving the country and must sell.

Mrs. I. Berg, Alix.

TEES NEWS

Mr. Brasley of the Imperial Lumber Yard has shipped in a new line of saw and engine saws and will now be in better shape than ever to supply his customers with their building requirements.

The Ladies Aid held a sale of ice cream, tea and cake in Mrs. Heather Old on Friday last. A nice time was realized. The proceeds of the sale will be put on the table to cover the cost of the district one given.

Mrs. Hoffman mentioned the ladies at the regular old meeting yesterday. The trip out was enjoyed by all and a very splendid meeting was held.

Very few reports of old women are current this year and gardeners are making fine progress.

Harry Williams and family of Crows visited at the home of Mr. Leonard at the home of Mr. Leonard a night. On the return trip a slight accident occurred when they were run into by a car. Slight damage was done.

Mr. Abo O. P. R. again, he is greatly improved his new law with a look of pain. Stunned is it, it is a credit to the town and gives a good impression by carrying on the line.

The extra gang is now located here and the line is working at advantage in the end tonight.

Mrs. A. W. Lawson spent the week end in Oils.

Mrs. Heath entertained the Ladies' Aid yesterday afternoon when plans and serving was done for the coming house.

Mrs. Lewis Beattie returned home Wednesday from Oils where she has been visiting for a week.

Mrs. AM Vancouver is spending the week in Lacombe.

Mr. Mosley Lockwood of the C. P. R. staff is returning to Lacombe.

Were pleased to report that Mr. A. Meas is improving under his new treatment.

Possibly the past three days has brought to us the very hottest weather Alberta has experienced in years, the thermometer reaching 101.

Municipal Council Appoint Mr. Yarwood Weed Inspector

The council of the Municipal District of Lamerton No. 398 met at the Municipal Office at Alix July 4th at 10 a. m. All the members were present, Reeve D. M. Jewell in the chair.

The minutes of the regular meeting held June 14th were read and adopted on motion by Councillor Olson.

Mr. Taylor, Field Inspector from the Department of Agriculture, Edmonton, met the Council in regard to the weed situation in the Municipality and asked for the cooperation of the Council with the Department in an endeavor to eradicate the present conditions. After considerable discussion in regard to the best way in which to cope with the situation, the council on motion of Councillor Olson, appointed Mr. Yarwood of Alix as Weed Inspector for the Municipality of Lamerton and any complaints in regard to noxious weeds may be reported to him or to the Secretary of the Municipality and immediate action will be taken.

Major Bourne of the Salvation Army met the council and in a very convincing manner gave the council some idea of their plans in regard to rescue work amongst unmarried mothers, and asking for the support of the council in a tangible way. Councillor Sherburne moved the council devote the sum of \$100.00 towards this work and the motion was carried unanimously.

In the matter of the lease of the Road allowance 11-12-13-14-21 which was granted at the previous meeting of the council, the lease was cancelled on account of the difficulties presented.

The resignation of Mr. Haines as Pound-keeper, on account of illness, was accepted and Mr. C. Wolferstan was appointed in his place, the Pound for division 5 now being located N. W. 26-40-23-24.

On motion of Mr. Sherburne the Secretary was allowed two weeks vacation to commence July 7th.

On motion of Mr. Jewell a donation of \$10.00 was allowed the Civic Fair committee.

The meeting adjourned at 4 p. m.

R. G. Lowe, Secy-Treas.

Half Holiday

At the regular monthly meeting on Monday evening last, the council were requested to take up the matter of a half holiday the same as previous years. After discussion it was resolved to declare a half holiday each Wednesday afternoon beginning July 16th and ending August 27th (inclusive). All places of business are required to close at 1 o'clock on each Wednesday during this period.

Alix Boys Win

The Eskrima and Alix Junior Baseball teams met in contest on Alix grounds last Monday evening and there was a good exhibition of ball as you will see anywhere, each side winning but one man. The locals played an errorless game and the visitors were close on their heels all the time. However Alix won by 7 to 3 shut out. The following is the score by innings:
Eskrima 0 0 0 0 0 0 0 0 0
Alix 0 0 0 1 1 1 3 1 7

Rev. Geo. Harwick has this week moved his family to Alix town on Buffalo Lake.

Business Change

This week Dr. J. S. Sutherland, at one time a resident of Alix, purchased the practice of Dr. R. B. Jenkins, together with his drug business, and also the Ferguson drug store, combining the two. We are pleased to welcome the Dr. and his family back to Alix and trust he will find business the best. We understand Mr. and Mrs. Ferguson leave on a visit to the east and will later reside in B. C. Mrs. Jenkins goes to her home in the Old Country for a visit and the Dr. will go to Vancouver. We regret to lose these two estimable families but trust that wherever they may locate they will find contentment and the greatest prosperity.

A Joyful Wedding

A quiet but pretty wedding took place at "Willowbrook Farm," the home of Mr. and Mrs. H. H. Mann at eleven a. m. on Wednesday, July 16th, when their eldest daughter, Evangeline Olive, was united in the holy bonds of matrimony to Mr. William Redman Brown of Edmonton. Rev. Geo. Renwick, pastor of the Alix Presbyterian Church, officiating.

The ceremony was performed in the grove which had been prettily decorated in mauve and white on the banks of Parley creek. The brides gown was white satin trimmed with pearls, and she wore a brilliant wealth of white carnelians and veil, while her sister, Kathleen, as bridesmaid was attired in mauve silk and carried pink carnations. Little Grace acted as ring bearer.

The groom was assisted by Mr. Bellamy of Oids.

After the ceremony a dainty luncheon was served which consisted of all the good things of the season.

Among the many beautiful gifts to the bride was a pearl necklace from the bride's brother and a gold watch from the groom.

The happy couple left by C. N. R. at 2.30 for a trip to Vancouver and on their return will reside in Edmonton.

A Pioneer Passes

On Wednesday noon last Mrs. Margaret Rieley passed away at her home four miles east of town from heart failure, at the age of 72 years.

Mrs. Rieley, whose maiden name was Graham, was born in Alton county, Ontario, in 1852, where she was married and in 1894 moved to Alberta and settled at Chignell where they lived for a time, later moving to California, and on their return located at Alix where in 1909 Mr. Rieley died.

Her death causes very deep sorrow among a large circle of friends who ever found her a kind and willing helper in all community affairs.

The funeral took place on Thursday from the Presbyterian Church to the Alix cemetery, Rev. G. Renwick conducting the services. The pallbearers were: Messrs. H. Paulsen, P. Ann, J. E. Merfield, G. Main, F. Main, and J. Docherty.

British Aviator Will Land in Alberta

Major McLaren, British Aviator, now in Japan on his round-the-world flight, will land on Lake Wabamun west of Edmonton, during his flight across Canada, it has been learned.

Arrangements are complete for the picnic on Banff lake next Wednesday afternoon given by the Banffshire for members of the order and Old Fellows.

Debaters Coming

Alberta University debating team will meet the Oxford debating team, headed by Mr. J. Macdonald, son of Britain's Premier, some time this fall when the Britishers come to Western Canada.

Coal For Ontario

It is expected that the plan to market 100,000 tons of Alberta coal in Ontario the coming season will mature as a result of the vote of \$200,000 by the Federal Government for assistance to the railways in handling the coal. The plan is that the Federal Government will pay charges above the actual cost of handling the coal in train lots during the slack season in traffic. Many centres in Ontario have already placed preliminary orders for Alberta coal.

The proper way to trade your old car in on a new one is this year. If you doubt it, ask any dealer.

The two things that make a great man small are a crisis and a close acquaintance.

The Alix Basketball Team won at Cive from that team on Thursday by a 26-27 score.

Remember Wednesday is a Half Holiday and all places of business close at 1 p. m.

Must The Producer Suffer Through "Bum" Grading

Honesty Is a Virtue -- but \$75.00 a Shot
Is a High Price For Giving Fair Play

On Tuesday afternoon in Alix before Police Magistrate Jackson of Camrose, the management of The Meadow Grumery was convicted of two infractions of the act and fined in the first instance \$10 and only and in the second \$75 and costs, the third charge being dismissed. The three charges preferred by the Department of Agriculture, through their representative, Mr. Fenson, was as follows:

- 1-"Baiting the Grads" contrary to the Act;
- 2-"Discriminating in Price" by means of baiting the grade;
- 3-"Statement issued not having the same of person to whom it was conveyed."

The finding of the court was very unpopular for it was a case of a man doing the right thing by his customers, as it was proven that Mr. Larsen had on various other occasions turned down shipments of off grade which were afterwards accepted by other customers, showing his intent to deal justly and maintain the standard of his output. In the first instance he accepted a customer No. 1 above the Government Grade No. 2, and in the second he paid a price superior when his cream showed No. 1 on the daily records as tested by the grader. In both instances the change was the correct grading according to the manager's life time experience. And into the bargain these men had been used to a special at various other circumstances.

The justice of the management's charge of grade in the second charge was further substantiated by the prosecution's witnesses, who stated that in the one case his cream could not have been other than special owing to climatic conditions and shipping it on a week, while the other man said his cream was only fat.

At the same meeting of crown prosecutors who occurred immediately after the hearing of the charges directed against the Meadow Grumery of Alix, the resolutions as given by Police Magistrate L. R. Jackson of Camrose, were thereupon discussed and by resolution, which carried unanimously, the magistrate was fully satisfied in the judgment to be rendered.

After a thorough discussion of the question under the present system of cream grading and the general condition of the creaming business in this province is questioned, the following resolution was submitted to the meeting by the resolutions committee, which was composed of Messrs. Robertson, barrister, of Banff, Albert Scott, of Calgary and L. B.

McDonald, of Alix, was read at the meeting and carried unanimously Resolution:-

"At a mass meeting of cream producers held in Alix on the 22nd day of July, 1936, the following resolution was passed:-

This meeting of cream producers assembled in Alix after hearing the evidence produced in the trial of N. A. Larsen, of Meadow Grumery Company for infractions of the Dairy Act relating to Creamery, has come to the conclusion that the present Act puts too much power into the hands of graders who are too often men of little experience. It further takes from the manufacturer a great measure of the power of maintaining his own business to the satisfaction of both himself and his patrons.

We believe also that while Mr. Larsen may have overstepped the strict wording of the Act, he has in no way violated the spirit of the Act and we have confidence by reason of Mr. Larsen's lifetime experience in handling dairy products that his judgment in case of dispute between himself and the Grader, is worthy of greater weight.

After dealing with Mr. Larsen for a period of years, we are fully convinced of his fairness and integrity and consider that today's proceedings, while no doubt, is fully correct, constitutes a grave misfortune of just justice.

It is further resolved that a copy of this resolution be sent to

the Premier of this province and the Minister of Agriculture."

Rev. Renwick is planning taking a squad of boys to camp at Buffalo Lake on Aug. 4th. A meeting will be held in the office of the Alix Free Press on Saturday, July 26th at 2 p. m. to make arrangements. All boys interested come.

Each 3.50—Should it also be mentioned in newspapers?

They measure God by their own outlook. Kembarick reminds them that what is marvelous to them is what is God. This that He was going to do was an ordinary thing as nothing marvelous about it. What is your world like? Photo gives an illustration of a man crushed all his life's dark's own. He found it very hard to believe there was anything beyond the narrow limits of your experience? All our experiences are limited. Some physically so. The last may be a little more in the world. This is a great mistake. Notice me if it is. Take a step at a time. The Bible is a hand book to believe because it leads us out of ourselves by the beauty of faith over the darkness. The rest of us are an Almighty God to day in still the same, "I would, it also be marvelous in my eye." But just for Sunday evening in Presbyterian Church.

Two Instructive Addresses At The Alix Fair

Mr. N. A. Larsen Offers Special Prizes
on Cream

In addition to the Dairy Prize offered in the List Mr. N. A. Larsen, manager of the Meadow Creamery, Alix, is offering four prizes for cream exhibits, namely:

Sweet Cream 1st—\$3.00

2nd—\$2.00

Sour Cream 1st—\$3.00

2nd—\$2.00

And in addition will give a talk on the care of cream.

A special case will be supplied to care for these exhibits.

Mr. Taylor, Provincial Weed Inspector, while on tour the forepart of the week, informed the president of the Agricultural Society that he would attend Alix Fair with an exhibit of noxious weeds which he would give information as to the manner of eradicating. If you have a weed or weeds on which you want information bring it in.

Watch The Weeds

The Department of Agriculture are out this year, to wage war on Noxious weeds. It would be asking too much to ask farmers to undertake to eradicate such weeds as Pig weed or wild Buckwheat, but such dangerous weeds as Tumbling Mustard, Stink weed, Canada Thistle or Sow Thistle, which have not yet got much of a hold, should be destroyed wherever seen. The Municipality of Lamerton has appointed Mr. C. M. Yarwood of Alix, Weed Inspector, who will be glad to investigate any complaints of any of these weeds growing anywhere and see about destroying them. The co-operation of all the farmers in the municipality is earnestly requested. But watch for the Perennial Sow Thistle, its the worst of the lot.

CARD OF THANKS

We wish to thank the many kind friends for kindnesses during the sickness and death of the late Mrs. Margaret Kiley. Signed Mrs. Ida Yahkie Chas. Stothard

Tax collections through the Provincial Department of Municipal Affairs for Alberta, for the first six months of this year show an improvement over the same period of last year of 49.70%.

Gun Exploded and Youth Was Killed

The unfortunate lad was the son of Mr. George Stanton and some years ago the family resided in the District.

Another fatal incident of death by accidental discharge of a gun occurred on Monday near Clymont about twenty miles from the city when Jack Stanton, 20, was found lying beside a log with the top of his skull blown off and his 30 rifle beside him. A constable of the Provincial police at Stony Plain was notified, but it was decided that no inquest was necessary.

Young Stanton has been living on a farm near Clymont for the past few months with his father and two sisters, where the men have been employed clearing brush and breaking on contract for J. D. McLean of this city. The death of the youth is very heavily felt, his mother having died two years ago.

About nine thirty Monday morning young Stanton started out with his gun to hunt rabbits in the vicinity of the farm. At about a quarter to ten his young sister heard a shot but thinking that it was only young Jack shooting at a rabbit paid no attention to it. When the youth failed to turn up at lunch time his father sent

Wilbert Pullock, a man employed by Stanton, to look for the boy. After searching for a while a good distance from the house he discovered young Stanton lying beside a log with the top of his head blown off. His death was presumably caused by the boy tripping over a log, causing the gun to discharge.

SUNDAY'S SUBJECT AT PRESBYTERIAN CHURCH

Gen. 12 - "The Birth Was With: Firm and Vain" "The Plagues of Egypt" Most people think that the teaching of the Bible is that God made this world all at once, much as it is now. This is not the thought of the writer of Genesis. It cannot be said that the Bible teaches creation. It can certainly be said that it teaches progress. We are introduced to a world dark, empty and formless, with a great sea covering the earth. There are many homes to be drawn from this. It is the human mind, created the same, that is proved from darkness to light, from the formless to the formed, and from the empty to the fulness of the knowledge of God. One may say that this change is taking place in "Milton's Comus" the little world of our souls.

Come To Alix August 18-19

On another page of this issue appears the program of sports for the Alix Agricultural Society Fair on Monday and Tuesday, August 18th and 19th, and for every competition liberal prizes will be awarded. It will be seen at a glance that this annual event will afford two days of education and enjoyment better than here-to-fore (and that's going some). There will be something doing all the time, baseball and basketball games, horse races and bucking contests and foot races.

Many people look forward to the Alix Fair each year. This will be one of the best ever staged and no mistake will be made by coming to town both days if a pleasant outing is desired.

On the evening of the second day the G. W. V. A. are putting on a dance in their hall with music by the Bulwain orchestra. Dancing from 9.30 p. m. to 2.30 a. m. and supper will be served in the hall.

Boys and girls taking part in the stock judging competition are asked to call at the office of the secretary at once for their score cards which give full instructions on judging.

A special prize is being awarded by the Stettler Flour Mill for Best Loaf of Bread made from flour mill by them: 1st—20 lb. sack flour, 2nd—49 lb. sack flour, 3rd—24 lb. sack flour.

Happenings At Tees

Mr. E. R. Fry has returned from visiting his brother at Pender Island, B. C. He reports a good trip and enjoyed the magnificent mountain scenery so far long on the trip. His son Gerald met him on the way home. Gerald was at Squakine Falls, Washington, and reports the Teas crowd there to be doing well and enjoying themselves generally.

Mr. and Mrs. Vannier returned from Edmonton Sunday where they had taken their infant daughter, Jean, to Dr. Leach, child specialist. An operation was performed and little Jean is progressing rapidly. We wish her a speedy and complete recovery.

Miss McKar, matron of the Consort Hospital, is spending a few days with Miss Muriel Fry.

Mrs. Morley Lockwood took in the Lacombe Fair on Thursday.

Mrs. McIntosh and children of Saskatoon are visiting with Mr. and Mrs. Vannier.

Mrs. J. B. Craik is spending the week with her daughter, Mrs. Wenley Irons of Calgary.

Mrs. Olsen returned to Winnipeg after spending a few weeks with Mr. and Mrs. J. F. Dennis.

Ray Lawson left for Calgary for the harvest.

Mr. Harvey Dawson and his friend left for Vulcan for the harvest. They are going over the trail in their "bug" car.

Mr. Caplette returned to Delmas, Sask., on Saturday last.

The road gangs have resumed work on the north trail.

The Ladies Aid took a working breakfast Wednesday when the ladies gathered in the church and varnished the pews and furniture. They are to be commended for their efforts as the church looks very much improved in appearance.

Mrs. Ahern was elected to the board of management of the church to fill the vacancy

caused by Mrs. Pugsley leaving. M. Fry takes over the work of Sec. Treas. of the M. B. Bruce McMillan resigned when leaving.

Powerful Mediators—The bonding properties of all commercial resins are based on the same principle. The resins "polymerize," that is, they form a solid mass. The resins are made of a liquid resin and a hardener. The resin is a liquid that flows into the hole and the hardener is a powder that is mixed with the resin. The resin and hardener are mixed together and the mixture is applied to the hole. The mixture then hardens and the hole is sealed.

Radio Request For Assistance Received Quick Response From Liner

An interesting page from the log of the U. S. Ensigns of Scotland, contains details of the assistance rendered by the U. S. Ensign to the last westbound trip of the big Canadian Pacific liner. The entry reads: "At 11:30 a. m. on May 12, when the ship was at latitude 52° 41' north, longitude 21° 54' west, a general radio was sent out by the U. S. Ensign reading 'All stations, attention.' The position 52° 41' north, 20° 45' west, received at 11:40 a. m. 12 may, 1935, was, request: position of the ship, and if possible, what was heard alphabetic call signs as this is urgently required (Signal) West-".

"Calculations of these positions made ships 120 miles apart. After consulting with the ship's surgeon our source was informed that the U. S. Ensign and at 4 p. m. she was sighted nearby about 4.47 p. m. her boat was hoisted and in an amazingly short time the medicine was trans-

of growth. From the reduction of speed on approaching the lighted island, the captain of the *Empress of Scotland* was on his guard ahead. Only six minutes of sea sickness, namely y-unched around at 4:21 p.m. Sail speed ahead. 4:47 p.m.

Westminster Abbey Site

It is only on dry tree branches such as the top of a sailing for instance, that the place of Westminster Abbey is seen. The place of Westminster Abbey is very odd, dating from 1526, and two of the others were preserved by the queen. The place of Westminster Abbey is Queen Elizabeth's house. The general and the queen, however, were not seen. Since this age, when I was added, some birds were added and the whole scene was added at the same time and came.

Quite a number of residents are enjoying a camp and the fishing at Chain Lakes. Some good catches of fish are reported. Mr. Griff Meadows and H. Bellhouse are the champion fishermen so far having caught twenty-two fish and the smallest one was "chub" long, and some of the biggest got away.

Mr. Morley Lookwood returned

to his former position with the C. P. R. on Monday after relieving in Lacombe for the last two months.

Mr. Lawson returned from Calgary on Saturday and reports a good deal of rain down there.

SILVER WEDDING IN NEBRASKA DISTRICT

The home of Mr. and Mrs. O. Stanchfield was the scene of a most delightful surprise party on Tuesday evening, August 19th the occasion being Mr. and Mrs. Stanchfield silver anniversary. They were married in Minneapolis, Minnesota, twenty-five years ago but have resided here nearly twenty-four years.

The seasonally invited Mr. and Mrs. Stanchfield, with a host of "Keweenaw" dealers, buyers silver knives and forks the family adding two spouses, berry spoon, and meat fork, sugar shaker and butter knife. Other neighbors gave them a set of tea spoons and a berry bowl with the spoons. The evening was spent with dancing, cards and chess, being suitably finished with tea and many varieties of cake.

They were gladly present to pay their respects to Mr. and Mrs. Stanchfield, all the children were home. Those present were Mr. and Mrs. O. Stanchfield and family; Mr. and Mrs. Marie; Mr. and Mrs. G. Meadows; Mr. and Mrs. W. Ferguson and family; Mr. and Mrs. Richard Ferguson; Mr. and Mrs. Ed. Weiling; Mr. and Mrs. Wm. Gillies; Mr. and Mrs. C. Parsons and family; Mr. and Mrs. F. Knight and family; Mr. and Mrs. Roy Watschburg and family; Mrs. Geo. Weatherill; Mrs. Wm. Weatherill; Mrs. John Lawson; Mrs. Baldwin; Misses Geo. Chasler and Dot Bellhouse Dorothy Meadows, Yelena Weatherill, Gladys Edwards, Lila Lawson and Helen Dick. Messrs Joe Baldwin, Jeff and Herman Harris, Basil Gordon and Willard Weatherill, Charlie and Dot Bellhouse, Kenneth and Jack Dick, Fred Meadows, Reginald Brown and Philip Ferguson.

Everyone with Mr. and Mrs. Stanchfield many more years of happy married life. Mr. and Mrs. Ed. Weiling (their daughter and son-in-law) and Mr. and Mrs. Tommy Harris whose third and twenty-ninth anniversary respectively it was.

Here and There

A remarkable report comes from Regina, Ont. Harry Church, a farmer residing five miles north of that town, in the course of a wheat crop which has just grown thick to three shovels. All are alive and thriving.

On July 1st, Mr. Stanley the Queen of Shea and her daughter visited the Canadian Pacific Railway's pavilion at the British Empire Exhibition. Her daughter, who is a student at the University of Toronto, expressed deep interest in all the new and latest exhibits in the "Imperial Exhibition."

Although the present season of corn travel has reached the period usually associated with a falling off in the number of passengers, nevertheless reports that little decrease is apparent this year and that the total volume of passenger traffic is held with probably in the longest of any year since the war.

THE NEW TEACHING STAFF - TOWN AND RURAL

More than a hundred pairs of feet wended their way to Alix Consolidated School (after the summer vacation) on Tuesday morning. There are a few new pupils and some vacancies by removals and quitting, but the change is not large. Mrs. M. Roper has Grades 8, 9, 10 and 11 with 22 pupils; Miss D. E. Orde has Grades 6 and 7 with 27 pupils; Miss E. Deliver has Grades 4 and 5 with 26 pupils; while Miss F. Halpin is Primary teacher with 28 children in Grades 1, 2 and 3. These numbers will slightly increased with the completion of the harvest.

Mrs. Trenna Hunter went on Monday to Stettler where she has been engaged as a teacher.

Miss Irish of Haynes is the new pedagogue at the Hicking school, while Harriet Stone is teaching the young idea at the Gadsby Lake seminary, north of town.

Miss Chisholm of Lacombe is the fountain of knowledge for the children at Stone school, and Miss Mary Sanderson is in authority at the Carrisdale university, south of town.

Miss K. Ennis has returned to Mirror school where she has been engaged for another term.

Miss Emerson of Lacombe succeeds Mrs. Findlater at Ripley school.

SECURE YOUR LICENSE

ALIX BOY WEDS IN CALIFORNIA

The marriage took place in the Christian church at Watsonville, California, at 8 p. m. on July 28th, of Lurena, daughter of Mr. and Mrs. John R. Johnson of that city, to William Clifford Clarke, son of the late Wm. T. Clarke and Mrs. E. B. Clarke of Alix, Alberta, the ceremony being performed by Rev. J. Miller Co. We join in extending congratulation to Clifford and his bride and trust they will find happiness and prosperity.

We are sorry to report the serious illness of the eldest son of Rev. and Mrs. Renwick. We understand the lad has double pneumonia.

Among the tourists who returned from their trips on Tuesday last were Mr. and Mrs. P. C. Nepper, Mr. and Mrs. W. J. retter and family and Mrs. J. Sims and family. Mr. and Mrs. A. E. Moore and son of Nordogg were the guests of Alix friends the forepart of this week.

Spanking the old-fashioned boy may have been wrong, but it kept him from thinking his mother a valit.

Direction is what makes people with a paunch decide against a seaside resort.

REGULAR SERVICE IN ST. PANGRAS CHURCH

A service will be held on Sunday, Sept. 14th, at 11 a. m. by the Rev. G. Moore Morgan B. A., L. Th., who will take over the mission of Alix, Mirror, Bashaw and Chive as soon as the rectory at Mirror is available for his use.

ALIX BOARD OF TRADE NEW LEASE OF LIFE

At a well attended meeting of the business men on Monday evening last, the Alix Board of Trade, after a season of inertia, was brought to life and a new set of officers was elected as follows: President—W. L. Pettit 1st vice—W. M. Reitzel 2nd vice—N. A. Larsen Secretary—R. G. Lowe Treasurer—F. Setters

THRUSHING RYE EAST OF TOWN

Mr. D. McMann, east of town, was the first to market 1924 grain in Alix when on Wednesday he delivered at the Alberta Pacific Elevator a few loads of good rye. It was threshed by the Sorum machine and we understand the output is still very giving the final shake to other crops in the same district.

DUCK SEASON OPENS NEXT MONDAY, SEPT. 15

The annual duck shooting season opens on Monday next and reports ducks are quite plentiful around the district and particularly around the lake as farmers are already complaining of destruction to wheat crops along the south shore of the lake. The season for ducks and geese runs from Sept. 15th to Oct. 14th inclusive.

The season for partridge, prairie chicken, etc., opens on Oct. 1st and is for the month only. Hungarian partridge can be shot south of Battle River from Sept. 15th to November 15th, but there is no open season north of the Battle River for this game bird. The bag limit on ducks is 30 per day or 200 for the season, on geese 15 per day, brant 15 per day. The bag limit on prairie chicken, etc., is 15 per day and 50 per season.

Hunters licenses can be obtained either at the Alix Free Press office or any other game guards.

A metropolis is a place where they must find something to do until bedtime after the party lets up.

NEWS FROM TEES

Rev. Oak, who has been visiting relative at Tees, left on the return trip on Thursday. He is going back through the States visiting Minneapolis, Duluth and eastern points. While in Moose Jaw he officiated at the wedding of his son, who is telegraph operator of the Moose Jaw Times. Mr. Oak and his bride are spending the week visiting their relatives here.

On Wednesday afternoon the Ladies Aid held a very successful sale of new cream and cake in Mrs. Meach's store. A nice sum was realized.

Mr. and Mrs. Ahorn and Jack Bob returned from Chicago and eastern points and report good crops and conditions from Moose Jaw west. Jack and Bob are attending school in Clegg and Freddy Meadows is attending school at Lacrosse.

Edna and Dorothy Ors are entertaining their young friends at a birthday party on Friday. A splendid time was had by all, and in spite of rain, the cream was enjoyed as though the weather had been hot. A number of ladies assisted in entertaining the youngsters.

Mrs. Buehne has taken up her duties as teacher of Drake school for the coming year.

Mrs. Baftman has returned from Calgary where she was taking treatment of her eyes.

Mr. Malenok returned to Lacrosse after spending a couple of months visiting Mrs. Vanner.

A very pleasant surprise party was held at the home of Mr. and Mrs. H. Ballhouse in honor of Mr. Ballhouse's birthday. Music, dancing and cards helped to pass a very enjoyable time. A champagne lunch was served at 2 o'clock and a good time was had by all. There were about fifty guests.

The Ladies Aid was entertained on August 27th at the home of Mrs. J. M. Orr.

Mr. E. H. Morris and his family have moved to Tees where he has purchased the property formerly occupied by Mr. Paetzner and is opening with a very fine line of dry goods, groceries, boots, shoes,

Annual Meeting

After a year the P. T. A. will hold their annual election of officers on Thursday of next week, Sept. 25th.

This organization aims at assisting the teachers in every way possible, and as it is a

"parents' organization, we believe every person interested in the welfare of our children should be in the membership.

This meeting is not alone for the members but all are invited, tea will be served and a discussion of the work in hand will take place. Come and meet the members of the teaching staff and join forces with them in making the school not only profitable but pleasant for your child. The P. T. A. is responsible for the play ground, equipment and wish to have every co-operation in extending the good work already begun.

The date of meeting is the 25th sept. and the hour is 3.30 p. m.

Armistice Day - Poppy Day

The G. W. V. A. seeks to bring home a proper spirit of national remembrance by the distribution of poppies, made by war crippled veterans in Alberta. The proceeds from the sale of these little tokens of remembrance provide "service to ex-service men" and thus the faith is kept with those whose last thoughts were for the living loved ones. So, once again, the people are asked, in the words of Lord Byron of Vainly, to "honour the dead by caring for the living."

The G. W. V. A. is co-operating with the Department of Soldiers' Civil Re-Establishment, and by the assistance given by willing and able workers to make the Campaign a huge success, more employment can be given each year to these disabled veterans in Alberta.

Our slogan is "Wear a Poppy on Armistice Day," if there is not a branch of the G. W. V. A. in your town, let the ladies get out and help, let them get together and form themselves into a committee for this purpose.

Poppies are available at the headquarters of the G. W. V. A. in Alberta, 310 Dominion Bank Building, Calgary, and the Provincial Secretary will be pleased to supply information to anyone enquiring from him.

OBITUARY

MRS. GEO. RALSTON

The funeral of the late Mrs. George Ralston, who passed away at the Misericordia hospital, Edmonton, at the age of 55 years, following an operation for goitre, was held on Tuesday after the arrival of the C. N. R., from Hestburg to their late residence and thence to the St. James cemetery where interment took place, the services at house and grave being conducted by the Rev. Irish of Hayes.

The late Mrs. Ralston was a native of Scotland and a member of the Presbyterian church. She was born at Carlisle, Lanarkshire, and came to Canada in 1906 when the family settled in this district where they have resided ever since.

Deceased leaves to mourn, her husband, five sons and four daughters, Mrs. J. Cohen of Long Beach, Cal., John of Glendon, Alta., James and Will of Chicago, Tom and Art of this district, and Elsie Kate and Mattie at home, a brother William Gilchrist of Edmonton, Alta., two brothers in Scotland and a sister in London, Eng.

Mrs. Ralston's bright and lovable personality endeared her to all and her sudden death is keenly felt.

The funeral was largely attended, friends coming from far and near to pay their last tribute of respect to the departed. The floral tributes were especially beautiful and numerous.

The school assessment notices have been issued.

ITEMS OF INTEREST

Wednesday of next week is October 1st.
J. R. Mackie shipped five cars of cattle on Tuesday.
Howard Carroll was successful in re-writing the subject
on which he failed at the midsummer exams and on
Monday he left to take his Normal Course at Camrose.

Leckie Pears has entered the employ of 'the Big Store'
as a clerk.
Mr. M. A. Searle of Camrose spent the week end in
Alix with his family.

It is never too late to do good or to save money. Storm
rash and storm doors will save their cost this winter by
keeping out the cold and requiring less coal to be burned,
and you would be well advised to place your order this
week for The Alberta Lumber Co. that they may have them
when you want them to put them on your house.

Miss Marvel Early went to Camrose on Monday to take
her Normal training.

Mrs. M. E. Wilson of Edmonton, Grand Matron for the
Eastern Star, paid her official visit to the Chapter on
Thursday evening last. She was accompanied by Mrs. A.
Hirovsky, who is also one of the Provincial Grand officers.
While in town they were guests of Mrs. G. H. Darlow, who
went to Stettler on Wednesday and accompanied them to
Alix Thursday morning.

Any old place that hangs your hat may be "Home Sweet
Home" to you, but she wants a real home and the manager
at The Alberta Lumber Co. will give you plans and lumber
at rock bottom prices. Let's go.

Sunday next, September 28th, will be "Rally Day" at
the Sunday School and everyone is invited to attend at 2
p. m. Special music.

The regular meeting of the Women's Institute will be
held in the rest room on Thursday, October 2nd, when two
of the ladies will give instructions in fancy work. Those
wishing assistance bring their work along.

Mr. and Mrs. A. S. Bissett, Miss E. Bateman and J.
Talents motored to Stettler on Wednesday to attend the
Eastern Star meeting.

S. W. Fleming, merchant
tailor, of Alix, has this week
opened up the tailor shop on
Main street, Three Hills, and
is offering a 10 per cent dis-
count on all orders taken be-
fore Oct. 1st, 1924. He is
carrying a full line of import-
ed and domestic suitings and

According to press dispatches samples of Canadian corn were in the hands of some of the grain exporters of Vancouver recently, not as a time for foreign shipment but to show what Canadian prairie corn is like.

According to the grain experts it is even better than that coming into this country from Illinois. When United States corn is too high for this mar-

the trade by importing it from Australia, but local grain men stated recently that if the area of Canadian field, in corn production is extended as

usually as it has done in the past few years there will be little necessity in a few years for Canada to go outside for corn.

Since 1915 the acreage devoted to corn in Western Canada has increased 1419 per cent, and the production has increased 1,100 per cent. It is estimated that 100,000 acres in Alberta and a similar area in Saskatchewan have been planted to corn this year, and will represent a 50 per cent increase of about 50 per cent over last year.

Manitoba's expansion is slower, but an increase of 100 per cent is estimated in the province.

In the year ending May, 1924, Canada imported for consumption 9,205,000 bushels of corn from the United States compared with more than 16,000,000 bushels the year before and

This shows that Canada is gradually becoming more self-sustaining in the matter of farm produce.

In 1933 the three western prairie provinces of Alberta, Saskatchewan and Manitoba produced about one crop amounting to 71,898 "tons" valued at \$3,669,000.

An acre appears to grow well in Alberta. Vancouver grain dealers are particularly interested in their prophecy that Western Canada will ship crops through that port soon.

Cattle and sheep dealers are also interested as they claim that an increase in corn production in Canada will mean the possibility of cured-hops for the world market.

Council Minutes

The council of the Municipal District of Lamerton No. 398 met at the office in Alix Saturday, October 11th, at 2 p.m., present Councilors Olson, Tallman, Sherburne, Cassell and Jewell. Reeve D. M. Jewell in the chair.

The minutes of the previous meeting held August 9 were read and exception was taken by Councilor Tallman to the motion passed at that meeting in regard to road diversion and the overflow of water from spring and on motion of Councilor Olson the previous motion was rescinded on account of the diversion being on private land and the following action was put through in its place, viz. That the Secretary secure an agreement from Mr. Guss giving the land straight through in return for the other land on the present road allowance.

Mr. Tallman then moved that the minutes be accepted as read.—Carried.

The secretary was instructed to write the Department that the council recommend the straightening out of diversion 27-40-24-4 as there is

a very dangerous spot turn at the place mentioned.

Councilor Sherburne and the secretary were appointed delegates to the municipal convention to be held in Calgary Nov. 26, 27 and 28.

A number of accounts were passed for payment on motion by Councilor Olson.

The meeting adjourned at 3 p.m. on motion of Councilor Cassell.

Power Of Death Ray

Mr. Matthews Says He Will Give Invention To Britain

— That the "death ray" is perfected, is it would bring down a host of attackers and assassins in a charred and twisted mass of wreckage. It finished!

Mr. Matthews' inventor of the supposedly "death dealing device, said in New York

It will require fifteen months to complete the work and the ray being its present limitation of 60 feet the inventor said.

Mathews said that after coming to the United States he had been offered a big salary by the United States and other foreign governments but would stick to his determination to give it to the British Government.

"The British have no home islands," he said, "it is my purpose to perfect a device in the next year."

A Power of its Own—Dr. Thomas Robertson has a subtle power of his own. All who have used it know this, and keep it by them as the most valuable thing they possess. There are indispensable for many years it has been proved as the best selling formula for men and women.

Obituary

Following an operation for cancer, Mrs. C. J. Bronson, from south of Alix, succumbed to the grim reaper on Tuesday night last. The funeral took place on Thursday, interment being made in Haynes cemetery. We join in extending sympathy to the sorrowing husband and family.

Word was received on Sunday last from Louie Beach, Cal., of the death of Mrs. Geo. Rathburn, daughter of Mrs. L. F. Rouse of Alix. Deceased was up to a couple of years ago a resident of Stettler, but prior to her marriage in 1905 was living with her mother here and her sudden death comes as a shock to her many friends. She leaves beside a sorrowing husband, a family of seven children.

Lost Two Fingers

Olive Merrifield, who is making her home with her uncle, Mr. J. E. Merrifield, had the misfortune to lose the thumb and middle finger and have the first finger and palm of her right hand badly lacerated on Thursday morning. Just how the accident happened is not known as the children were alone in the house at the time, but it was evidently caused by an explosion.

Well, we are progressing. We think up more impressive words to call attention.

Belief in Immortality

Men believe in a life beyond the grave, or more have just been found without this belief. The graves of pre-Immortal men testify that man at that early period held the same conviction. It cannot be denied that the immortality of the belief is significant. There must be something basic or fundamental about it. We might say that it is natural for man to believe in a life beyond the grave, and that skepticism on this point is an artificial thing and hard to maintain. Many have said there is a tendency to be lifted and so to jump to conclusions. If that is the very point, why is there a tendency to believe? If we just take the bare facts as they appear, the tendency should be to not believe. The dead have life still and dreams and the grave hides it away and the place that know him shall know him no more. The tendency then

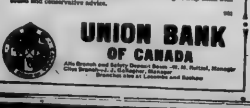

should be to believe. Why is it the opposite? There are two main bodies of evidence, one that says the general human mind of thought has swept them away. Skepticism has explained the rise of the belief in the spirit and the spirit world in this age. Accidents, deaths, and the things that men dream and shadow played a prominent part. Men wondered what his shadow was where he went it went; what his first more mysterious soul it accompanied him? He doubts this is true to me extent. It is some part of the world it is still a dangerous thing to tempt on a man's shadow or interfere with it in any way. It becomes something at once. The world is many languages for spirit resemble the real shadow and are derived from it. Our old English word shadows this. Job complains that the world beyond death is a land of shadows. For some of the old

—BY—
 REV. G. RENWICK

Hebrew this shadow world was something they recoiled from. Miss and the breath leaving from mouth both something to with primitive belief. Dream however, are said to play the most prominent part. In the dream the man was away hunting or visiting some place. He knew his body was at home on his bed, that that was away. And on the belief in the soul grew up. Now this all seems very plausible but it is not a shallow way of dealing with the question. A juggler when he wishes to do something from our situation away from the real scene by something else he may show. This is what the skeptic or rationalist of today does. The real cause is neither dream nor shadow. A man's horse can't be shadow and may even be afraid. Dogs dream but they do not believe in another world. The cause is not in the shadows or dreams but in the mind that gives a certain interpretation to these things. It is really in the reasoning process (however primitive) West has it is reasoning mind of men? Explain it and we will explain man's belief. To speak of dream and shadow as explaining man's belief in the soul and to leave out the conscious thinking power of man out of the explanation seems poor logic to me. Is it not a better explanation of the world? We are tempted to say to all such things "Dig a little deeper, please."

To Insurance Beneficiaries

Thousands of thousands of dollars are sent monthly through the union branches or certain agencies of money received for insurance death claims and material endowments. A Union Bank Death Agency Account is the proper place for the deposit of such monies. If beneficiaries only have money, our Union managers are always willing to help them with sound and conservative advice.

ITEMS OF INTEREST

Mr. Clarke, Miss Diers and Master Wilfred were week end visitors at the home of Mr. and Mrs. H. H. Mann. Mr. Clarke, who at one time ran the Imperial hotel, had sold his picture business at Rimley and is leaving to reside at the coast.

The Albia Women's Institute will hold a tea and sale of home cooking on Nov. 1 in their rest room on Main Street.

In addition to extensive improvements to the building, The Meadow Croppers Co. has this week been keeping on the grounds in front and it is the intention to have a flower garden. We believe Albia has now a creamery sound to none and one that is rich a credit. The complete front of the building has been faced with brick and cement.

It is astonishing that a well known fact, the good building or far paper will resist and keep out cold winds and fast better than anything else, but cement it must be papered good quality, such as can be gotten from The Alberta Lumber Co. Ltd.

Going to the fact that the vet's hall cannot be secured and rather than disappoint the ladies, the ladies of the P.T.A. are having a Halloween party for the children in the old Hickling house about one mile from town on Thursday, October 30th.

Mr. A. L. Parry of Calgary was a visitor this week at the home of Mr. and Mrs. A. S. Bisset.

The 1924 threshing is almost completed in our district.

Brought To Life

The Rev. Morgan, the new rector, and Mrs. Morgan met twelve women of St. Pancras church, at the home of Mrs. Yarwood on Oct. 23rd when the Guild, that has been almost dead, was re-organized with the following officers:

President—Mrs. E. M. H. Parby.

Vice-President—Mrs. C. M. Yarwood.

Secretary—Mrs. J. Smith.

Meetings will be held on the second Thursday of each month where all women interested will be made welcome.

Cut By Barbwire

On Saturday while chasing a horse belonging to one of the townsmen, Ray Wilton, young son of our local merchant, had the misfortune to be pushed into a barbwire fence, having his leg cut very deeply, which required three stitches. The horse also received a nasty cut on the leg.

The Funeral

A large crowd of sympathizing neighbors and friends gathered in Haynes church on Thursday of last week at 2 o'clock to pay their last respects to the late Mrs. Clark Brownson. The funeral service was conducted by the Rev. W. Irish, after which interment took place at the Stone burying ground where a bed also lies buried. The deceased leaves behind a sorrowing husband, one son Jasper, and one daughter Olive (Mrs. Bob Russell) and three grandchildren, also several nieces and sisters in the east, deceased having come from Peterboro County Ontario and resided in Saskatchewan and then returned to the farm, living in Haynes a short time in the interval, where Jasper conducted a blacksmith and repair shop. The deceased was in her 47th year but had been in poor health for some time, her condition lately becoming so serious that the family took her to the Lacombe hospital where a tumor was removed, but her condition was considered critical from the first and all the skill and care were unavailing. The family were with her to the end.

The pallbearers were C. Bucknell, Wilton Brownson, Mr. Randall, Joe Daly, C. Sherburne and E. Casarco. The family have the sympathy of a large circle of friends.

Haynes News

Mr. and Mrs. E. E. Seal, Mornington, were recent visitors around town.

Mr. and Mrs. Dick Bucknell from Red Deer spent a day or so last week with C. Bucknell's. They have a new Ford Coupe.

Mrs. Dean of Alix has been helping Mrs. Earl Cundiff caring for the very sick babe who is suffering with spinal meningitis.

Mrs. Keeton is home from Red Deer very much improved in health.

Mr. Burdick has been sick in bed a couple of weeks.

Canadians Returning From The U. S.

Canadians to the number of 27,495 returned to Canada from U. S. during the first half of the present fiscal year, according to immigration Department figures. Of this number 25,141 were Canadian-born citizens, 2,354 were British subjects who have acquired a domicile in Canada and later moved to the U. S. and 1,713 naturalized Canadian citizens.

The first parcel of Alberta tar to be shipped out of Alberta for experimental purposes, will leave Edmonton on Monday next for Petrolia, Ontario. The shipment is being made by the Draper interests, who are operating tanks at Waterways, northwest of Edmonton on the Clearwater river. This material will be sent to Petrolia for street paving.

World production of silver for
the first half of 1914 is 117,450,000
ounces as against 118,250,000
ounces in the first half of 1913.
Canada accounted for a pro-
duction of 18,000,000 ounces in 1913,
or against 18,500,000 ounces in the
first half of 1914, being the third
producer after Mexico and the
United States, both of which showed
a decline.

Belgium's output of currency
better in June according to L.
19,746 pounds, as compared with
15,000 pounds in June, 1913, an
increase of 4,746 pounds or 31.6
per cent. From January to June,
1914, the province has produced
1,100,000 pounds of butter, as
against 1,425,000 pounds in the
same period in 1913, an increase of
325,000 pounds, or 23.4 per cent.

Among the tributes to the late Sir

Mr. and Mrs. Clark Walker and family, after spending
a year in Saskatchewan, returned to Alix on Saturday.

Mrs. C. B. Halpin of Lacombe spent the week end
with her daughter, Miss Halpin of the Alix Consolidated
School teaching staff.

Messrs. J. R. Mackie, W. H. Mitchell, J. R. Docherty,
G. Ross, S. C. Andrews, J. Talents and F. Setters were
the representatives at the Masonic district meeting in Cas-
seler on Friday of last week. Mr. F. Sissons of Clive was
elected the D. D. G. M. for 1915.

The village council's next regular monthly meeting is
Monday evening, November 3rd.

Abraham Lincoln lived in a log house and split rails
when training for President of the States. But you don't
need to because you can buy your fence with circular posts
and your house with dry lumber from the Alix Lumber
Co.'s yard.

J. R. Mackie shipped 100 head of Cattle on Tuesday.

Last week while after some game birds for dinner Mrs.
S. Cruikshank had the good fortune to "rescue" some of
the money she has been losing through raids on her chicken
pens, when she killed over a fine large coyote. Of course
the stolen chickens were beyond recovery but as the old
saying goes, she collected the debt "out of the hide."

Details of special train service, via Canadian National
Railways, to the ship's side, Halifax, for Old Country
Christmas sailings, are announced elsewhere in this issue.
There will be a big demand for these Christmas sailings
and those contemplating a trip to the Old Country should
book now with the local agent of the Canadian National
Railways, who represents all steamship lines and who will
be pleased to make complete arrangements for your trip.

Born near Alix, on October 19th, to Mr. and Mrs.
August Constantine, a son.

Card of Appreciation—I wish to thank all those neighbors
who harvested my crop, and performed other kind-
nesses during my recent illness. —P. McCallum.

The Sunday School lesson for next Sunday will be
found in Luke 15:11-24. Golden Text—"I will arise and go
to my father."—Luke 15:26. Attendance last Sunday
was 57 children and 10 adults.

It is astonishing, yet a well known fact, the good build-
ing or tar paper will resist and keep out cold winds and
frost better than anything else, for this reason it must be
paper of good quality, such as can be gotten from The
Alberta Lumber Co., Ltd.

Don't miss Optician Howe's visit to Alix on the 5th
of November (Wednesday) next.

Nurse Maple left on Thursday for Edmonton where she
will have charge of a case for several days.

The heavy fall of snow the forepart of the week would
have been welcome had the threshing been complete, how-
ever Alix district is almost clean up.

Quitting The Farm

Mr. and Mrs. G. Dunn, who are holding a public auction of their effects on the 11th, are quitting the farm and will probably move to Calgary. We are sorry to see this estimable couple but illness compels Mr. Dunn to seek other employment.

Obituary

Thos. H. Marks, employed on the bridge gang working on the Red Deer river bridge south of Alix, died suddenly Wednesday evening after a half hour's illness from heart failure. Deceased's home was at Smith Falls, Ont.

Died, in Seattle, on September 19, Alma McDougall, aged 37 years, beloved wife of Chester Monte and mother of Shirley, Minnie, Alice, Jessie, Wayne and Kathleen, all of 1329 Corwin Place, that city. Funeral services were held from the Methodist Chapel of the Columbia Undertaking Co., September 21st, at 11 a.m. The remains were then shipped to Portland, Oregon for interment at Mt. Scott Cemetery.

What About Ice

How about putting the sink in shape? The lake is very poor, in fact two of our young people broke through on Monday evening and received a mud and water bath. Don't let us wait till Christmas. This would be a good matter for the Board of Trade to take up.

Smith Case Settled Out Of Court

The Smith case came up for hearing Tuesday morning at Edmonton and after a reading of the case, an adjournment was granted and in the interval a settlement was reached whereby the Municipality agreed to pay the village \$300 (which is the amount required for an indent) and both wash their hands of any future obligations in connection with this case. Each will stand their own costs. In commenting on the case afterwards Judge Tweedie said had it come to trial, the above would have been his decision. Lawyers McCall of Edmonton and Norris of Alix represented the village and Atkins of Bashaw and Field of Edmonton the municipality.

There are no doubt other cases similar to this one in the Province and it is about time that the Government provided some means of taking care of our unfortunates. We should have a system of Houses of Refuge the same as the eastern Provinces. We believe the cost would be cut considerably to start with and in the end such institutions would be self supporting. The present system of locating the country altogether too much, in fact the small communities cannot long stand the strain.

Cream Poolers Will Convene

The general meeting of the Cream Poolers will be held in Alix on Tuesday, the 19th November, at 10 a. m., and it is taken 33 per cent of the signers to transact business, it is necessary that this be a representative meeting. Every cream producer is invited to this meeting.

Annual Meeting

The annual meeting of the Alix branch of the Women's Institute will be held in the U. F. A. hall on December 4th. The meeting will open at 5 p. m. when the officers for the year 1925 will be elected, after which a social evening will be spent by the members and their husbands. A fowl supper and cards will be part of the program for the evening.

The body of Thom B. Mackie, whose death we reported last week, was shipped to his home at Smith Falls, Ont., for interment.

ANOTHER ONE TO CHEER FOR CON.

A wedding, which will be of interest to a large number of Alix people, took place in Markham on the 24th of last month, the principals being Miss Margaret Dix and Mr. Con. Beatty both of this city. The groom has spent a good part of his time with his brother, Mr. A. B. Beatty of Alix, and always played on the local hockey team and is now playing professional hockey in the north. Con. here's best wishes for lots of wins and hopes of.... (happiness) They will make their home in Markham.

Farmers To Assume Control of The Meadow Creamery

At the first general meeting of the contract signers of the Central Alberta Dairy Producers' Association, held in Alix on Tuesday of this week, permanent officers were elected with Mr. A. C. Johnston of Clive as president and Mr. W. A. Armstrong of Botha as vice. The directorate, which will comprise seven members, will be elected by ballot one from each of the seven districts interested, and will hold office for one year.

This was a well attended meeting and, although the organization has been somewhat slow, owing to the extensive field covered, it was satisfactory to know that every step taken to date had been in the right direction and that nothing had to be retracted.

After a thorough discussion of the business accomplished and due consideration of what was yet to come up, it was decided to put forth every effort to take over the business the first of the coming year.

The shippers throughout the jurisdiction of The Meadow Creamery have taken up the co-operative movement in an uncertain manner and the contract signing to date has been most satisfactory, but there are a large number of patrons who have not affixed their signatures to the agreement and until the directorate is complete, the management of The Meadow Creamery will take care of any correspondence, supply contract forms and answer all inquiries with reference to the pool. If you are not in, get in at once.

Alix Honored

The District meeting of the I. O. O. F. held in Alix on Wednesday was a most enjoyable affair and well attended, representatives being present from every lodge with the exception of Lacombe.

In the evening was Dr. McPherson of Riley, Grand Master of the Grand Lodge of Alberta, whose addresses on the work of the order were very instructive. At the direction of officers in the afternoon Mr. P. C. Toepfer was elected M. D. G. M. and Mr. T. M. Wilton District Secretary.

In the evening the ladies attended and with other visitors enjoyed the play and banquet put on by the Alix Lodge.

On invitation it was unanimously agreed to hold the 1925 session at Mirror.

Dance Next Week

The dance to cover the chautauque deficit, will be staged on Thursday, Nov. 27th, in the G.W.V.A. Hall. Good music and a good time. Everybody come. \$1.00 per couple, extra lady 25c, supper extra.

On Saturday evening last a number of the neighbors of Mr. and Mrs. G. Duan gathered at their home to bid them good bye and are leaving presented them with a silver cascade and pyrex plate. The evening was spent in games and social chat and a luncheon served by the ladies.

Mr. George Perry, an employee at the Russell Coal Mine, while cutting a loading timber, had the misfortune to slip and in falling struck the axe blade which cut a deep gash in the small of his back. He was rushed to Dr. Sutherland and eight stitches were necessary to close the wound.

The Free Press A Weekly Letter

Alameda, California, Nov. 12th, 1924

Dear Mr. Andrews

I can't tell you how much we appreciate getting the Alix paper each week, we now get it all the news first hand, whereas we would get it after a week or two and sometimes not at all, so we see we haven't yet lost interest in Alix.

Had we had a good crop this year we would probably have been back, but as it is we may as well stay for the winter and in the spring we may go back. Ike is getting along well in his work and wonders what chances there would be getting work to do up there, that is concrete work, making foundations, sidewalks, etc., they go in very extensively for that kind of work here, he works in Oakland all the time.

We occasionally see Nellie Anders and we had Mr. and Mrs. Clifford Clarke from Watsonville yesterday, it seems like a life from home.

Kindest regards to all the friends,

Mrs. L. W. HILL

ITEMS OF INTEREST

Mr. and Mrs. Geo. Radburn of Vancouver are visiting at the home of Mr. and Mrs. A. Loughridge.

(On Monday while playing at school, Ethel Rouse had the misfortune to cut her hand on a piece of so badly that three stitches were necessary.

Abraham Lincoln lived in a log house and split rails when training for President of the States, but you don't need to because you can build your fence with cedar posts and your house with dry lumber from the Alberta Lumber Co's yard.

It is astonishing, yet a well known fact, the good building or tar paper will resist and keep out cold winds and frost better than anything else, but remember it must be paper of good quality, such as can be gotten from The Alberta Lumber Co., Ltd.

Bridge Club Again Holding Sessions

On Monday evening the organization meeting of the 1924-25 bridge club was held in the I.O.O.F. hall when after playing the following officers were elected:

President—W. H. Mitchell
1st vice—C. M. Yarwood
2nd vice—W. L. Pettit
Secretary—J. Talleux

Stink throwing has been resumed in the district.
Mrs. Beches returned Monday morning from a visit to her parents.

Fred Haines is convalescing after having a couple of ribs cracked when his team went off his harness—batter out down on the coast.

Mr. Jack McMillan is left on Tuesday at Jasper Park where Johnnie is employed.

Mr. and Mrs. Fry arrive Friday visiting Mr. and Mrs. Anderson.

Leslie Smith was a business visitor to Tase on Friday. He had the misfortune to have his collar horse break loose and leave him to feed his horse.

We report to learn that the Imperial Lumber Yards have commenced shipping out their products from Tase. It is not certain when Mr. and Mrs. Beches will leave but their removal will be handy.

Mr. Harris and Mr. Beches made a business trip to Okla. Friday. Wanting to very good on the road now.

Agricultural Society's Annual Meeting And Election of Officers

The Annual Meeting of the Alix Agriculture Society was
held in the U. F. A. hall on Saturday, Nov. 29th, when the
financial report, which showed a small balance on the right
side, was read and adopted. With the receipt of the grant
the society will be entirely out of debt.

At the election of officers President E. B. Williamson
was re-elected, Mr. C. Cockrill 1st vice and Mrs. W. L.
Petit 2nd vice-president. The directorate is Messrs. J. D.

Lady Directors—Messdames Cockrill, Ditto, Toepfer,
Strange, Stone, Ennis, Williamson, Marryat, Jamieson,
Yarwood, Mann and Miss Marryat.

Arrangements are under way for the holding of the
Annual Dance.

1924 Village Council Will "Carry On" For Another Twelve Months

That the village is to be governed for 1925 by the same
capable body of men who guided her destiny the past
twelve months, was the decision of the ratepayers Monday
evening at the annual meeting.

There were but four nominations, the sitting council
and Mr. Wilton. The latter was willing to act, providing
one of the others wished to vacate but when they agreed to
carry on, he withdrew.

A vote of thanks was tendered the 1924 council on
motion of Messrs. G. G. Norris and Geo. Ross.

A discussion of the auditor's report resulted in the
endorsement of the manner in which the affairs of the town
had been handled.

Welfare Of Our Children Is Question Of Vital Concern To The People Of Canada

Two Statistics of the Canadian Prairies by J. J. Irving, the birds comprising the list are grouped according to the species of tree they attack. Knowledge is derived and in most cases illustrated so that identification made comparatively easy. As the forewings of the control agency depends on the nature and feeding habits of the insect, identification

There were 326 whooping cough, 18 scarlet fever, 126 tuberculosis, 212 diphtheria, 279 measles, 67, total 121.

There were numerous other diseases but 1,521 Canadian children from one to four years of age died from the seven diseases enumerated.

There was the cold one through the nose— throat-itis and pneumonia happens in a similar way. Tuberculosis is a disease that is in all probability "caught" in early childhood contact again, just the same as in birds, and in other ways. Tuberculosis is "passed on" by those who have it, perhaps also through milk. Great care should be exercised to capture

They are, as we say, "not immune" but get more so every year. If exposed to these diseases under varying ages they will probably take the infection and may die, but if protected against infection till about twelve or fourteen years old their immunity will be so much greater that most of them will not take the disease at all.

chests and diptheria. Against diptheria we have the great remedy of anti-toxin. If given at the beginning of the illness the child almost always recovers. It seems probable that we shall soon have an anti-toxin for scarlet fever which will give as good results.

Over 4,000 deaths of children by diphtheria and scarlet fever last year.

Canada's infant mortality rate was 101, or more than twice that of New Zealand.

ITEMS OF INTEREST

Tomorrow [Saturday] the council for the Municipal District of Lamerton held their monthly meeting and sit at a Court of Revision on the recent assessment.

Born—In Alix on November 28th, to Mr. and Mrs. D. C. Stewart, a daughter.

The Sunday School lesson for next Sunday, found in John 9: 13-17, 26-38. Golden Text—"One thing I know, that, whereas I was blind, now I see"—John 9: 15. Attendance last Sunday: 57 children, 7 adults.

New methods of co-operation have been adopted by the Alberta Lumber Co., Ltd., who will assist you in planning and arranging your new home or barn, and advising you as to the grade and size of lumber for every part, so you get what you need and at the lowest cost possible.

A dance will be held in the G. W. V. A. hall, one week from tonight, Friday, December 13th, when a three-piece orchestra (brilliant on piano, Kirby on the tenor) and Wilson with the traps) will provide the music. The charge will be \$1 per couple with supper extra.

Mrs. J. Sims and family left on Monday 1 join Jack at Kimberley, B. C.

The Community sale on Saturday was such a success that the auctioneer has decided to hold another on December 13th, in front of the Alix Garage. If you wish to enter anything list it NOW at The Free Press office.

At their annual meeting on Monday night last the re-elected 1924 officers for another year, with Mr. C. B. Howe as high much-much and J. Talbot to the seat of the mighty quill pen. The auditor's report showed a very successful year.

You cannot begin to soon to build that home of your own. A home in which you really live. Remember that half the pleasure of a home lies in its beauty, attractiveness and harmony of design. Let the Alberta Lumber Co. show you their modern house plans.

Tees News

Mr. and Mrs. Homer Brule and Charles left Tuesday for Carleton Place, Ont., where Mr. Brule takes charge of the Imperial Lumber Yard. They go by way of Alix and then south.

Mr. and Mrs. Raymond Weath and Marion Beach left for Huxtable Falls, Washington, by car on Wednesday.

Mr. J. Schumacher moved his family into town for the winter. Joe Todd and one Gurney have moved the Lumber Company dwelling and have moved in.

Frank Knight commenced stock throwing on Monday.

Mr. Geo. Hansen is leaving for a visit to his old home in Ontario. When he returns he will move his family into town to reside.

ATTENTION

Why pay the big price
for Flour when you can
get your wheat milled
at Lacombe?

If your wheat will not make good flour we
will exchange and charge the difference in
grade. Gristing 150 per bushel. Sacks 30c
each.

Small Deposits

Do not delay a savings deposit on account of its small

BIG DANCE TO-NIGHT [Friday, December 12th]
under the auspices of the G. W. V. A. in their hall at Alix. Three-piece orchestra. Everybody welcome.

A Coming Treat

A musical evening will be given under the auspices of the P. T. A. at the home of Mr. and Mrs. W. Parby on the evening of Thursday, the 18th December. A silver collection will be taken after tea. A splendid program of soloists, quartettes, etc., etc., is being prepared and a good time is assured. Parents who intend coming will please Mrs. A. Bissett or Mrs. G. A. Thompson before the 16th (Tuesday).

The regular meeting of the P. T. A. will be held on Tuesday, December 16th.

Elect Officers

At their regular meeting on Thursday evening of last week the Masonic order elected the following officers for the ensuing year:

Master—W. C. Tallman
S. W.—S. C. Andrews
J. W.—T. M. Wilton
Treasurer—J. R. Mackie
Secretary—H. G. Flach
Tyler—J. R. Docherty
Trustee—J. R. Mackie, G. Rose, T. M. Wilton

The installation will take place on December 27th in their hall and will be followed by a banquet.

In this free country every man can maintain his rights if he doesn't care what happens to his neighbors.

Help Us Make The Girls Happy

We are giving any or every girl a chance to win a "Great Big Beautiful \$10.00 Mama Doll" by collecting subscription money for us. The label on your paper shows the month and year that your subscription is paid up to so when one of the girls hits you up you will know what to pay. Let us club together and in settling accounts make the girls happy. It doesn't cost you a cent other than what your subscription calls for. The article most appreciated is won by effort on the part of the child so we want you to help us reward them.

More Than Fifty Appeals

At its sitting as a court of revision on Saturday last the council of Lamerton Municipal District dealt with 52 appeals most of which were settled satisfactorily. The council adjourned for one week and consequently will meet to transact their regular business tomorrow (Saturday).

S. B. R. T. A. MEETING

Service and Holy Communion will be held at 11 a. m. on Sunday, Dec. 14th.

Extract From Council Minutes

The council of the Municipal District of Lamerton, No. 300 met as a Court of Revision in the Town Hall, Alix, on Saturday, Dec. 6th, at 10 a. m. Present: Messrs. Jewell, Tallman, Olson, Sherburne and Cassel.

A number of appeals against the 1924 assessment were presented to the council by the objectors and passed on by the council and at 6 p. m. the meeting was adjourned to meet again Saturday, Dec. 13, at 2 p. m.

At 2 p. m. on Saturday, Dec. 13th, the council again met, all the members being present with Reeve D. M. Jewell in the chair, taking up the unfinished business in connection with the Court of Revision and at 3 o'clock the council adjourned as a Court of Revision to take up general business.

On motion of Mr. Sherburne the minutes of the meeting held Nov. 4th were approved as read.

Re petition regarding dangerous crossings between SW Sec. 14 and NW Sec. 11-39-23-4, the secretary read a letter from the Supt. Canadian National Railways, Calgary, which stated that as the cost of constructing a subway at that point would be excessive and as the traffic there was not heavy, they could not see their way clear to build a subway at the present time, and the council instructed the secretary to get in communication with the board of Railway Commissioners and lay the matter before them.

Re letter of Mr. Trotter protesting for the different parties against the claim for damages in regard to horses running at large. Councillor Olson moved that as the party claiming the damages did not have a legal fence (according to the act) the claim for damages could not be sustained, and that the secretary notify the poundkeeper to refund the monies to the different parties.—Carried.

The secretary was instructed to notify Miss Otty to that effect. The secretary was instructed to notify Mr. Sparks asking him to take some measures towards keeping his stock from running at large. Otherwise the council would be compelled to take action in compliance with the by-law which prohibits the running at large of stock at any time of the year throughout the entire municipality.

Mr. Tallman moved that a committee be appointed to go to Mr. Frank Pinnell's, SE 34-39-23-4, and look over the situation in regard to building a road there, the committee appointed being Messrs. Tallman, Sherburne and Cassel. The date to be Jan. 10, 1925 in the morning. The secretary read a letter from Dr. Shore of Calgary asking for a rebate of taxes on account of his neighbors using his land for the purpose of as an outlet to the main road and the secretary was instructed to write Dr. Shore and inform him that no rebate on taxes could be allowed and that the council were arranging to build a road in order to avoid the present conditions.

Re letter from Mr. Kraft in regard to appeal against 1924 assessment of the S1 of Sec. 21-39-23-4. The secretary was instructed to write Mr. Kraft that as his appeal did not conform with the time limit, (viz. 40 days) the council were unable to take the matter up.

Re pound No. 5 and impounded stock, Mr. McDonald and Mr. Olson, the committee appointed to investigate, reported that the fences were all down and as the party had no legal fence, the claim for damages was invalid, and the secretary was instructed to advise the pound-keeper to refund the money and the secretary was instructed to write Mr. Hudkins informing him of the committee's decision.

On motion of Mr. McDonald, the secretary was instructed to get in communication with the Genl. Supt. and register a protest against the curtailment of train service on the Calgary-Alberta Edmonton line of 15-17-21-22-23-24-25-26-27-28-29-30-31-32-33-34-35-36-37-38-39-40-41-42-43-44-45-46-47-48-49-50-51-52-53-54-55-56-57-58-59-60-61-62-63-64-65-66-67-68-69-70-71-72-73-74-75-76-77-78-79-80-81-82-83-84-85-86-87-88-89-90-91-92-93-94-95-96-97-98-99-100-101-102-103-104-105-106-107-108-109-110-111-112-113-114-115-116-117-118-119-120-121-122-123-124-125-126-127-128-129-130-131-132-133-134-135-136-137-138-139-140-141-142-143-144-145-146-147-148-149-150-151-152-153-154-155-156-157-158-159-160-161-162-163-164-165-166-167-168-169-170-171-172-173-174-175-176-177-178-179-180-181-182-183-184-185-186-187-188-189-190-191-192-193-194-195-196-197-198-199-200-201-202-203-204-205-206-207-208-209-210-211-212-213-214-215-216-217-218-219-220-221-222-223-224-225-226-227-228-229-230-231-232-233-234-235-236-237-238-239-240-241-242-243-244-245-246-247-248-249-250-251-252-253-254-255-256-257-258-259-260-261-262-263-264-265-266-267-268-269-270-271-272-273-274-275-276-277-278-279-280-281-282-283-284-285-286-287-288-289-290-291-292-293-294-295-296-297-298-299-300-301-302-303-304-305-306-307-308-309-310-311-312-313-314-315-316-317-318-319-320-321-322-323-324-325-326-327-328-329-330-331-332-333-334-335-336-337-338-339-340-341-342-343-344-345-346-347-348-349-350-351-352-353-354-355-356-357-358-359-360-361-362-363-364-365-366-367-368-369-370-371-372-373-374-375-376-377-378-379-380-381-382-383-384-385-386-387-388-389-390-391-392-393-394-395-396-397-398-399-400-401-402-403-404-405-406-407-408-409-410-411-412-413-414-415-416-417-418-419-420-421-422-423-424-425-426-427-428-429-430-431-432-433-434-435-436-437-438-439-440-441-442-443-444-445-446-447-448-449-450-451-452-453-454-455-456-457-458-459-460-461-462-463-464-465-466-467-468-469-470-471-472-473-474-475-476-477-478-479-480-481-482-483-484-485-486-487-488-489-490-491-492-493-494-495-496-497-498-499-500-501-502-503-504-505-506-507-508-509-510-511-512-513-514-515-516-517-518-519-520-521-522-523-524-525-526-527-528-529-530-531-532-533-534-535-536-537-538-539-540-541-542-543-544-545-546-547-548-549-550-551-552-553-554-555-556-557-558-559-560-561-562-563-564-565-566-567-568-569-570-571-572-573-574-575-576-577-578-579-580-581-582-583-584-585-586-587-588-589-590-591-592-593-594-595-596-597-598-599-600-601-602-603-604-605-606-607-608-609-610-611-612-613-614-615-616-617-618-619-620-621-622-623-624-625-626-627-628-629-630-631-632-633-634-635-636-637-638-639-640-641-642-643-644-645-646-647-648-649-650-651-652-653-654-655-656-657-658-659-660-661-662-663-664-665-666-667-668-669-670-671-672-673-674-675-676-677-678-679-680-681-682-683-684-685-686-687-688-689-690-691-692-693-694-695-696-697-698-699-700-701-702-703-704-705-706-707-708-709-710-711-712-713-714-715-716-717-718-719-720-721-722-723-724-725-726-727-728-729-730-731-732-733-734-735-736-737-738-739-740-741-742-743-744-745-746-747-748-749-750-751-752-753-754-755-756-757-758-759-760-761-762-763-764-765-766-767-768-769-770-771-772-773-774-775-776-777-778-779-780-781-782-783-784-785-786-787-788-789-790-791-792-793-794-795-796-797-798-799-800-801-802-803-804-805-806-807-808-809-810-811-812-813-814-815-816-817-818-819-820-821-822-823-824-825-826-827-828-829-830-831-832-833-834-835-836-837-838-839-840-841-842-843-844-845-846-847-848-849-850-851-852-853-854-855-856-857-858-859-860-861-862-863-864-865-866-867-868-869-870-871-872-873-874-875-876-877-878-879-880-881-882-883-884-885-886-887-888-889-890-891-892-893-894-895-896-897-898-899-900-901-902-903-904-905-906-907-908-909-910-911-912-913-914-915-916-917-918-919-920-921-922-923-924-925-926-927-928-929-930-931-932-933-934-935-936-937-938-939-940-941-942-943-944-945-946-947-948-949-950-951-952-953-954-955-956-957-958-959-960-961-962-963-964-965-966-967-968-969-970-971-972-973-974-975-976-977-978-979-980-981-982-983-984-985-986-987-988-989-990-991-992-993-994-995-996-997-998-999-1000-1001-1002-1003-1004-1005-1006-1007-1008-1009-1010-1011-1012-1013-1014-1015-1016-1017-1018-1019-1020-1021-1022-1023-1024-1025-1026-1027-1028-1029-1030-1031-1032-1033-1034-1035-1036-1037-1038-1039-1040-1041-1042-1043-1044-1045-1046-1047-1048-1049-1050-1051-1052-1053-1054-1055-1056-1057-1058-1059-1060-1061-1062-1063-1064-1065-1066-1067-1068-1069-1070-1071-1072-1073-1074-1075-1076-1077-1078-1079-1080-1081-1082-1083-1084-1085-1086-1087-1088-1089-1090-1091-1092-1093-1094-1095-1096-1097-1098-1099-1100-1101-1102-1103-1104-1105-1106-1107-1108-1109-1110-1111-1112-1113-1114-1115-1116-1117-1118-1119-1120-1121-1122-1123-1124-1125-1126-1127-1128-1129-1130-1131-1132-1133-1134-1135-1136-1137-1138-1139-1140-1141-1142-1143-1144-1145-1146-1147-1148-1149-1150-1151-1152-1153-1154-1155-1156-1157-1158-1159-1160-1161-1162-1163-1164-1165-1166-1167-1168-1169-1170-1171-1172-1173-1174-1175-1176-1177-1178-1179-1180-1181-1182-1183-1184-1185-1186-1187-1188-1189-1190-1191-1192-1193-1194-1195-1196-1197-1198-1199-1200-1201-1202-1203-1204-1205-1206-1207-1208-1209-1210-1211-1212-1213-1214-1215-1216-1217-1218-1219-1220-1221-1222-1223-1224-1225-1226-1227-1228-1229-1230-12 of their long abuse because," Maira informed him. "He would have beaten Bart to death had not his partner intervened along. Kluge was obviously the brains of the combination, didn't want a white man murdered 'on the work,' as he put it. They brought Bart to the gate and Steakly kicked him into the open, warning him that he'd have no second chances. If ever they caught him trying to spy

Bring Me Your Mides

A Voice For Santa Claus

READ it last week in the paper, ha'f of a page it had; Read it out loud to mother; my, but it made her mad! Somethin' some college feller said in a mile-long speech, That Santy Claus is a humbug that nobody ought to teach; That tellin' the children stories of how he comes thru the snow To bring 'em their toys and dollies was wicked, bad and low; That him and his prancin' reindeer, his pack and his old red sleigh, Was nothin' but lyin' nonsense that ought to be thrown away. 'NOTHIN' but lyin' nonsense, teachin' the child deceit? 'Nothin' but fairy stories? Maybe, but ain't they sweet? What would you give, you killers—gray-headed grandads all, Workin' from morn till evenin' over this hard old ball— What would you give in money, cash that you worked for so, To b'lieve in the fairy stories you b'lieved in long ago? What would you sell your past for? How much would close the deal? That bought up your man's treasures, of days when then fates was real.

Christmas without a Santy? 'Member the nights before? 'Member how hard you listened hearin' the old folks snore, Hearin' the wind a-whistlin' up in the chimney flue, There is the place where Santa somehow wiggles through? 'Member the Xmas mornin'?' 'Member the stockin's, what? Wasn't they filled with goodies? Nothin' that cost a lot. But, cause old Santa brought 'em, wonderful things, you bet 'Member how you loved him? Some o' us love him yet. Christmas without a Santa? Puddin' without a plum. Think of the million youngsters waitin' the day becomes Countin' the hours and minutes, thinkin' they hear his sleigh just as their daddies heard it, back in another day, Nothin' but lyin' nonsense, wicked to spread around? Then I'm a wicked boy, beg's I'm above the ground. Long as I've got a roof tree, while there's a chimney flue, Santa shall come to my house. How is it folks with you?

Alix Christmas Tree and Entertainment

The Christmas Tree and Entertainment in connection with the Alix school, held on Monday evening, was a success in every way, notwithstanding the disadvantages of heavy roads and extreme cold under which the teachers labored in making preparations. This is the occasion. This is the event in the year that a supreme effort is made and on this occasion the public was not disappointed. The hall was well filled and such number of merry merrymen, boys received hearty welcome. To attempt a pick out of the best numbers would be foolish as there wasn't any best, they were all good and the teachers deserve maintained praising with the children. At the close Santa appeared and distributed the presents from the well laden tree, each child receiving in addition a bag of mixed candy and nuts and an orange from the school board.

Why Flyer Was Delayed

Found Cow Had Extra Notes in Wing Of Plume

"Delayed by cow eating wire fence connector."

This message was received by the officer in charge of flying at Brooks Field, San Antonio, Tex., about the time he was thinking of sending out a search party to find Lieut. Robert Wilmont.

Wilmont had flown to Fort Worth.

When he returned to his plane after having transacted a bit of business he found great ladies in the lounge warm and stabilizer. Nearby was a cow.

Wilmont faded the necessary patches and hung around on guard while they set.

Will Shortz's Journey

Air Line Bagged in London Will Save Fifteen Days

Fifteen days on the through journey from Bagdad to London will be saved.

Special passenger planes designed for this route, which passes over the desert between Cairo and Baghdad, will be used. They will be equipped so that meals can be served in the air, and the day saloon will be converted into sleeping compartments at night.

In a single season banana trees grow from 20 to 40 feet in height.
